All the Miracles of the Bible Herbert Lockyer, 1988-09-26 This book discusses the supernatural in Scripture including the scope and significance of events and embodiments **The Miracles of Christ** Dmitri Royster, 1999 By the signs wonders and miracles He performed Jesus manifested His compassion for His creatures and the ultimate reason for his coming into the world His healing and restoration of mankind The miracles are presented in three parts The first deals with the miracles recorded in St Matthew s and St Luke s Gospels as they are read on the Sundays after Pentecost The second section treats the signs of the Gospel of St John and the third part surveys the miracles in St Mark's Gospel of Brasstown Valley Zell Miller, 2007 A true story of the miraculous creation of a college in a remote mountain valley at the turn of the 19th century and the captivating characters who with the grace of God made it happen. The Methodist circuit rider still in his 20s who came into the valley on a mule bringing only a dream and the fierce faith of an Old Testament prophet The wise resourceful soft spoken widow who breathed life into the infant school not once but twice The wealthy Methodist laymen whose generosity for Christian education was so great that his kin sued him because they felt left out The college president a Shakespearean scholar who was more at home on the farm with his britches rolled up and shirt tail The Miracles of Jesus the Messiah E. Keith Howick, 2003 The Life of Jesus the Messiah is a five volume set that flapping discusses the life of Jesus Christ topically In volume 1 the miracles performed by Jesus are discussed Their nature is explained and both the historical impact they had on the Jews living at the time of Jesus and their significance to us today is discussed The volume's organization makes it an ideal resource for both students and instructors The volume includes complete scriptural references to the King James Bible footnotes a complete index and a scripture index allowing readers to A Vindication of the Miracles of Our Blessed Saviour, in which Mr. Woolston's guickly find relevant commentary Discourses on Them are Particularly Examin'd Smalbroke,1731 The Miracles of Christ. Expositions: Critical, **Doctrinal, Experimental** Robert MAGUIRE (Rector of St. Olave's, Southwark.),1863 The Miracles of Jesus According to John Stephen S. Kim, 2010-07-08 In our age of theological relativism Jesus question to His own disciples continues to ring true Who do the people say that the Son of Man is Through Jesus seven miracles and His seven I Am sayings the apostle John provides a clear answer to that all important question Furthermore what do Jesus miracles represent Are they designed to point to something or someone In our supernatural crazed culture that affects even evangelical Christianity it is refreshing to be reminded that biblical miracles were never arbitrary but were always purposeful authenticating God's message and His messenger's In the Gospel of John the miracles of Jesus are both Christological that is they highlight Jesus Person and eschatological that is they foreshadow the work the Messiah will do in His future Advent The miracles remind us that God s desire for every believer is first and foremost a spiritual relationship with Him through His Son Furthermore Jesus miracles also remind us that God's work in and for every believer will be fully and ultimately realized in the everlasting life Six

Discourses on the Miracles of Our Saviour, and Defences of His Discourses Thomas Woolston, 2022-07-20 In Six Discourses on the Miracles of Our Saviour and Defences of His Discourses Thomas Woolston presents a controversial religious critique through a series of rigorous theological discussions Engaging with the discourse of the age Woolston's work is marked by a sharp analytical style that critically examines the New Testament's miraculous accounts This book synthesizes a daring interpretation of scriptural events as metaphorical rather than literal positing that they serve as allegories for spiritual principles The book resides within an Enlightenment context of increasing questioning of traditional religious dogma and a rising preference for rational over supernatural explanations of biblical events Its style is indicative of the intellectualism characteristic of early 18th century theological debate Woolston's prominence stems from his incisive approach to Christian theology one that ultimately led to his imprisonment His personal convictions and scholarly engagements shine through the six discourses and defenses within this volume encapsulating a lifetime of challenging ecclesiastical authority Woolston's theological assertions reflect his deep engagement with contemporary thinkers albeit pushing boundaries that society and the Church found intolerable leading to legal consequences that serve as a testament to the provocative nature of his work This book will captivate readers of theological history students of religious studies and anyone interested in the interplay between religious discourse and intellectual freedom Woolston's astounding intellectual courage coupled with his willingness to suffer for his beliefs resonates through the centuries as a powerful voice advocating for a deeply symbolic understanding of Christian