The Ripper S Wife:

The Ripper Inside Us Rebecca Frost, 2024-04-04 The story of Jack the Ripper has had continual interest since he stalked the streets of Whitechapel during the Autumn of Terror in 1888 During this time the murders of the Canonical Five made headlines all over the world while in the modern day the Ripper story continues to permeate all forms of media on the page screen in podcasts and in fiction We continue to search for something we will likely never and perhaps do not even wish to discover Jack s true name This book looks at the lasting intrigue of Jack the Ripper and how his story and the stories of the Canonical Five victims are brought back to life through modern lenses As psychological approaches and scientific techniques advance the Ripper s narrative evolves opening a more diverse means of storytelling and storytellers How these storytellers attempt to construct a full tale around the facts including the burning questions of motive and identity says more about us than the Ripper [Affairs of Poison True Crime's Deadliest Poisoners](#) Dylan Frost, 2023-11-29 Poison is a fairly popular

method of murder in true crime history because it doesn t require brute force or a weapon of any kind You can simply slip it in a cake or a drink Anything you want A lot of poisoners think they stand a much better chance of getting away with murder but this is a misguided view It might be more complex to capture a poisoner than a mad axeman but the police tend to catch up with poisoners in the end In this book we ll take a look at some of the deadliest poisoners in true crime history What follows is a grisly gallery of heartless rogues who you definitely wouldn t want making the tea **The Ripper's Victims in**

Print Rebecca Frost, 2018-02-02 Mary Ann Nichols Annie Chapman Elizabeth Stride Katherine Eddowes and Mary Jane Kelly the five known victims of Jack the Ripper are among the most written about women in history Hundreds of books on the Ripper murders describe their deaths in detail Yet they themselves remain as mysterious as their murderer This first ever study of the victims surveys the Ripper literature to reveal what is known about their lives how society viewed them at the time of their deaths and how attitudes and perceptions of them have or have not changed since the Victorian era

Aequanimitas , 1967 **Jack the Writer: A Verbal & Visual Analysis of the Ripper Correspondence** Dirk C. Gibson, 2013-09-03 The story of the unidentified serial killer in London s Whitechapel district known as Jack The Ripper has been the subject of interest to researchers for over 120 years The name ascribed to the individual was from a letter sent to the Central News Agency in London on 27 September 1888 Initially thought to be a hoax the letter gained much publicity when the writer s promise of clipping a lady s ears off manifested after the discovery of the body of Catherine Eddowes with an ear lobe severed 3 days after the letter was received Several letters followed this and borrowed elements from the earlier correspondences Jack the Writer A Verbal the analyses describe precisely what was and was not in these missives The letters are described and presented in the context of their content with the valid letters presented in chronological order Jack the Writer A Verbal Visual Analysis of the Ripper Correspondence will give readers whether generally interested in the ripper correspondence or undertaking courses in criminology or abnormal psychology a glimpse of the cultural context of a serial

