THE PLACE OF DEAD ROADS

**"POWERFUL...A RAGING TORRENT OF WORDS AND IMAGES...
MORE ACCESSIBLE AND MURKILY POETIC THAN EVER."**

—Los Angeles Times Book Review

The Place Of Dead Roads

Phil Baker

The Place Of Dead Roads:

The Place of Dead Roads William S. Burroughs, 2015-01-29 This surreal fable set in America's Old West features a cast of notorious characters The Crying Gun who breaks into tears at the sight of his opponent The Priest who goes into gunfights giving his adversaries the last rites and The Nihilistic Kid himself Kim Carson a homosexual gunslinger who with a succession of beautiful sidekicks sets out to challenge the morality of small town America and fight for intergalactic freedom Fantastical and humorous The Place of Dead Roads continues William Burroughs exploration of society's controlling forces the State the Church women literature drugs with a style that is utterly unique in twentieth century literature The place of dead roads, 2018 *War, Language, and Identity in William S. Burroughs's "The Place of Dead Roads"* Nico Muniz, 2002 **William S. Burroughs Cutting Up the Century** Joan Hawkins, Alex Wermer-Colan, 2019-05-17 This definitive book on Burroughs decades long cut up project and its relevance to the American twentieth century including previously unpublished works William S Burroughs's Nova Trilogy The Soft Machine Nova Express and The Ticket That Exploded remains the best known of his textual cut up creations but he committed more than a decade of his life to searching out multimedia for use in works of collage By cutting up folding in and splicing together newspapers magazines letters book reviews classical literature audio recordings photographs and films Burroughs created an eclectic and wide ranging countercultural archive This collection includes previously unpublished work by Burroughs such as cut ups of work written by his son cut ups of critical responses to his own work collages on the Vietnam War and the Watergate scandal excerpts from his dream journals and some of the few diary entries that Burroughs wrote about his wife Joan William S Burroughs Cutting Up the Century also features original essays interviews and discussions by established Burroughs scholars respected artists and people who encountered Burroughs The essays consider Burroughs from a range of perspectives literary studies media studies popular culture gender studies post colonialism history and geography A landmark in scholarship Choice *The Rifleman* Christopher Sharrett, 2005 A comprehensive analysis of what many consider to be television's most intelligent western The Rifleman is perhaps the most significant and intelligent of the TV westerns from the late 1950s an era when the western was the dominant television genre With its story of a single father raising a son in 1880s New Mexico The Rifleman offered many alternatives to the conventions of the western It also embodied many of the genre's contradictions setting its ideas about domesticity and level headedness alongside the gun violence adopted by westerns as central to the settling of the West and the creation of America With its initial episodes written and directed by celebrated auteur Sam Peckinpah and the overall series produced by veteran Dick Powell and the pioneering television production team of Jules Levy Arthur Gardner and Arnold Laven The Rifleman is distinguished by its stewardship of some of the most talented minds of early television In his succinct study of this television milestone Christopher Sharrett uses television studies psychoanalytic criticism gender studies and American studies to place The Rifleman within the TV western genre and early television culture While

