Microsystems for Automotive Applications 2012 Gereon Meyer, 2012-05-03 The ambitious objectives of future road mobility i.e. fuel efficiency, reduced emissions and zero accidents imply a paradigm shift in the concept of the car regarding its architecture, materials and propulsion technology and require an intelligent integration into the systems of transportation and power. ICT components and smart systems have been essential for a multitude of recent innovations and are expected to be key enabling technologies for the changes ahead both inside the vehicle and at its interfaces for the exchange of data and power with the outside world. It has been the objective of the International Forum on Advanced Microsystems for Automotive Applications (AMAA) for almost two decades to detect novel trends and to discuss technological implications and innovation potential from day one on. In 2012 the topic of the AMAA conference is Smart Systems for Safe, Sustainable and Networked Vehicles. The conference papers selected for this book address current research developments and innovations in the field of ICT components and systems and other key enabling technologies leading to the automobile and road transport of the future. The book focuses on application fields such as electrification, powertrain and vehicle efficiency, safety and driver assistance, networked vehicles as well as components and systems. Additional information is available at www.amaa.de

Return on Ideas David Nichols, 2008-05-23 Return on Ideas is a practical guide to getting more from the resources you put into your innovation process. David Nichols clearly shows why current innovation funnel models stifle rather than encourage new ideas and offers a new methodology, rocketing to tackle the problem. The first book to look in detail at innovation as a business driving imperative, Return on Ideas provides the tools, techniques and processes to actually upgrade the way you tackle innovation, illustrated with examples from innovative companies such as Yo Sushi, Apple, Vodafone, Unilever, P&G, Danone, Amex and Ben & Jerry's as well as unconventional sources such as theatre and comedy.
