came home to visit I never expected to discover the old Victorian down the street was up for sale I've always loved that place It's the opportunity of a lifetime I've made a name for myself flipping houses It's always a challenge but so worth it But this time the biggest challenge isn't the remodel It's the contractor I've hired to help me Who would have thought Trevor Grant would grow up to be so hot Annoying Yes I would always have guessed that But hot Not in a million years But now I'm contemplating things I shouldn't Especially since I plan to be out of here by fall Trevor Getting the job working with Ginger is a dream come true okay let's be honest It's a wet dream come true But I can keep it professional Granted she didn't know it was me she'd hired She'd expected my dad Surprise She's not thrilled but I can see the spark in her eyes It's that fire I'll use to prove I'm exactly the man she needs *Eye of Her Storm* Brynn Paulin, 2022-07-30 The future is never a guarantee It's been four years since River Szuzman moved to Daly Four years since she met Seth Danielson and Tai Cauldwell Four years that she's been afraid to give in and just say yes Now it's too late When River's entire future is about to change there are only two people she wants to hold her help her and get her through the storm But will they want her now Seth and Tai believe in destiny and they knew River was theirs the day she set foot in Daly They've been biding their time wooing her and waiting When she comes to them with her news late one night their hopes for the future are shattered But it changes none of their determination River is theirs together they will weather the storm and they will hold her to the very end