discussing the intelligence and lasting value of this series Sharrett also challenges the reader to consider the broader role of 1950s television in shaping the consciousness of the postwar generation The Rifleman remains one of the great examples of the stalemates within American mass culture the struggle between reason and violence **William Burroughs** Barry Miles,2002 Originally published London Virgin 1992 Understanding William S. Burroughs Gerald Alva (Al) Miller,2020-02-05 Through critical readings Gerald Alva Miller Jr examines the life of William S Burroughs and the evolution of his various radical styles not just in writing but also in audio film and painting Although Burroughs remains tied to the Beat Generation his works prove more revolutionary Miller argues that Burroughs more than any other author ushered in the era of both postmodern fiction and poststructural philosophy Through this study Miller situates Burroughs within the larger countercultural movements that began in the 1950s when his novels became influential because of their examination of various control systems from sex and drugs to global or even intergalactic conspiracies Understanding William S Burroughs begins by considering his early straightforward narratives Despite being more stylistically conventional they broke new ground with their depictions of junkies gay people and others marginalized by society The publication of Naked Lunch shattered all literary paradigms in terms of form and content Naked Lunch and the cut up novels recordings films and art that followed constitute one of the twentieth century s most sustained and methodical aesthetic experiments placing Burroughs alongside Franz Kafka Jorge Luis Borges James Joyce Samuel Beckett Vladimir Nabokov and Thomas Pynchon in terms of both innovation and influence Burroughs eventually turned his attention toward imagining methods of using the control machinery against itself Often considered his masterpiece the Red Night Trilogy of the 1980s ranges across time and space and life and death in its quest to discover the ultimate form of freedom His antiestablishment stance and virulent attacks on various types of oppression have caused Burroughs to remain a highly influential figure to each new generation of authors artists musicians and philosophers The hippies punks and cyberpunks were all heavily indebted to the man whom many people called el hombre invisible and his works prove more relevant than ever in the twenty first century **William S. Burroughs** Phil Baker,2010-07-15 Along with Jack Kerouac and Allen Ginsberg William S Burroughs 1914 97 is an iconic figure of the Beat generation In William S Burroughs Phil Baker investigates this cult writer s life and work from small town Kansas to New York in the 40s Mexico and the South American jungle to Tangier and the writing of Naked Lunch to Paris and the Beat Hotel and 60s London alongside Burrough s self portrayal as an explorer of inner space reporting back from the frontiers of experience After accidentally shooting his wife in 1951 Burroughs felt his destiny as a writer was bound up with a struggle to come to terms with the Ugly Spirit that had possessed him In this fascinating biography Baker explores how Burroughs s early absorption in psychoanalysis shifted through Scientology demonology and Native American mysticism eventually leading Burroughs to believe that he lived in an increasingly magical universe where he sent curses and operated a wishing machine His lifelong preoccupation with freedom and its opposites forms of control or addiction coupled with the

globally paranoid vision of his work can be seen to evolve into a larger ecological concern exemplified in his idea of a divide between decent people or Johnsons and those who impose themselves upon others wrecking the planet in the process Drawing on newly available material and rooted in Burroughs s vulnerable emotional life and seminal friendships this insightful and revealing study provides a powerful and lucid account of his career and significance Dictionary of Midwestern Literature, Volume 1 Philip A. Greasley,2001-05-30 The Dictionary of Midwestern Literature Volume One surveys the lives and writings of nearly 400 Midwestern authors and identifies some of the most important criticism of their writings The Dictionary is based on the belief that the literature of any region simultaneously captures the experience and influences the worldview of its people reflecting as well as shaping the evolving sense of individual and collective identity meaning and values Volume One presents individual lives and literary orientations and offers a broad survey of the Midwestern experience as expressed by its many diverse peoples over time Philip A Greasley s introduction fills in background information and describes the philosophy focus methodology content and layout of entries as well as criteria for their inclusion An extended lead essay The Origins and Development of the Literature of the Midwest by David D Anderson provides a historical cultural and literary context in which the lives and writings of individual authors can be considered This volume is the first of an ambitious three volume series sponsored by the Society for the Study of Midwestern Literature and created by its members Volume Two will provide similar coverage of non author entries such as sites centers movements influences themes and genres Volume Three will be a literary history of the Midwest One goal of the series is to build understanding of the nature importance and influence of Midwestern writers and literature Another is to provide information on writers from the early years of the Midwestern experience as well as those now emerging who are typically absent from existing reference works

The Green Ghost Chad Weidner,2016-03-16 Weidner uncovers the ecological context of Burrough s literary texts Pushing the boundaries of ecocritical theory and practice Weidner provides a fresh perspective on Burroughs and suggests new theoretical and methodological approaches to understanding the work of other Beat writers Federman's Fictions Jeffrey R. Di Leo,2012-01-02 This collection of essays offers an authoritative examination and appraisal of the French American novelist Raymond Federman s many contributions to humanities scholarship including Holocaust studies Beckett studies translation studies experimental fiction postmodernism and autobiography Although known primarily as a novelist Federman 1928 2009 is also the author of numerous books of poetry essays translations and criticism After emigrating to the United States in 1942 and receiving a Ph D in comparative literature at UCLA in 1957 he held professorships in the University at Buffalo s departments of French and English from 1964 to 1999 Together with Steve Katz and Ronald Sukenick he was one of the original founders of the Fiction Collective a nonprofit publishing house dedicated to avant garde experimental prose Far too many accounts treat Federman as merely a member of a small group of writers who pioneered metafictional or postmodern American literature Federman s Fiction will introduce or for some reintroduce to the broader

scholarly community a creative and daring thinker whose work is significant not just to considerations of the development of innovative fiction but to a number of other distinct disciplines and emerging critical discourses

