

The background of the entire cover is a deep, dark blue space filled with numerous small, distant stars. In the lower half of the image, a bright, glowing horizon line suggests the edge of a planet or a distant star system. A vibrant, multi-colored arc, resembling a rainbow or a comet's tail, curves across the lower right portion of the horizon. To the left of the main horizon glow, a single, bright star with a prominent four-pointed diffraction pattern shines in the dark sky.
