what's really interesting is that Holmes is one of those larger than life characters that everyone knows but that few people really know all that much about. Sherlock Holmes has been interpreted and reinterpreted so many times in movies, TV shows, and even just throwaway references that it's hard to know exactly who this guy is. The Sherlock Holmes that exists in today's pop culture and the Watson for that matter are actually different in a lot of ways from the characters that exist in Sir Arthur Conan Doyle's stories.
