**Asian American Racialization and the Politics of U.S. Education** Wayne Au, 2024-08-01 Asian American Racialization and the Politics of U S Education explores issues surrounding Asian American education in the United States and how they relate to educational theory policy and practice The book challenges stereotypes and assumptions that pervade U S education restores absent histories of Asian American people in this context and provides concrete examples of educational actions and policies that enable anti racist educational work to go on It argues that understanding Asian American racialization in the U S is essential to fighting white supremacy in schools and communities Utilizing frameworks from Asian American Studies and Cultural Studies this book will be important reading for those interested in doing anti racist liberatory and abolitionist educational work In particular it will be relevant for those working or researching in the fields of Asian American Education Multicultural Education Social Justice Education and Critical Education Energy, Trade, and Development in the Silk Road Countries ,2014-05-29 Making Asian American Film and Video Jun Okada, 2015-03-06 The words Asian American film might evoke a painfully earnest low budget documentary or family drama destined to be seen only in small film festivals or on PBS Public Broadcasting Service In her groundbreaking study of the past fifty years of Asian American film and video Jun Okada demonstrates that although this stereotype is not entirely unfounded a remarkably diverse range of Asian American filmmaking has emerged Yet Okada also reveals how the legacy of institutional funding and the PBS style unites these filmmakers whether they are working within that system or setting themselves in opposition to its conventions Making Asian American Film and Video explores how the genre has served as a flashpoint for debates about what constitutes Asian American identity Tracing a history of how Asian American film was initially conceived as a form of public interest media part of a broader effort to give voice to underrepresented American minorities Okada shows why this seemingly well intentioned project inspired deeply ambivalent responses In addition she considers a number of Asian American filmmakers who have opted out of producing state funded films from Wayne Wang to Gregg Araki to Justin Lin Okada gives us a unique behind the scenes look at the various institutions that have bankrolled and distributed Asian American films revealing the dynamic interplay between commercial and state run media More than just a history of Asian Americans in film Making Asian American Film and Video is an insightful meditation on both the achievements and the limitations of institutionalized multiculturalism *High Performance Companies* Nitin Pangarkar, 2011-10-11 The easy to adopt strategies that make companies from Coca Cola to Starbucks perennial over performers and that you can use too High Performance Companies complements the frameworks for strategy making detailed in many existing books proposing a number of rules of thumb or principles that companies can consider when making their day to day decisions which in turn will determine their actual strategies These principles traverse a wide range of scenarios such as strategic changes implemented by companies resource allocation decisions especially towards building durable assets and resource acquisition

through inorganic means The book adopts a reader friendly approach by teasing out the lessons to be found in detailed cases studies from interesting companies The writing minimizes jargon while maintaining rigor especially with regard to the applicability and relevance of the strategic principles to different business contexts Cites extensive evidence in support of the proposed arguments without sacrificing readability Combines both short and long case studies within each chapter to demonstrate the general applicability of the principles presented Uses a variety of examples ranging from well known companies such as Coca Cola Singapore Airlines and Starbucks to relatively lesser known companies such as Illinois Tool Work SAS Institute and Heng Long Leather to show that the principles presented are applicable everywhere Providing valuable new insight into what makes a business successful and how to replicate this in a company of any size High Performance Companies is an essential addition to the library of any manager or student of business

### **Connecting Asia**

### *The Political Economy of Asian Regionalism* Giovanni

Capannelli, Masahiro Kawai, 2014-01-23 This book contributes to the theoretical and empirical literature on Asian regionalism with a focus on the innovations needed to reform the current institutional architecture in Asia After reviewing the key issues and challenges related to the political economy of Asia s economic cooperation and integration the book discusses various aspects of regionalism from political and economic perspectives It looks at the rationale for regional collective action and reviews the trend of economic integration with a focus on the implications of the global financial crisis In addition to reviewing the key issues related to the development of regional institutions for integration the book analyzes issues such as

trade and finance and deals with the implications of regionalism in terms of the introduction of domestic reforms in Asian countries before discussing the possible formation of a region wide economic community The eight chapters of the book are based on respective papers initially prepared for the Asian Development Bank Institute Conference 2010 *Politics in Southern Asia* Saul Rose, 1963 *Lessons from East Asia* Danny M. Leipziger, 2001-01-09 Case studies success stories and cross country essays on public policy in East Asian economies **Emerging from the Rubble: Asian/American Writings on Disasters** Yasuko Kase, Eliko Kosaka, 2025-08-12 With a focus on the transpacific and transnational relationship between North America and Asia *Emerging from the Rubble* Asian American Writings on Disasters explores Asian Americans complex and nuanced involvement in disastrous events Included in this purview of disaster are not only the damages and threats of current ongoing climate change but also the long lasting ruining effects inflicted by imperialism neo colonialism wars and these historical components entanglement with global capitalism that have generated both spontaneous and slow and or prolonged violent effects Moreover disasters can be acknowledged as manifestations of the Anthropocene an epoch shaped by human activity or what scholars like Jason W Moore and Donna J Harraway term the Capitalocene a paradigm where nature and capitalist society are deeply intertwined co creating an intricate web of life Asian American involvement in such a web has never been simple but convoluted some of them have experienced tremendous losses whereas others have perpetuated obfuscation of the truth and or induced violence often contingently with or without acknowledging the facts When considering Asian migrants including refugees from Southeast Asia who had little option but to seek asylum in the U S and Asian Americans who have pursued their happiness under the U S s capitalist premise of constant progress protection of human rights and freedom of choice it is important to note that Asian migrants and Asian Americans have become simultaneously active players and exploited individuals within the context of U S racial capitalism Acknowledging the impossibility of clearly differentiating natural and human made disasters scholars who contribute to this volume note the reciprocal influences between nature and civilization They examine how the entanglements of natural and human made disasters lead to the acceleration and expansion of damage This volume explores how Asian Americans connections with their ancestral origins along with their particular racial positions social classes and socio historical backgrounds in North American societies force them to experience and witness disastrous events differently from the mainstream discourse on eco crises **Russia, the Caucasus, and Central Asia** Rajan Menon, Yuri E. Fedorov, Ghia Nodia, East West Institute, 2016-07-01 This comprehensive exploration of the international environment examines not only traditional political military concerns but also economic ethnic and environmental issues and the role of crime terrorism the drug trade and migration in the security environment of Russia and its neighbours to the south This approach takes account of both the internal and external aspects of security problems and their interplay The participation of international authors facilitates the consideration of each problem from all relevant points of view Handbook on East Asian Social Policy Misa

Izuhara,2013-01-01 Dramatic socio economic transformations over the last two decades have brought social policy and social welfare issues to prominence in many East Asian societies Since the 1990s and in response to national as well as global pressure there have been substantial developments and reforms in social policy in the region but the development paths have been uneven Until recently comparative analysis of East Asian social policy tends to have focused on the established welfare state of Japan and the emerging welfare regimes of four Tiger Economies Much of the recent debate indeed preceded Chinas re emergence onto the world economy In this context this Handbook brings China more fully into the contemporary social policy debates in East Asia Organised around five themes from welfare state developments to theories and methodologies to current social policy issues the Handbook presents original research from leading specialists in the fields and provides a fresh and updated perspective to the study of social policy Providing a comparative international approach this Handbook will appeal to academics researchers and students at both undergraduate and postgraduate levels working in the fields of social policy as well as policy makers and practitioners who are interested in social policy lessons from other societies
