America's historical racist fabric and boldly offers techniques and exercises for looking deeply within both psychologically and spiritually to confront and transform internalized racism and bring about positive change within oneself and then out in the world. The book draws upon author Brett Bevell's own journey to heal the psycho-spiritual baggage of early childhood trauma, sexual abuse, and growing up within a racist community. Bevell shares key insights that were essential to his personal transformation along with haunting stories about his childhood experiences, including witnessing a race-based murder when he was a toddler and being sent as a young boy on fishing expeditions with a known racist murderer. Bevell infuses his insights with user-friendly exercises which most anyone can access: journal writing, art therapy, affirmations, lofty questions, exercises in gratitude, energy healing, both Buddhist Tonglen and shamanic meditations, and ancestral lineage healing rituals to mine one's inner landscape regarding race and transform the self. From this new vantagepoint, we learn to become our own better angels by finding the courage to speak out, be in service to the cause of social justice, and marry the paths of internal and external actions to create a better world.

**Psychic Reiki** Brett Bevell, 2018-05-01. *Psychic Reiki* is the culminating work of Bevell's previous books about Reiki, plus some new techniques combined into one elegant and user-friendly energy healing system. As with traditional Reiki, its practitioners practice accessing the Divine Life Force energy, known as Reiki, for well-being and spiritual development. Yet this system differs from traditional Reiki in that there are no symbols and no hand positions, since the practitioner learns to communicate with and direct the energy of Reiki telepathically.

**Reiki** Robert Levy, 2013-11-29. Do you think the Universe in her ultimate wisdom would present humanity with the wonderful gift of Reiki and then dictate that everyone use it and practice it in the exact same way? For the author, the answer is no. Each of us is an individual, and when transmitting Reiki, the Universal Life Force Energy, must take into account our individual differences. Reiki is not a static energy but a fluid one. For the author, Reiki is a personal healing system based on his relationship with the Universe and the gift she gave him. And her gift is not a generic one. It is a personal one. That is the reason this book was written to show the reader how to connect directly with the Reiki Energy and claim the personal gift the author believes you are entitled to.
