both theological and social cultural which implies the need for a methodological shift for researchers in theology

Practical theology emerged as a discipline steeped in white supremacy traces of which can be found in some of its most central practices and habits of mind Identifying the remnants of this legacy allows practical theologians to begin to imagine how to proceed without reinscribing narratives of white saviors unlimited progress dominating control of bodies and individual heroic leadership You are invited to question this worldview while learning from scholars imagining a decolonized future

*Introduction to Christian Liturgy* Frank C. Senn,2012 Designed as a general introduction to Christian liturgy this book explores the meaning history and practice of worship in Eastern and Western Catholic and Protestant traditions Its chapters cover the theology of worship the historical development of Eucharist and the Prayer Offices the lectionary and customs of the church year other sacramental rites and the use of music and the arts As such it is a perfect textbook for students seeking to understand the basics of liturgical worship as well as a reliable guide for worship leaders
