Motivation André Iland, 2013-01-22 So what gets you up in the morning What keeps you going Why do you keep on going These are just some of the questions that may pop in your head as you think about motivation Every person on the planet has their own motivation in life enabling everyone to go through the different life areas and phases and get the most out of it It is also sad to say that there are people who don't have any It has been said that the difference between a person who is constantly developing and growing and the person who does not is motivation Motivation plays a key role in a person's outlook in life achievements and level of satisfaction and happiness On the same note motivation is a very important factor of success A person who lacks motivation has no enthusiasm ambition and zest and is generally unhappy and unsatisfied Because of that he gets no results or when he does he only gets mediocre ones On the other hand a motivated person is very energetic successful and happy as he achieves his goals and gets great results in his endeavors Certainly nobody wants to do something for nothing There is always that something we hopefully want in return for an effort and sacrifice The life and blood of motivation is reward It is that thing that inspires us and entices us to take necessary action The reward can come in different kinds such as material rewards recognition and personal satisfaction or gratification The reward is regarded as the end of every means Motivation in itself is fueled by ambition and desire The strength of motivation largely relies on the clearness of the mental picture of the goal or the reward as well as the intensity of the desire to achieve it No matter how great attractive beneficial or enticing a certain reward may be if the person has no ambition or no desire to have it motivation will also be absent There may also be instances where you may have the desire to take action or to achieve something but if that desire is not strong enough no work will ever get done and achievement will only be just a wish on a star
