The Rake Just For Your Pleasure English Edition:

The Rake's Vow Ruth Ann Nordin, 2017-03-18 Thaddeus Tad Darkin the Duke of Lambeth used to be a rake In fact before Lord Edon was scandalizing the Ton Tad was the one everyone was talking about Many gentlemen secretly wished they had his charm with the ladies All reputable ladies were warned to stay as far from him as possible which only made him all the more attractive Then after a tragic event he took a vow of celibacy promising he would never be intimate with another lady again Over the years this caused him to be the most sought after single gentleman in all of London And even though he doesn't want to marry his steward left him in financial ruin so whether he likes it or not he must take a wife After being rejected by the gentleman she was hoping to marry Miss Loretta Bachman is on a mission to save her reputation She needs to marry someone who will impress the prestigious ladies in her social circle So when she catches the leader of the group talking about the very handsome and hard to get Duke of Lambeth she's determined to get him to marry her All she needs is a little bargaining power and fortunately for her she happens to have the money he needs to save his estate When she learns of his vow to remain celibate she agrees to keep away from his bed After all her only reason for marrying him is to secure her social standing in London not to have a love match All she asks is that he pretends to be deeply in love with her when they're in public That way she will succeed in impressing the Ton But before long the lines between what is pretend and what is real starts to blur and it's hard to decide how far to push the limits of their agreement

out his duty he'll need to put aside the achingly beautiful woman with the strange gift And yet when Alethea's visions reveal a plot that will pit innocent children in danger Hartley will not be able to ignore the destiny that binds them together or resist the passion burning between them

Women's Place in Pope's World Valerie Rumbold, 1989-09-29 How was Alexander Pope's personal experience of women transformed into poetry How characteristic of his age was Pope's attitude toward women What was the influence of individual women such as his mother Patty Blount and Lady Mary Montagu on his life and work Valerie Rumbold's is the first full length study to address these issues Referring to previously unexploited manuscripts she focuses both on Pope's own life and art and on early eighteenth century assumptions about women and gender She offers readings of some of the well known poems in which women feature prominently and follows Pope's response throughout his writings in general The poet's own alienation from the dominant culture through religion politics and physical handicap and his troubled fascination with certain kinds of women make this subject complex and compelling with wide implications Dr Rumbold provides new insight and shows how women with whom Pope dealt can themselves be seen as individuals with presence and dignity
