**Why and How Fables Number Three** Aluta Nite,2011-07 [Favorite Folktales from Around the World](#) Jane Yolen,2014-05-14 From Africa Burma and Czechoslovakia to Turkey Vietnam and Wales here are more than 150 of the world's best loved folktales from more than forty countries and cultures These tales of wonder and transformation of heroes and heroines of love lost and won of ogres and trolls stories both jocular and cautionary and legends of pure enchantment will delight readers and storytellers of all ages With black and white drawings throughout Part of the Pantheon Fairy Tale and Folklore Library **Can You Guess My Name?** ,2002 A collection of fifteen folktales from all over the world including stories that resemble The Three Pigs The Bremen Town Musicians Rumpelstiltskin The Frog Prince and Hansel and Gretel

[Tell Me a Story](#) Amy Friedman,Laura Hall,2006 Eight multicultural folktales from the popular syndicated newspaper feature Tell me a story transport listeners from the banks of the mighty Mississippi to a sparkling stream in Kyoto from the misty moors of Scotland to Africa's folktale forests where legendary heroes mythical maidens and talented tricksters weave their magic *Giants and Fairies and Witches, Oh My!* | *Children's European Folktales* Baby Professor,2017-02-15 Folktales are the heart of any society They are stories that reflect the culture tradition and environment from a long time ago Allowing your child to study folktales will help him/her see what life was before all the technology and noise of the city Encourage your child to read these stories before bedtime and/or during any free time Read this book today [Gypsy Folk Tales - Book One - Illustrated Edition](#) Francis Hindes Groom,2012-06 This book is a treasure chest of 36 classic Gypsy Folk Tales and Stories and makes fascinating reading for those interested in folklore in general but especially for those interested in the Roma or Gypsy people Francis Hindes Groome collated and prepared this collection making only few changes and remaining true to the original stories so to let the written story enchant us as if it were being presented in the vernacular The stories are further enhanced by the numerous impressive illustrations recently completed by Maggie Gunzel the Dutch artist and illustrator who unlike many illustrators of the 19th C and 20th C has stayed true to the subject matter A percentage of the net sale from this book will be donated to the Relief Fund for Romania In his various other works Groome raises the point that Europe possibly owes a great deal of its folklore heritage to Gypsies who brought tales from East to West If this is the case then even the most rooted of Europeans must attribute a portion of his culture to the Gypsy lifestyle Simply stated these stories are his stories but in an earlier form In recent times much has been written and reported in the press about Travellers as Gypsies are now more popularly known All too often these reports are negative However the Gypsy lifestyle is simultaneously romanticised by the media and has been for generations Because urban city dwellers buy into the dream put down roots tie themselves to mortgages and keenly run the rat race could it be that the distrust of Gypsies and Travellers is born out of envy and a desire to pack it all in and live the relatively unpressured simple and free lifestyle of the Gypsies
