**Representing Autism** Stuart Murray,2008-01-01 From concerns about an autism epidemic to the MMR vaccine crisis autism is a source of peculiar fascination in the contemporary media Author Stuart Murray himself the parent of an autistic child contends that for all the coverage autism rarely emerges from the various images we produce of it as a comprehensible way of being in the world instead occupying a succession of narrative spaces as a source of fascination and wonder A refreshing analysis and evaluation of autism within contemporary society and culture *Representing Autism* establishes the autistic presence as a way by which we might more fully articulate our understanding of those with the condition and what it means to be a human This is an outstanding volume of empathetic scholarship *Representing Autism* is a truly significant piece of cultural criticism about one of the defining conditions of our time Mark Osteen Loyola College

**Approaches to Teaching the Works of Cormac McCarthy** Stacey Peebles,Benjamin West,2021-11-01 In the decades

since his 1992 breakout novel *All the Pretty Horses* Cormac McCarthy has gained a reputation as one of the greatest contemporary American authors. Experimenting with genres such as the crime thriller, the post-apocalyptic novel, and the western, his work also engages with the aesthetics of cinema, and several of his novels have been adapted for the screen. While timely and relevant, his works use idiosyncratic language and contain intense, troubling portrayals of racism, sexism, and violence that can pose challenges for students. This volume offers strategies for guiding students through McCarthy's oeuvre, addressing all his novels as well as his published plays and screenplays. Part 1, Materials, provides sources of biographical information and key scholarship on McCarthy. Essays in part 2, Approaches, discuss subjects such as landscape and ecology, mythologies of the American West, film adaptations, and literary contexts, and describe assignments that encourage students to write creatively and to examine their personal values.
