The Power Of One Forever 2:

The Power of One Day's Time Chris Slosser, 2019-08-20 In the midst of a world that seems sometimes to be spinning out of control a world where we witness unspeakable acts of evil on our TV news a world full of discord hatred and great pain it is easy to get discouraged and feel hopeless It is a fair question to ask Is there hope in the midst of a world like ours In this book *The Power of One Day's Time* Pastor Chris Slosser answers a resounding yes to this question In these pages Pastor Chris shares of numerous biblical characters who were in the midst of great darkness pain and hardship like so many of us today who had a one day's time encounter with the Living Lord Jesus Christ Many of these characters woke up to what they thought was going to be another horrible mundane day in the midst of a horrible mundane life and then God showed up and everything changed forever The good news is that this same Savior is still in the life changing eternity changing business and he has come to seek and save what is lost Luke 19:10 At any moment in one day's time this same Savior may come on the scene in your life as well and change the whole trajectory of your life now and always and that is reason for great and sure hope Jesus Christ was a miraculous Savior in Bible times and Jesus Christ is the same yesterday and today and forever Hebrews 13:8 At any given moment Jesus Christ may very well have a miracle with your name written all over it

The Power of Paradox W. Brewster Willcox, 2012-04-30 One thing this book is not is a tightly reasoned argument that leads the reader inevitably to the book's main thesis It is rather like its cover a collage It is a hundred more or less observations into what is deep and meaningful in life the reality around us that gives the impression that reality is in fact a paradox a friendly paradox The book looks at theology baseball mathematics and the Bible And it talks a lot about particle physics and quantum mechanics You'll notice that it fails to mention rock stars and reality TV

The Power of the Almighty David T. Peckham, 2011-11-23 *The Power of the Almighty* is the result of studying the Bible to discover the many ways the Power of God is both expressed and explained from the Creation of the heavens and earth to the creation of the New Heavens and New Earth The same power that created the world is that used in the Person of Jesus Christ and the salvation He provides

Esoptrics Edward N. Haas, 2009-11 **Isaac ibn Khalfun** Ann Brener, 2021-11-22 A unique figure in medieval Jewish history Isaac ibn Khalfun was a professional poet during the Golden Age of Hebrew poetry in Spain Like the Arabic poets of his day Ibn Khalfun wandered throughout the Mediterranean east in search of wealthy patrons writing panegyrics for those who complied and witty often pointed requests for payment from those who did not His poems which were not rediscovered until the twentieth century are as fascinating for their literary quality as for the light which they shed on medieval Jewish society in the lands of Islam

David Marti J. Steussy, 1999 In *David* Marti J. Steussy provides a critical examination of the man who receives more attention from the Old Testament's writers than any other human character This volume written for the nonspecialist explores the Hebrew Bible's three major portraits of David found in 1 and 2 Samuel 1 Chronicles and Psalms and what each implies about the relation between divine and worldly power
