making it all official and neither are willing to wait another second to check it off the list Clearing the path for adoption should reassure them but it will take their cast of well meaning friends and the occasional slap upside the head before they realize that the ties that bind them together are forged in a love that can never be taken away Reclaiming Pride Jessie G, 2021-05-18 Grigori Matisse must accept their destiny and learn to trust each other before they can face the enemy they know and the one they never saw coming The first time Grigori Federov Zenith of the Wall dreamed of his Kindred he feared Crowley s good fortune was making him wish for things he couldn t have As much as he doesn t want to get his hopes up the man in his dreams is in trouble and every time they connect the threat is worse Accepting that his fated mate is real is the first step to finding him but saving him is only the beginning of their problems A lifetime of running and losing everyone he loves has taught Matisse that no one can be trusted and he doesn t believe he ll ever be safe When Grigori tries to convince him otherwise his wish for it to be true isn t enough for him to let down his guard But while he doesn t believe in fairy tales he may not have a choice when the only one who can stop the hunters is the Zenith who wants to love him Discovering who they are together reveals a connection between the Kindreds that could be a clue to fulfilling the prophecy Unfortunately it also exposes a deception that forces the Zeniths to question their sacred purpose Now they have to decide are they destined to save the world or destroy it Talk Dirty to Me Jessie G, When fantasy reality collide will it be everything Snake hopes for or everything Greg fears The trick ll be staying alive long enough to find out As a secret agent for the DEA Snake s gone deep into Devils Pride MC with the hope of bringing down the head of Miami s lucrative drug trade and finds himself saddled with the club s volatile and secretive SA instead Unfortunately after years as partners doing shit neither of them wanted to do for reasons neither of them felt comfortable sharing Snake considers Trick his best friend Now he ll do anything to repair the damage his own necessary lies did to their friendship because while Trick may have walked away from the MC Snake needs someone he trusts to have his back Meanwhile Snake s contact at the DEA has him tied up in knots The sexy voice and inappropriate comments have him walking around with a permanent set of blue balls Life undercover is lonely and he lives for every phone call but his own personal Deep Throat is skittish about committing to a date once Snake returns to headquarters As far as Snake s concerned they only have one shot to build something together and he s not willing to waste it Greg knows he s not Snake s type or anyone s for that matter Former love interests called him plain chubby and boring More comfortable in his tech cave than with people he s a grade A nerd who isn t exactly GQ material Normally he would never be brave enough to flirt with anyone much less the very hot and very dangerous ginger who d been starring in his nightly fantasies but Snake needed something to keep him from getting lost undercover What started out as a helping hand quickly became an integral part of their relationship if one could call a five year phone conversation a relationship and Greg is terrified that once Snake s sees the wizard behind the curtain he ll lose the only man he s ever loved Now the DEA has called Snake home to plan the next stage of the mission leaving Greg no more places to hide When fantasy and reality collide

will it be everything Snake hopes for or everything Greg fears The trick will be staying alive long enough to figure out the answer

Micah's Soldier Jessie G, When Micah sees Garrison across the terminal he knows the love is still there but will it be enough to keep Garrison from walking away forever In the second grade Garrison Douglas saved Micah Stills from the bully trying to steal his lunch money creating a bond that would last a lifetime Or so Micah thought Ten years later Micah s best friend and first love is an enlisted Marine Steady strong dependable Garrison has always been his hero and Micah will do whatever it takes to be the supportive partner left behind In contrast to his sturdy Marine Micah s slighter form is a vibrant canvas from the tips of his color streaked hair to the graphic ink adorning his body Sure people judge his book by its cover but he knows who he is and more importantly Garrison loves the whole of him Garrison thought he was strong enough to do his duty for his country and come out unscathed Nothing could have prepared him for the things he would see or do in the heat of battle Every mission takes away another part of him and he fears the man he has become How can he trust that if his mind plays tricks on him he won t strike out at the man he loves the most While Garrison is struggling with his demons overseas Micah has dedicated his time to military support groups The exposure to the harsh realities the soldiers and their families face long after they return home is often heartbreaking but he sees it as necessary Like Garrison he also wonders what his lover has become Unlike Garrison he ll embrace the changes so long as he comes home alive Just the idea of physically hurting Micah sickens Garrison and he breaks up with him to protect him Micah is devastated but his feelings never falter Now Garrison is coming home for good and Micah is determined that he ll receive a hero s welcome With the help of veteran soldier and new friend Jared Ramos Micah arranges a proper homecoming The only glitch is that he s not supposed to be there to see it but the temptation proves too much Armed with a ridiculously over the top outfit and plenty of places to hide Micah is able to see for himself that Garrison is whole and healthy When Micah s plan goes awry Garrison is there to save him once again but will Micah convince him to stay or will Garrison walk away forever

Taking the Top Jessie G, Two men from rival MCs hellbent on revenge Everyone expects them to fail not fall in love but that only makes them more dangerous Family man entrepreneur member of an outlaw motorcycle club can one man really have it all Carlos was close but while corruption was destroying Devils Pride cancer was wreaking havoc on his home stealing his wife and leaving him to raise their children alone Angela was the love of his life and he never thought he could have that with someone else much less the too pushy to be serious son of his enemy Mateo s life was forever changed the day he watched his mother get gunned down by a rival motorcycle club Hidden from the world by an angry father and groomed for revenge pain is the one thing he can rely on The constant that becomes comfort and strength and a coping mechanism that becomes less effective with every lash This isn t the life he s meant to lead but with no way to break free Mateo has two choices do what he s told or die When a third option presents itself he isn t expecting a happy ending At best he thinks they can have a moment A small pocket of time to be seen and accepted cared for and wanted by a man strong enough to stop him from doing the unthinkable

while allowing him the revenge he's more than earned. It would be a solid plan if not for one tiny problem: Mateo didn't know he was capable of love, and Carlos won't let it be taken from him again.

