White Mocs on the Red Road / Walking Spirit in a Native Way James B. Beard, 2011-08-01 To begin to know spirit through the teachings of the ancients In a time of transition one begins to look for answers about living that seem to be missing in life It seems as if the fulfillment of the promise of the American dream is somehow incomplete One begins to look for something to fill in the missing pieces Noodin searched for that missing part and almost literally stumbled on the first people of this land As he began to learn of their continued existence they led him on an extraordinary path of understanding These people who he did not even know still existed continue to have the gifts of a beautiful culture that

respects all things The goal for Noodin then became to find those gifts The Red Road: Language, Legends, and Lifeways of the Cheraw, Keyauwee, Pee Dee, Santee, and Wateree S.
