## **Penetrating The Darkness:**

Penetrating the Darkness Jack Hayford, Rebecca Hayford Bauer, 2011-02 Beloved pastor Jack Hayford shows believers how to assert their authority in spiritual battle and provides biblical keys for defeating the bondage of darkness

*Penetrating the Darkness* Jack W. Hayford, 2014-05-09 Evidence that evil is flourishing faces Christians every day leaving many feeling hopeless and helpless Here esteemed pastor Jack Hayford lays out the strategies he s learned for engaging and defeating evil through prayer With clarity and passion he shows listeners how to develop powerful devotional habits engage in intercession plead the blood of Christ understand the correct use of binding and loosing confront evil learn why some prayers don t succeed and much more

**Penetrating the Darkness** Jack W. Hayford, 2011 You have the power of the risen Christ is the enemy holding you back When you loose God s power in your life His light will flood your home your community your world Learn to embrace the power of the cross and push back the evil of this world

**Something More** Morris E.

Ruddick, For those chosen the Joseph Daniel calling requires something more The something more marks true Kingdom leadership with a maturity that endures It demands a cost far beyond spoon feeding or the good intentions ambitions or any other notion of man While the more easily digestible milk mode referred to in Hebrews comes primarily from absorbing information the meat or proactive mode to maturity takes time dedication and a first priority commitment It is the dividing asunder between the many who are called and the few who are chosen This book outlines a pathway to steward your calling It is not designed for those focused on their comforts the lusts of the flesh or the love of the world If taken seriously and acted on it will release the meat of maturity leading to something more than might ever come from the best of human efforts

And There Was War in Heaven Marie Hunter Atwood, 2013-06 In retrospect stories learned as children were entertaining but failed as life mentors We as well as our children have failed to retain their principles and in consequence have lost a portion of background history necessary to understanding God s messages For instance why did God give the Law of Moses Of what purpose were the kings and judges the flood of Noah s time What do the Covenants mean and why didn t first century Jews accept the promised Messiah Why is Revelation a part of His message since it is in apocalyptic language and does it have any meaning for us These questions are important as they grant knowledge that provides additional sources of honor from which we are able to praise Him more effectively They are also the background for the New Covenant under which we live Without them we would not have reconciliation or salvation
