Only By His Touch The Only Series English Edition:

Exploring Catholic Faith in Shakespearean Drama David Torevell, Brandon Schneeberger, Luke Taylor, 2025-03-31 This pioneering study investigates the connection between Shakespeare and Catholic education Its authors contend that Shakespeare's plays explore Catholic understandings of human life in ways that remain relevant for Catholic educational institutions today Through chapters focusing on ethical and existential themes love desire the body marriage virginity evil finitude jealousy and lies the authors demonstrate Shakespeare's wide ranging engagement with early modern Catholic belief and practice At the same time they argue that Shakespeare's treatment of Catholic faith through imaginative literature rather than magisterial discourse and dramatically rather than didactically provides a pedagogical model for contemporary teachers The first volume to trace the relationship between a philosophy of Catholic education and Shakespearean drama it will appeal strongly to all those working in Catholic educational settings particularly those tasked with strengthening the mission of their institution as well as to scholars and researchers of literacy education religious education and to those interested in the dynamic between education and drama Criminal Law Jonathan Herring, 2018 Jonathan Herring s unique and bestselling approach of separating out the doctrinal and theoretical aspects of the law alongside expertly selected extracts makes this book enduringly popular with students and teachers A Critical Dictionary of English Literature, and British and American Authors, Living and Deceased, from the Earliest Accounts to the Middle of the Nineteenth Century Samuel Austin Allibone, 1859 Atlantic Monthly ,1863 The Works of John Loke Locke, 1740