Their Reason Jessie G, From setting a date to their surprise Irish honeymoon, join Bull and Red as they navigate the wonderful and crazy adventure of planning a wedding. You are cordially invited to the wedding of Jon Connor and Ian Jones. When I think about my guys and who I think marriage would mean the most to, I always think about Red. Growing up in foster care and spending his first twenty-five years just trying to survive, the concept of family is a dream he never thought would become a reality. He found a family with Bull, the Connors, and our favorite guys in the garage, but marriage would really make him a Connor. Not just the piece of paper, but the vows in front of all their loved ones, the promise of forever, it's everything Red deserves. In this sequel novella to *For a Reason*, we follow Bull and Red through the wonderful and crazy adventure of planning a wedding. From setting a date to saying those two magical words to their surprise Irish honeymoon, we get to see how love has transformed everyone's favorite couple. And stick around for the outtakes: Red and Bull's marriage has had quite the impact on all the guys.

His Premier Jessie G, Falling in love was easy. So was breaking each other's hearts. When Colin and Arnaud meet again, will their history be too painful to overcome? Born into wealth and privilege, Colin Sinclair was raised on the knowledge that money could buy anything, and everyone had a price. Trouble was no trouble at all, not when the money was there to sweep it under the rug. But those lessons learned at the knee of his father were going to be challenged in a way that would change Colin forever. In middle-class suburbia, Arnaud DeChene learned the value of hard work, focus, and dedication to a dream. He was well on his way to achieving it, the role of Premier, when he catches Colin's eye. Rich snobs didn't usually do it for him, but there was something about Colin that made him impossible to resist. Despite being opposites in every way, falling into a relationship was surprisingly and deceptively easy, but Arnaud never lost sight of his dream, and Colin had trouble accepting that he was second place to anything. When a stupid argument leads to a reckless act, the repercussions leave Arnaud fighting for his life, and Colin paying with his own. With a little meddling from an aging schemer and intentions that are more well-meaning than realistic, their paths will cross again. However, Colin and Arnaud aren't the same men who loved with abandon. They are older and wiser, with a history that might be too big to overcome.

For a Reason Jessie G, With his last chance at a new start going up in smoke, Ian isn't prepared for the help of a tatted-up former marine with issues that rival his own. Former Marine and full-time big brother Bull Connor spends his days helping those in need of a second chance and his nights fighting the inner demons that won't let go. During a routine tow, he comes face-to-face with the only person who refuses to need him and the one man he wishes would. As a throwaway, Ian Jones is used to being alternately overlooked or ridiculed, but hasn't given up on the idea that with just one chance, he could turn it all around. Rescued by the one person who neither overlooks nor ridicules him, he longs to be seen as more than just a man in need. Ian isn't pining for the family he's never known, but when they descend unwanted and uninvited, Bull must prove that he's the man who will protect Ian's long-neglected heart by

sharing the demons that torment his wounded soul **Our Reason** Jessie G, Married life is everything Bull and Red could have hoped for It s not something they d ever take for granted and the need to pay it forward is a trait the husbands happily share When the new director of the Bennett House asks Red to teach an art class he isn t entirely sure how it will help but he s more than willing to try Each week he is rocked by the artful outpouring of emotion and the gratitude of his students One by one they burrow into his heart but none more so than Dillon Young Always holding himself apart from the others the wisp of a boy keeps his head down and hides behind a mangy overgrown length of dark hair like a shield Despite his best attempts not to see himself in all the young men that come through the center everything about Dillon calls out to Red When he turns to the one man he knows he can always count on he expects Bull to be the voice of reason and soon they re both invested in helping Dillon There s no doubt they have an abundance of love to share and if ever there was someone who needed it Dillon was the one Between Bull s strength and Red s patience they ll help Dillon learn to trust again and in the process create a family that none of them intended **Finn** Jessie G,2022-04-26 Nash s wanderlust sent him running once but when he finds what he s been searching for in Finn can he convince the single dad he s home for good At eighteen Nash Galasso couldn t get out of Gaynor Beach fast enough The seaside town was too confining too nosy and came with too many expectations Quick visits kept his sandy roots alive but no matter how many times his brother asked Nash refused to be guilted into moving back Not until a boating accident left his niece and nephew orphaned and he was the only family left to raise them Finn Brody loved everything about living in a small town The quaint community was close knit and accepting and when he got the chance to go to a prestigious university he happily turned them down for community college and fatherhood All he wanted was to give his son Sawyer the same childhood he enjoyed and though Finn never expected to raise his son alone he could only do that in Gaynor Beach In high school they were acquaintances passing in the hall When they meet again Finn is the man to help Nash settle the estate Their easy friendship is a bonus they both welcome but it s their growing attraction that makes Nash realize that everything he s been searching for is waiting in the place he left **Deciding on Forever** Jessie G, There s no place like home for the holidays especially when Chris Owen realize it isn t a physical location but the people in their hearts Chris and Owen decided on forever over a year ago and have been working together to build a future they can be proud of They always knew the moment would come to declare their intentions but they never planned to do it while on vacation in Colorado Alone In a historic hotel at the foot of the Rocky Mountains their romantic pre Christmas getaway turns into an elopement and they ll need a little help from the staff to pull it off But before they can have the wedding of their dreams they ll have to call the family they left behind With the best of intentions and no shortage of tears Chris and Owen will be reminded that no matter where they go or what they do their family will always support their decisions And maybe meddle just a little Still there s no place like home for the holidays especially when you realize it isn t so much a physical location as it is the people in your heart **Past Hurts** Jessie G, Detective Davin Monroe is deeply scarred