Scripture The book s audience includes not only those captivated by theological intricacies but also readers versed in the history of religious thought and the evolution of hermeneutics Six Discourses is essential reading for anyone seeking to comprehend the dynamics of religious debate during a pivotal era of critical exploration A Defence of the Miracle of the Thundering Legion, Against a Dissertation of Walter Moyle, Esg By Notes on the Miracles of Our Lord Richard Chenevix Trench, 1865 Thomas Woolston... Thomas Woolston, 1726 The Miracles of Our Lady of Rocamadour Marcus Graham Bull, 1999 Medieval miracle stories from a major pilgrim destination in 12c France In the second half of the twelfth century Rocamadour developed an international reputation as a centre of devotion to the Virgin Mary drawing pilgrims from Spain Italy Germany England and the Latin East as well as France as witnessed by the 126 miracle stories written there in 1172 3 here translated for the first time Reflecting and enhancing Rocamadour's status aristocratic figures feature prominently they throw light on many of the dangers faced by medieval men and women illness and injury imprisonment warfare arbitrary justice and natural disasters In his introduction Marcus Bull identifies issues which the collection helps to elucidate and assesses the value of the text as source material particularly in view of the lack of other chronicles from southern France for the period He makes comparisons with other texts such as the miracle collection compiled at the shrine of Thomas Becket at Canterbury and argues that the monks of Rocamadour asserted their importance through the miracles in the face of competition from neighbouring monastic communities MARCUS BULL is Andrew W Mellon Distinguished Professor of Medieval and Early Modern Studies at the University of North Carolina **On the Miracles of Our Lord** George MacDonald,1871 Chapel Hill The Miracle of the Oil Joshua Mills, 2022-10-11 This beautiful hardcover book describes the miraculous power of God's anointing represented by oil flowing through the life of the believer The Miracle of the Oil presents historical and contemporary testimonies of supernatural impartations including the phenomenon of the oil used in the original Hanukkah menorah and what it signifies for us today Receive the revelation of the anointing oil recipe that God gave to Moses as you learn about each ingredient and what it prophetically signifies in your life liquid myrrh sweet scented cinnamon fragrant cane cassia olive oil Through this book you will enter more deeply into the realm of God's anointing where you will discover intimacy healing unity purity wisdom and many other spiritual blessings As you explore ancient truths you will receive a fresh impartation of God's unlimited power and a new appreciation for the precious oil of His Spirit Prepare for The Miracle of the Oil to pour forth and overflow in your life Includes original illustrations of the anointing oil ingredients Amazing Miracles Of The Bible Dr. Ashwin Drummond, 2022-10-29 In this book the miracles narrated in the Bible have been captured and explained The man who therefore works miracles gives clear proof that it comes from the authority of God The miracle worker by the power of God makes the impossible possible At the end of the day good will always prevail against evil When the human mind fails to fathom when logic gets embarrassed when science is at a loss for words and when the foundations of all knowledge crumble down then we call such a phenomenon miracle The dictionary defines it as something extraordinary or surprising This supernatural power is none other than the Creator God Himself The New and Old Testaments of the Bible has more than a hundred recorded miracles When Jesus walked on the water He defied the law of gravity He was there at the time of the creation of this planet Thus as a creator God He has the power to create uncreated super create and destroy He therefore has the power to override the fundamental laws as understood by man It is for this reason he could perform umpteen miracles when He was on this earth There are thirty seven recorded miracles of Jesus apart from hundreds of them not recorded In addition to the miracles of Jesus Christ there are many miracles performed through the disciples apostles and prophets of God All these miracles point to a single fact that for God nothing is impossible The Miracles of Mary in Twelfth-Century France, 2024-12-15 Murder in a cathedral horrific illnesses and deformities narrow escapes from injury and death a vengeful dragon a wandering eyeball a bawdy monk and other sinners redeemed the accounts of miracles performed by the Virgin Mary gathered and translated in The Miracles of Mary in Twelfth Century France provide vivid glimpses into medieval life and beliefs Bruce L Venarde provides fluent translations of the first five collections of Marian miracle narratives from France written in the second quarter of the twelfth century and never before available in English The stories recorded in these collections by Herman of Tournai Hugh Farsit Haimo of Saint Pierre sur Dives John son of Peter and Gautier of Compi gne offer descriptions of travel living conditions medical knowledge conflict between and among lay and religious
