Heaven on the Hudson Stephanie Azzarone,2022-09-27 Winner Victorian Society in America Book Award A colorful tale of a singular New York City neighborhood and the personalities who make it special To outsiders or East Siders Riverside Park and Riverside Drive may not have the star status of Fifth Avenue or Central Park West But at the city s westernmost edge there is a quiet and beauty like nowhere else in all of New York There are miles of mansions and monuments acres of flora and a breadth of wildlife ranging from Peregrine falcons to goats It s where the Gershwins and Babe Ruth once lived William Randolph Hearst ensconced his paramour and Amy Schumer owns a penthouse Told in the uniquely personal voice of a longtime resident *Heaven on the Hudson* is the only New York City book that features the history architecture and personalities of this often overlooked neighborhood from the eighteenth century through the present day Combining an

extensively researched history of the area and its people with an engaging one on one guide to its sights author Stephanie Azzarone sheds new light on the initial development of Riverside Park and Riverside Drive the challenges encountered from massive boulders to maniacs and the reasons why Riverside Drive never became the new Fifth Avenue that promoters anticipated From grand country seats to squatter settlements to multi million dollar residences the book follows the neighborhood s roller coaster highs and lows over time Readers will discover a trove of architectural and recreational highlights and hidden gems including the Drive s only freestanding privately owned villa a tomb that s not a tomb and a sweet memorial to an eighteenth century child Azzarone also tells the stories behind Riverside s notable and forgotten residents including celebrities murderers a nineteenth century female MD who launched the country s first anti noise campaign and an Irish merchant who caused a scandal by living with an Indian princess While much has been written about Central Park little has focused exclusively on Riverside Drive and Riverside Park until now Heaven on the Hudson is dedicated to sharing this West Side neighborhood s most special secrets the ones that without fail bring both pleasure and peace in a city of more than 8 million
