20 years of independent cinema Carlos Augusto Dauzacker Brandão,2021-03-10 Every January from 1996 to 2016 while I was suffering with summer in Rio I received snowy news from the Sundance Festival through Carlos Brand o and his partner Myrna In those 20 years Carlos and Myrna were my main source of information about independent world cinema It is a great joy to see all this material gathered in a book Carlos was a passionate researcher and along with Myrna an experienced reporter Their interviews and reports on films and directors that have passed through Sundance have the mark of someone who saw everything up close And knew how to tell it Carlos Alberto Mattos Film Critic When Robert Redford founded the nonprofit Sundance Institute in 1981 the intense creativity of American independent cinema in the 70 s was too distant The Festival came to redefine the characteristics of a cinema that was becoming more conservative and less daring as a reflection of the Reagan years Betting on risk and dissonant and plural voices Sundance knew how to reveal innovative directors and organize Script Development Programs in different parts of the world starting with Brazil The geopolitics of independent cinema would never be the same Sundance marked the resumption of Brazilian Cinema after the disastrous government of President Collor It was one of the first international festival to embrace our cinematography at that time and few critics and

journalists followed this movement as closely as Carlos Augusto Brand o With his inseparable Myrna Carlos foresaw what was still under construction He covered the Festival from the start collecting precious interviews from young new comers I cannot remember Sundance without thinking about Carlos his remarks and always relevant and sensitive questions publishing stories that dimensioned the revival of Brazilian Cinema These testimonies comprise this precious 20 Years of Independent Cinema The interviews gathered here tell not only the story of the renaissance of independent cinema in different latitudes but also speak of the intense passion that Carlos had for cinema His texts make him both a witness and co author of a cinema in transformation Walter Salles Film Maker

Greenwood, 2017-03-01 A frustrated artist with a traumatic past finds mystery and healing on a remote Maine island in this richly told and hauntingly beautiful novel Heather Gudenkauf New York Times bestselling author Years ago on a spring afternoon thirteen year old Wyn Davies took a shortcut through the woods in her New Hampshire hometown and became a cautionary tale Now twenty years later she lives in New York on the opposite side of a duplex from her ex with their four year old daughter shuttling between them Wyn makes her living painting commissioned canvases of birch trees to match her clients' furnishings But the nagging sense that she has sold her artistic soul is soon eclipsed by a greater fear Robby Rousseau who has spent the past two decades in prison for a terrible crime against her may be released based on new DNA evidence unless Wyn breaks her silence about that afternoon To clear her head Wyn agrees to be temporary caretaker for a

friend's new property on an island off the coast of Maine. The house has been empty for years and in the basement Wyn discovers a box of film canisters labeled Epitaphs and Prophecies. Like time capsules, the photographs help her piece together the life of the house's former owner, an artistic young mother. But there is a mystery behind the images too, and unraveling it will force Wyn to finally confront what happened in those woods and perhaps escape them at last. An emotionally charged novel with many layers, rounded out by a cast of memorable characters. Publishers Weekly The Salinger Contract Adam Langer, 2013-09-17 An enthralling literary mystery that connects some of the world's most famous authors from Norman Mailer and Truman Capote to B Traven and J D Salinger to a sinister collector in Chicago. Adam Langer, the narrator of this deft and wide-ranging novel by the author of the same name, tells the intertwining tales of two writers navigating a plot neither one of them could have ever imagined. There may be no other escape than to write their way out of it. Adam is a writer and stay-at-home dad in Bloomington, Indiana, drawn into an uneasy friendship with the charismatic and bestselling thriller author Conner Joyce. Conner is having trouble writing his next book, and when a menacing stranger approaches him with an odd and lucrative proposal, events quickly begin to spiral out of control. A novel of literary crimes and misdemeanors, The Salinger Contract will delight anyone who loves a fast-paced story told with humor, wit, and intrigue. Elders Ryan McIlvain, 2013-03-05 A glorious debut that T C Boyle calls powerful and deeply moving, that follows two young Mormon missionaries in Brazil and their tense, peculiar friendship. Elder McLeod, outspoken, surly, a brash American, is nearing the end of his mission in Brazil. For nearly two years, he has spent his days studying the Bible and the Book of Mormon, knocking on doors, teaching missionary lessons, experimenting on the word. His new partner is Elder Passos, a devout, ambitious Brazilian who found salvation and solace in the church after his mother's early death. The two men are at first suspicious of each other, and their work together is frustrating, fruitless. That changes when a beautiful woman and her husband offer the missionaries a chance to be heard, to put all of their practice to good use, to test the mettle of their faith. But before they can bring the couple to baptism, they must confront their own long-held beliefs and doubts, and the simmering tensions at the heart of their friendship. A novel of unsparing honesty and beauty, Elders announces Ryan McIlvain as a writer of enormous talent. **This Is Your Life, Harriet Chance!** Jonathan Evison, 2015-09-08 Insightful, richly entertaining. Evison writes humanely and with good humor of his characters, who like the rest of us, muddle through too often without giving ourselves much of a break. A lovely, forgiving character study that's a pleasure to read. Kirkus Reviews starred review. With Bernard, her husband of fifty-five years, now in the grave, seventy-eight-year-old Harriet Chance impulsively sets sail on an ill-conceived Alaskan cruise that her late husband had planned. But what she hoped would be a voyage leading to a new lease on life becomes a surprising and revelatory journey into Harriet's past. Jonathan Evison has crafted a bighearted novel with an endearing heroine at the helm. Part dysfunctional love story, part poignant exploration of the mother-daughter relationship, nothing is what it seems in this tale of acceptance, reexamination, and forgiveness. A terrific novel, funny and moving, wistful and wise. Jonathan Evison's

writing crackles on the page Jess Walter author of Beautiful Ruins This Is Your Life Harriet Chance is as sweet as it is inventive profound as it is hilarious unflinching as it is bighearted Maria Semple author of Where'd You Go Bernadette An irresistible inventive novel full of important ideas about how we live our lives as parents children partners and human beings Evison is a ridiculously gifted storyteller Jami Attenberg author of The Middlesteins A generous and wise tale told with Evison's trademark verve and charisma This Is Your Life Harriet Chance is a deeply felt and deeply comforting novel Patrick deWitt author of The Sisters Brothers This Is Your Life Harriet Chance has all the wonderful snap and sizzle we've come to expect from Jonathan Evison's work and as much heart as any novel I've read in recent years Ben Fountain author of Billy Lynn's Long Halftime Walk Both uplifting and melancholy funny and thought provoking this entertaining read speaks directly to the importance of acceptance and healing Booklist
