The Selection meets Reign in this dazzling trilogy of interwoven novels about three girls on a quest for freedom and true love from 1 internationally bestselling author Richelle Mead Brilliant and original Mead's new series starts off with a bang and will leave readers on the edge of their seats until the very end School Library Journal For a select group of girls the Glittering Court offers a shot at a life they've only ever dreamed of one of luxury glamour and leisure To high born Adelaide whose wealthy family is forcing her into a loveless marriage the Glittering Court represents something else the chance to chart her own destiny and adventure in an unspoiled prosperous new land across the sea After a chance meeting with the dazzling Cedric Thorn Adelaide poses as a servant to join the crop of impoverished girls he promises to transform into proper ladies But her familiarity with upper class life comes with a price she must hide her identity from her new friends mysterious refugee Mira and fiery former laundress Tamsin and most importantly from Cedric himself even though she's falling in love with him Everything begins to crumble when Cedric discovers Adelaide's ruse and she catches the eye of a powerful young governor who wants her for a wife She didn't leave the gilded cage of her old life behind just to become someone else's property But nothing is as daunting or as wonderful as the potent forbidden attraction simmering between Adelaide and Cedric One that if acted on would make them both outcasts in a wild dangerous uncharted world and possibly lead them to their deaths

Soundless Richelle Mead, 2015-11-10 For as long as Fei can remember there has been no sound in her village Her people are at the mercy of a mysterious faraway kingdom which delivers food in return for precious metals mined from the treacherous cliffs surrounding them When villagers begin to lose their sight their rations shrink and many go hungry Fei's home the boy she loves and her entire existence is plunged into crisis under threat of darkness and starvation Then Fei is awoken in the night by a searing noise and sound becomes her weapon Perfect for readers of THE HUNGER GAMES this epic fantasy from the international bestselling author of VAMPIRE ACADEMY will have you instantly hooked and on the edge of your seat

Virginity in Young Adult Literature after Twilight Christine Seifert, 2015-01-27 Around 2005 something surprising happened in young adult literature YA books became obsessed with presenting characters who wanted to have sex but couldn't at least not without losing something vital to their identity Since the publication of Twilight the YA market has been flooded with books that feature naive virgins finding true love While some YA novels do present nuanced

depictions of sex and of healthy sexual relationships the fiction most popular with young adult readers presents adolescent girls as virginal sex objects waiting to be fulfilled by their love interests In *Virginity in Young Adult Literature after Twilight* Christine Seifert looks at an alarming trend in YA novels Labeling this phenomenon abstinence porn Seifert argues that these novels that fetishize virginity are harmful to readers Like pornography such works reduce female characters to objects whose sexual acts are the sole expression of their identities Chapters in this book examine paranormal dystopian and contemporary romance paying particular attention to recurring virginity themes or tropes The book also provides an antidote by showing how some sex positive teen novels provide more empowering messages to readers Organized by genre the books were selected for this study based on their popularity with teens Exploring how messages about virginity are sustained and repeated from text to text this book also calls out key reader reactions to demonstrate how they are responding to these messages Featuring a list of discussion questions *Virginity in Young Adult Literature after Twilight* will be a valuable resource for teachers librarians parents and mature young adult readers

Balancing the Books Erik Dussere, 2013-05-24

Balancing the Books represents a sophisticated examination of the ongoing engagement of American literature with the economies of slavery through the works of William Faulkner and Toni Morrison Both Faulkner and Morrison write about the relationship between race identity and history and about how the legacies of slavery linger in the lives and actions of their characters although the narrative strategies through which they render these themes ultimately diverge Dussere brings considerations of debt and repayment exchange and accounting and capital and the market concepts inseparable from any consideration of race in the construction of the American nation into dialogue with the work of Faulkner and Morrison to produce an outstanding work of literary and cultural criticism