Encyclopedia of Beat Literature Kurt Hemmer, 2010-05-12 Discusses the literary works and great authors of the Beat Generation

Birth of the Cool Lewis MacAdams, 2012-04-10 Miles Davis and Juliette Greco Jackson Pollock and Jack Kerouac Marlon Brando and Bob Dylan and William Burroughs What do all these people have in common Fame of course and undeniable talent But most of all they were cool Birth of the Cool is a stunningly illustrated brilliantly written cultural history of the American avant garde in the 1940s and 1950s the decades in which cool was born From intimate interviews with cool icons like poet Allen Ginsberg bop saxophonist Jackie McLean and Living Theatre cofounder Judith Malina award winning journalist and poet Lewis MacAdams extracts the essence of cool Taking us inside the most influential and experimental art movements of the twentieth century from the Harlem jazz joints where Dizzy Gillespie and Charlie Parker invented bebop to the back room at Max's Kansas City when Andy Warhol was holding court to backstage at the Newport Folk Festival the night Bob Dylan went electric from Surrealism to the Black Mountain School to Zen MacAdams traces the evolution of cool from the very fringes of society to the mainstream Born of World War II raised on atomic age paranoia cast out of the culture by the realities of racism and the insanity of the Cold War cool is now perversely as conventional as you can get Allen Ginsberg suited up for Gap ads Volvo appropriated a phrase from Jack Kerouac's On the Road for its TV commercials How one became the other is a terrific story and it is presented here in a gorgeous package rich with the coolest photographs of the black and white era from Robert Doisneau Henri Cartier Bresson Man Ray and many others Drawing a direct line between Lester Young wearing his pork pie hat and his crepe sole shoes staring out his hotel window at Birdland to the author's three year old daughter saying cool while watching a Scooby Doo cartoon at the cusp of a new millennium Birth of the Cool is a cool book about a hot subject maybe even the coolest book ever

[Call Me Burroughs](#) Barry Miles, 2014-01-28 Fifty years ago Norman Mailer asserted William Burroughs is the only American novelist living today who may conceivably be possessed by genius Few since have taken such literary risks developed such individual political or spiritual ideas or spanned such a wide range of media Burroughs wrote novels memoirs technical manuals and poetry He painted made collages took thousands of photographs produced hundreds of hours of experimental recordings acted in movies and recorded more CDs than most rock bands Burroughs was the original cult figure of the Beat Movement and with the publication of his novel Naked Lunch which was originally banned for obscenity he became a guru to the 60s youth counterculture In Call Me Burroughs biographer and Beat historian Barry Miles presents the first full length biography of Burroughs to be published in a quarter century and the first one to chronicle the last decade of Burroughs's life and examine his long term cultural legacy Written with the full support of the Burroughs estate and drawing from countless interviews with figures like Allen Ginsberg Lucien Carr and Burroughs himself Call Me Burroughs is a rigorously researched biography that finally gets to the heart of its notoriously

