Social and Political Theatre in 21st-Century Britain Vicky Angelaki, 2017-02-23 In a context of financial crisis that has often produced a feeling of identity crisis for the individual the theatre has provided a unifying forum treating spectators as citizens This book critically deals with representative plays and playwrights who have stood out in the UK and internationally in the post recession era delivering theatre that in the process of being truthful to the contemporary experience has also redefined theatrical form and content Built around a series of case studies of seminal contemporary plays exploring issues of social and political crisis the volume is augmented by interviews with UK and international directors artistic directors and the playwrights whose work is examined As well as considering UK stage productions Angelaki analyses European North American and Australian productions of post 2000 plays

by writers including Caryl Churchill Mike Bartlett Dennis Kelly Simon Stephens Martin Crimp Debbie Tucker Green Duncan Macmillan Nick Payne and Lucy Prebble At the heart of the analysis and of the plays discussed is an appreciation of what interconnects artists and audiences enabling the kind of mutual recognition that fosters the feeling of collectivity As the book argues this is the state whereby the theatre meets its social imperative by eradicating the distance between stage and spectator and creating a genuinely shared space of ideas and dialogue taking on topics including the economy materialism debt culture the environment urban protest social media and mental health **Social and Political Theatre in 21st Century Britain** demonstrates that such contemporary playwriting invests in and engenders moments of performative reciprocity and spirituality so as to present the audience with a cohesive collective experience **Beautiful doom** Jacqueline Bolton, Nicholas Holden, 2025-04-01 Dennis Kelly's award winning plays have been translated into over thirty languages and produced on six continents His endlessly inventive vision has produced a diverse body of work for a variety of audiences across a range of forms genres and media from the Olivier and Tony Award winning *Matilda the Musical* 2010 to the Channel Four cult classic series *Utopia* His 2008 play *DNA* written for National Theatre Connections is a set text on the AQA GCSE English Literature syllabus This collection of essays written by leading scholars teachers and practitioners of theatre provides the first multi authored study of Kelly's critically acclaimed oeuvre Featuring an original interview with Kelly himself this volume captures the full range and scope of his writing for stage and screen from the quirky fringe debut *Debris* 2003 to the globally distributed film adaptation of *Matilda the Musical* 2022 **Stage Business and the Neoliberal Theatre of London** Alex Ferrone, 2021-01-21 This book examines contemporary English drama and its relation to the neoliberal consensus that has dominated British policy since 1979 The London stage has emerged as a key site in Britain's reckoning with neoliberalism On one hand many playwrights have denounced the acquisitive values of unfettered global capitalism on the other plays have more readily revealed themselves as products of the very market economy they critique their production histories and formal innovations uncomfortably reproducing the strategies and practices of neoliberal labour markets *Stage Business and the Neoliberal Theatre of London* thus arrives at a usefully ambivalent political position one that praises the political power of the theatre its potential as a form of resistance to the neoliberal rationality that rides roughshod over democratic values while simultaneously attending to the institutional bondage that constrains it For of course the theatre itself everywhere straddles the line of capitulating to the marketization of our cultural life **DNA** Dennis Kelly, 2021-05-20 This new Student Edition of Dennis Kelly's popular play *DNA* contains introductory commentary and notes by Clare Finburgh Delijani which gives an in depth analysis of the play's context and themes As well as the complete text of the play this new Methuen Drama Student Edition includes An introduction to the playwright and social context of the play Discussion of the context themes characters and dramatic form Overview of staging and performance history of the play Bibliography of suggested primary and secondary materials for further study Dennis Kelly's play *DNA* centres on friendship

morality and responsibility in odd circumstances When a group of young friends are faced with a terrible accident they deliberately make the wrong choices to cover it up and find themselves in an unusually binding friendship where no one will own up to what they've done
