

VETERANS DAY

By Cheryl Dyson

On Veterans Day we honor all,
Who answered to a service call.
Soldiers young, and soldiers old,
Fought for freedom, brave and bold.
Some have lived, while others died,
And all of them deserve our pride.
We're proud of all the soldiers who,
Kept thinking of red, white and blue.
They fought for us and all our rights,
They fought through many days and nights.
And though we may not know each name,
We thank **ALL** veterans just the same.

Martial Culture in the Lifeways of US Servicemembers and Veterans Nathan J. Hogan, 2024-02-13 This book develops a new concept martial culture with which to problematize and reframe thinking surrounding the lifeways of US servicemembers by exploring the values beliefs norms and rituals they are exposed to and practice during military service By reuniting the two concepts of servicemember and veteran into one overarching cultural model the author shows how the concept of martial culture can be used to acknowledge the unbroken holistic multidimensional life cycle of an individual Adopting a comparative mythological approach and drawing upon Roman Navajo Hindu Norse and Japanese myths that speak to the lived experiences of servicemembers veterans and their families it weaves together ancient voices and contemporary servicemember experiential existences to offer new insight into the psychological experience of servicemembers It will be of strong interest to psychologists who seek to develop their treatment of veterans by understanding the unique lifeway of service without judgement and offering a balanced integrated spiritual connection while pushing back against both inaccurate assumptions of martial lifeways and the influences of industrialized secular approaches to service It will also appeal to those within the fields of military sociology and psychology **Air Force AFM.** ,1955 *The Grotesque Depiction of War and the Military in Eighteenth-Century English Fiction* David Mcneil,1990 A discussion of the tradition of grotesque portrayals of war and the military especially their proliferation in Restoration and eighteenth century English literature Swift s the Travels is examined in particular as well as the novels of Smollett Fielding and Stern Illustrations of graphic satire by Hogarth and others *The Lost Cause* ,1898 **Australia's Vietnam War** Jeff Doyle,Jeffrey Grey,Peter Pierce,2002 Today the mere mention of Vietnam conjures up images of protest in American streets and tensions so strong they divided a country Yet the United States did not fight alone Comparatively little is known about Australia s experience its motives for entering the conflict national support for Australia s role there and how that nation dealt with the aftermath of war Here Jeff Doyle Jeffrey Grey and Peter Pierce chronicle Australia s complicated involvement in Vietnam Australia s decision to participate in the conflict was part of a collective Western effort to stop Communist expansion It was also a price willingly paid for assurances of American intervention in the event of an Indonesian attack on Australia Through an evaluation of the literature arising from Vietnam the manner in which Australia memorialized its fallen veterans and other expressions of the war s influences this book offers important insights into the healing process nations face following such conflicts **The Law of Veterans Benefits** William F.
