The Rufus Chronicle Another Autumn:

The Rufus Chronicles Charles Gusewelle, C W Gusewelle, 1999-11-02 When Charles Gusewelle first saw Rufus as a pup he was a mere tangle of orange and white fur The plan was that he d be an outdoor dog But the feisty inquisitive Rufus decided otherwise and quickly made his way inside the house and soon after inside his owner s heart The Rufus Chronicle is Gusewelle s moving chronicle of the thirteen years he spent with his devoted loyal and much loved Brittany spaniel Rufus It is an affecting unforgettable portrait of the tender relationship between a man and his dog As Gusewelle so eloquently notes Some of us learn forgiveness by studying the lives of saints And some of us keep dogs *On the Way to Other Country* Charles W. Gusewelle, 2001-08 **Learning from Wolves** Sara Hines Martin, 2012-09-24 Did you know that nature teaches us many surprising lessons about how to live our lives more effectively Discover some of those in this book that will also inspire you to be good stewards of the earth **Another Autumn** Charles W. Gusewelle, 1996-09-01 The author s memoir of life with the Brittany spaniel Rufus **The Publishers Weekly**, 1998 *The Missouri Review*, 1997 **AV Guide**, 1998

Gusewelle, 2008 **The Rise & Fall of the Mounted Knight** Clive Hart, 2023-01-05 The medieval mounted knight was a fearsome weapon of war captivating and horrifying in equal measure they are a continuing source of fascination They have been both held up as a paragon of chivalry whilst often being condemned as oppressive and violent Occupying a unique place in history knights on their warhorses are an enigma hidden behind their metal armor and seemingly unreachable on their steeds This book seeks to understand the world of the medieval knight by studying their origins their accomplishments and their eventual decline Forged in the death throes of the Roman Empire the mounted knight found a place in a harsh and dangerous world where their skills and mentality carved them into history From the First Crusade to the fields of Scotland knights could be found and their human

side is examined to see how these men came to both rule Europe and ride into enduring legend The challenges facing the mounted knight were vast and deadly from increasingly professional and competent infantry forces to gunpowder the rise of political unity and the crunch of finance The factors which forced the knight into the past help to define who and what they were as well as the legacy that they have left indelibly imprinted on the world The standout feature of this book is the focus on the equine half of the partnership from an author who practices the arts of horsemanship on a daily basis including combat with sword and lance The psychology of the horse refined by the experience of actually training warhorses has helped the author to add to the body of academic work on the subject This insight opens up the world of the mounted knight and importantly and uniquely challenges the perception of what he and his horse could really do *The first and second volumes of Chronicles* Raphael Holinshed,1587 **AKC Gazette** ,2000-07 Exiled: Autumn's Peril Rosalie Skinner,2011-09-07 Exiled and driven by guilt and vengeance Caleath adept in virtual reality games finds himself on a world where magic rules Assassins hunt him ghosts haunt his nights a sorcerer covets his knowledge and a beautiful hostage complicates his escape Washed ashore from the wreck of the Albatross tortured in mind and body Caleath uses his dreaded nanobots in order to survive and reluctantly befriends the young Gwilt Their search for the survey satellite which could lead Caleath home unveils the terrifying world of a dark soul black magic and a bloody sword On this perilous journey an assassin destroys Caleath s healing nanobots and exiles from his home planet follow his every move He takes the beautiful Nasith of the Ferran clan hostage to keep the assassins at bay but her presence endangers him more A sorcerer forces Caleath to aid the Council of Mages when he discovers Caleath carries vital knowledge that could save the Sharyac people from the invading Tarack a species of giant ants **The Enchanted House Chronicles: Sisters, Secrets and Sorcery** Elizabeth Parr,2024-11-08 The Enchanted House Chronicles Sisters Secrets and Sorcery is a laugh out loud tale of adventure and magic focusing on the lives of three sisters during the Second World War It is the first novel in The Enchanted House Chronicles a series of five stories following the girls antics as they uncover their family secrets Issy Molly and Daisy arrive in Hastings to stay with their great aunt Miss Baglio to be safe from war torn London However rather than the lovely seaside holiday they were hoping for something feels off about the house and they are sure that their unwelcoming aunt is hiding something from them They are determined to discover what is in the secret rooms that are off limits and the meaning of the identical dream they have all been having Buckle up for a cracking adventure filled with mischief fairy cakes cuddly cats and a mystery like no other that will leave you keenly anticipating the next book in the series *The Eternal Decline and Fall of Rome* Edward J. Watts,2023-10-11 The Eternal Decline and Fall of Rome tells the story of 2200 years of the use and misuse of the idea of Roman decline by ambitious politicians authors and autocrats as well as the people scapegoated and victimized in the name of Roman renewal It focuses on the long history of a way of describing change that might seem innocuous but which has cost countless people their lives liberty or property across two millennia **The History of the Decline and**

Fall of the Roman Empire ... The Second Edition Edward Gibbon, 1776 **Two Souls: Four Lives** Catherine Kairavi, 2010-10-16

Is it possible that two of the greatest men of the Norman Conquest William the Conqueror and his son Henry I of England have recently reincarnated as Paramhansa Yogananda spiritual master and author of the classic Autobiography of a Yogi and his close disciple Swami Kriyananda and if so what are the subtle connections between the Norman Conquest and modern times How will these past lives influence our future In Two Souls Four Lives Catherine Kairavi describes a society much more primitive than our own in both knowledge and consciousness she depicts the days of William and Henry as having been far more brutal than our own despite the much greater capacity for destruction of modern weaponry Historians will inevitably object that mankind was the same in William's day as it is today For they are intellectual scholars and there is no aspect of human consciousness more disposed to argument than the intellect It is kept vital and alive after all by argument It will probably be other historians who grow up with this new and broader perspective on their subject Catherine Kairavi devoted ten years carefully researching for this book For the rest maybe Paramhansa Yogananda's statement that he himself was William could outweigh for many readers any doubts and challenges that may be presented to disprove certain statements in this book It is a completely new take on present and future trends in modern society