murderer's communication with the public and the press in Victorian times **Jack the Ripper** Gary Coville, Patrick Lucanio, 2015-06-14 The identity of Jack the Ripper has consumed public curiosity since he first tormented the East End of London in 1888 Numerous theories have been offered as to his identity but he remains in the shadows where it seems only imaginative literature has been able to elucidate his meaning to the modern world This work surveys the literary film television and radio treatments of Jack the Ripper and his crimes The works of fiction are thoroughly analyzed as are the major nonfiction works that have offered various theories about the Ripper's identity Works whose narratives are obviously inspired by Jack the Ripper and his crimes are also discussed Weekly World News , 1992-09-01 Rooted in the creative success of over 30 years of supermarket tabloid publishing the Weekly World News has been the world's only reliable news source since 1979 The online hub www.weeklyworldnews.com is a leading entertainment news site *Milltown* Jimmy Higgins, 2013-05-16 Milltown is a small community just outside Glasgow where everything in 1914 is local the pub the preacher the policeman the teacher the gossip the poacher the pariah the bleacher Quiet that is unless you consider three inconvenient distractions a Rumour a Psychopath and a First World War When Aggie McMillan's unfailing intuition senses that the suicide of a young man in the village has more sinister overtones she sets in motion a train of events which will have fateful consequences for her and for those around her Meanwhile the foundations fixtures and fittings of this close knit community are about to be torn asunder by the Great War as all but one of its young men join up together to fight together and to die together at the battle of the Somme leaving naebody left tae kiss the lassies Away from the great Fall In other tensions are brewing Red Clydeside Marxism the Suffragettes the Easter rising in Dublin war profiteering all combine to add spice to the drama which engulfs and overwhelms the social fabric of this small West of Scotland town Based on the real life town of Neilston the author's work is influenced by great Scottish writers such as William MacIlvanney Christopher Brookmyre and Iain Banks **Sexual Ideology in the Works of Alan Moore** Todd A. Comer, Joseph Michael Sommers, 2012-03-06 Alan Moore the idiosyncratic controversial and often shocking writer of such works as Watchmen The League of Extraordinary Gentlemen and V for Vendetta remains a benchmark for readers of comics and graphic novels This collection investigates the political social cultural and sexual ideologies that emerge from his seminal work Lost Girls and demonstrates how these ideologies relate to his larger body of work Framed by Moore's insistence upon deconstructing the myth of the superhero each essay attends to the form and content of Moore's comics under the rubric of his pervasive metaphor of the politics of sexuality the sexing of politics Marked Women Russell Campbell, 2006-04-05 Julia Roberts played a prostitute famously in Pretty Woman So did Jodie Foster in Taxi Driver Jane Fonda in Kluge Anna Karina in Vivre sa vie Greta Garbo in Anna Christie and Charlize Theron who won an Academy Award for Monster This engaging and generously illustrated study explores the depiction of female prostitute characters and prostitution in world cinema from the silent era to the present day industry From the woman with control over her own destiny to the woman who cannot get away

from her pimp Russell Campbell shows the diverse representations of prostitutes in film *Marked Women* classifies fifteen recurrent character types and three common narratives many of them with their roots in male fantasy The Happy Hooker for example is the liberated woman whose only goal is to give as much pleasure as she receives while the Avenger a nightmare of the male imagination represents the threat of women taking retribution for all the oppression they have suffered at the hands of men The Love Story a common narrative represents the prostitute as both heroine and anti heroine while *Condemned to Death* allows men to manifest in imagination only their hostility toward women by killing off the troubled prostitute in an act of cathartic violence The figure of the woman whose body is available at a price has fascinated and intrigued filmmakers and filmgoers since the very beginning of cinema but the manner of representation has also been highly conflicted and fiercely contested Campbell explores the cinematic prostitute as a figure shaped by both reactionary thought and feminist challenges to the norm demonstrating how the film industry itself is split by fascinating contradictions **Bad Cut** Allen Chinn,2011 *Scotland's Serial Killers* Hamilton Blake,2023-06-05 Cannibals necrophiles spree killers axe wielding maniacs violent thieves gunmen child killers arsonists deadly suave common medical professional killers graverobbers Here are the worst and most dangerous serial killers ever to come out of Scotland Find out more about some of Scotland's worst and most notorious murderers in Scotland's Serial Killers Neo-Victorian Villains ,2017-06-01 Neo Victorian Villains is the first edited collection to examine the afterlives of such Victorian villains as Dracula Svengali Dorian Gray and Jekyll and Hyde exploring their representation in neo Victorian drama and fiction In addition Neo Victorian Villains examines a number of supposedly villainous types from the spirit medium and the femme fatale to the imperial native and the ventriloquist and traces their development from Victorian times today Chapters analyse recent theatre films and television from Ripper Street to Marvel superhero movies as well as classic Hollywood depictions of Victorian villains In a wide ranging opening chapter Benjamin Poore assesses the legacy of nineteenth century ideas of villains and villainy in the twentieth and twenty first centuries Contributors are Sarah Artt Guy Barefoot Jonathan Buckmaster David Bullen Helen Davies Robert Dean Marion Gibson Richard Hand Emma James Mark Jones Emma V Miller Claire O Callaghan Christina Parker Flynn Frances Pheasant Kelly Natalie Russell Gillian Piggott Benjamin Poore and Rob Welch **Broadway Plays and Musicals** Thomas S.
