The Amazing Illustrated Word Game Memory Books Volume 2, Set 2 Frank H. Gaertner, 2011-06 This book Volume 2 Set 2 of the AIWGMB is a continuation of a three set series of stories and illustrations representing all of the 7 letter words captured by The Central Twenty One Five Letter Stems that feed into the Central Seven Six Letter Stems of Volume 1 Set 1 Knowledge and flash photographic memory recall of these word lists together with those of the Auxiliary Seven Six Letter Stems of Volume 1 Set 2 can be valuable assets for any wannabe top contender in our rapidly growing competitive word game social networks The wordlists organized in Mentafile TM format are coded with peg words assigned to each letter of the alphabet This type of iconic coding organization can make letter management and identification of 7 letter words within scrambled arrays effortless almost as though one has an app that automatically brings bonus words to

mind as one plays off letters on the way to one of the Central Seven Six Letter Stems For example in a board game where letters must be unscrambled to reveal hidden words one might hold in alphagram order the following seven letters ADNRSUT For those accomplished with Vol 2 Set 2 of the AIWGMB the identification of the five letter stem RNAS and the letter D within ADNRSUT would be instantaneous along with the mental search for the story and illustration of She STRANDS the drunk on a TUNDRA S plain Alternatively one might hold ADNRST which would immediately bring up the word STRANDS from that story STANDER the only other possibility for a 7 letter RNAS word would show up with the holding of ADNRST the only bonus word featured in the drunk file of RNEAST one of the Central Seven Six Letter Stems of Vol 1 Set 1 Therefore with no E R or S in the hand one skilled in the use of The AIWGMB would know with valuable certainty that no 7 letter bonus words were available for play But the fun is not over It really begins when we add to our search the thirty four 8 letter RNAS words of RNAS RNEAST and INRAS Having learned to read alphagrams from the flashcards connected to the stories and Illustrations of this series we now watch our opponents shrink in terror as we unleash our knowledge and skill at finding and playing one of these 8 letter winners