mercurial subject **Utopia Limited** Marianne DeKoven, 2004-05-10 The end of the modern and the emergence of the postmodern in 1960s philosophy literature and popular culture **Wising Up the Marks** Timothy S. Murphy, 1998-01-05 William S Burroughs is one of the twentieth century's most visible controversial and baffling literary figures In the first comprehensive study of the writer Timothy S Murphy places Burroughs in the company of the most significant intellectual minds of our time In doing so he gives us an immensely readable and convincing account of a man whose achievements continue to have a major influence on American art and culture Murphy draws on the work of such philosophers as Gilles Deleuze Félix Guattari Theodor Adorno and Jean Paul Sartre and also investigates the historical contexts from which Burroughs's writings arose From the paranoid isolationism of the Cold War through the countercultural activism of the sixties to the resurgence of corporate and state control in the eighties Burroughs's novels films and music hold a mirror to the American psyche Murphy coins the term amodernism as a way to describe Burroughs's contested relationship to the canon while acknowledging the writer's explicit desire for a destruction of such systems of classification Despite the popular mythology that surrounds Burroughs his work has been largely excluded from the academy of American letters Finally here is a book that presents a solid portrait of a major artistic innovator a writer who combines aesthetics and politics and who can perform as anthropologist social gadfly or media icon all with consummate skill *Retaking the Universe* Davis Schneiderman, Philip Walsh, 2004-05-20 William S Burroughs is one of America's most influential and widely studied writers A leading member of the Beat movement his books and essays continue to attract a wide readership His films paintings recordings and other projects that grew out of his literary production together with his iconic persona as a counter culture anti hero mean his work has become a broad cultural phenomenon This collection of essays by leading scholars offers an interdisciplinary consideration of Burroughs's art It links his lived experience to his many major prose works written from 1953 on as well his sound cinema and media projects Moving beyond the merely literary the contributors argue for the continuing social and political relevance of Burroughs's work for the emerging global order Themes include Burroughs and contemporary theory debates on reality violence magic and mysticism cybernetic cultures language and technology control and transformation transgression and addiction the limits of prose image politics and the avant garde Shift Linguals Edward S. Robinson, 2011 Shift Linguals traces a history of the cut up method the experimental writing practice discovered by Brion Gysin and made famous by Beat author William S Burroughs From the groundbreaking works of Dada and Surrealism that paved the way for Burroughs breakthrough through the countercultural explosion of the 1960s Shift Linguals explores the evolution of the cut ups within the theoretical frameworks of postmodernism and the avant garde to arrive at the present and the digital age Some 50 years on from the first discovery of the cut ups in 1959 it is only now that we are truly able to observe the method's impact not only on literature but on music and culture in a broader sense The result of over nine years of research this study represents the first sustained and detailed analysis of the cut ups as a narrative form With

explorations of the works of Burroughs Gysin Kathy Acker and John Giorno it also contains the first critical writing on the works of Claude P lieu and Carl Weissner in English as well as the first in depth discussion of the writing of Stewart Home to date

The Beat Generation Jamie Russell, 2012-05-23 In Search of the Beats Were they angel headed hipsters dope smoking dropouts or the most exciting group of writers in postwar American literature Their stories of drugs sex and the search for an alternative to squaresville have cornered the market in cult literature remaining hip even while being taught on university courses and in schools On the Road Naked Lunch and Howl have become milestones of underground literature and the key Beats Kerouac Burroughs and Ginsberg are mythic figures of contemporary pop culture This Pocket Essential provides an introductory essay examining the importance of the writers and their work in American culture Separate chapters are devoted to the lives and work of Burroughs Ginsberg and Kerouac Later chapters discuss the other members of this movement Neal Cassady Herbert Huncke and many more the Beats on film and their influence on the counterculture of the 60s

The Spiritual Imagination of the Beats David Stephen Calonne, 2017-08-17 The Spiritual Imagination of the Beats is the first comprehensive study to explore the role of esoteric occult alchemical shamanistic mystical and magical traditions in the work of eleven major Beat authors The opening chapter discusses Kenneth Rexroth and Robert Duncan as predecessors and important influences on the spiritual orientation of the Beats David Stephen Calonne draws comparisons throughout the book between various approaches individual Beat writers took regarding sacred experience for example Burroughs had significant objections to Buddhist philosophy while Allen Ginsberg and Jack Kerouac both devoted considerable time to studying Buddhist history and texts This book also focuses on authors who have traditionally been neglected in Beat Studies Diane di Prima Bob Kaufman Philip Lamantia and Philip Whalen In addition several understudied work such as Gregory Corso s The Geometric Poem inspired by Corso s deep engagement with ancient Egyptian thought are given close attention Calonne introduces important themes from the history of heterodoxy from Gnosticism Manicheanism and Ismailism to Theosophy and Tarot and demonstrates how inextricably these ideas shaped the Beat literary imagination
