Carlson, 2017-02-08 The Old Testament prophets are a neglected treasury of biblical examples for pastoral preaching Too often the prophets are misunderstood as focusing on future or social justice issues This book shows that the prophets are essentially preachers very good ones whom we must learn from By comparing recent rhetorical analysis of the prophets to some of the best of current preaching literature this book shows that the prophets preached the way that we ought to preach It will help you to hear the prophets the same way that a pastor benefits from listening to a seasoned and exceptionally gifted preacher We can benefit not only from what the prophets say but how they say it By seeing how the prophets grab and keep their listeners how they

enhance clarity and relevancy how they make truth come alive and how they persevere in their ministry you too can learn to preach like the prophets      Fulfilling the Law and the Prophets Matthew Anslow,2022-07-18 Matthew s Gospel makes mention of prophets and prophecy more than any other canonical Gospel Yet its perspective on prophecy has generally been neglected within biblical scholarship when in fact Jesus prophetic vocation is a central christological theme for Matthew This new study by Matthew Anslow seeks to draw attention to this underdeveloped focus within Matthean studies The central claim of the book is that in Matthew s Gospel Jesus prophetic vocation is presented as a multi faceted phenomenon drawing on several prophetic traditions Like biblical and popular prophets before him Jesus is depicted by Matthew as calling Israel back to covenantal faithfulness thereby providing guidance for the identity theology and communal life of God s people      **A Dynamic Reading of the Holy Spirit in Revelation** Hee Youl Lee,2014-04-07 A Dynamic Reading of the Holy Spirit in Revelation attempts to read the book of Revelation in a new way as a narrative embracing literary elements such as plot point of view narrative voice character and story structure to help readers discover its meanings by tracing the story anew Lee s unique narrative perspective offers readers a bird s eye view to experience four levels of the story heaven earth abyss and the lake of fire Lee develops a theological account of John s pneumatology and surely extends Christian pneumatology a doctrine inseparable from the life of the church Readers will come away with a greater understanding of the role of the Holy Spirit which will enable them to enjoy a deeper fellowship with the Holy Spirit more intimately than ever before Lee portrays the book of Revelation as a mission oriented book that tells how the kingdom of God will be built in this world through spiritual warfare rather than as a book of eschatology Lee s book will serve as a spiritual wake up call to the modern church and the people of God in its accurate portrayal of the Holy Spirit and vivid description of spiritual warfare      *The Seventieth Week of Daniel* Dale Bromell,2024-07-31 The Church today could benefit greatly from a clear understanding of the events of the End Times the Seventieth Week of Daniel Because this is a dominant and recurring subject of the Bible and because the second coming of Jesus Christ appears to be near it is essential that Christians fully understand this period The Seventieth Week of Daniel will provide a comprehensive study of the significant events that will transpire during this time including the signing of the Covenant the Abomination of Desolation the Great Tribulation the Rapture of the Church and the Day of the Lord Hundreds of Bible verses and easy to understand charts regarding the End Times are included to provide clarity The majority of works concerning the End Times promote the theory of a pretribulation rapture Instead The Seventieth Week of Daniel takes a different approach to the timing and events surrounding the Rapture one which has the effect of altering the typical end times timeline and thus challenging traditional wisdom regarding the Seventieth Week of Daniel      **World Religions in America, Fourth Edition** Jacob Neusner,2009-10-07 The fourth edition of World Religions in America continues its lauded tradition of providing students with reliable and nuanced information about America s religious diversity while also reflecting new developments and ideas Each chapter was updated to reflect important changes and events and
