The Opposite of Everyone Joshilyn Jackson, 2016-02-16 A fiercely independent divorce lawyer learns the power of family and connection when she receives a cryptic message from her estranged mother in this bittersweet witty novel from the nationally bestselling author of *Someone Else's Love Story* and *Gods in Alabama* an emotionally resonant tale about the endurance of love and the power of stories to shape and transform our lives Born in Alabama Paula Vauss spent the first decade of her life on the road with her free spirited young mother Kai an itinerant storyteller who blended Hindu mythology with southern oral tradition to reinvent their history as they roved But everything including Paula's birth name Kali Jai changed when she told a story of her own one that landed Kai in prison and Paula in foster care Separated each holding secrets of her own the intense bond they once shared was fractured These days Paula has reincarnated herself as a tough as nails divorce attorney with a successful practice in Atlanta While she hasn't seen Kai in fifteen years she's still making payments on that Karmic debt until the day her last check is returned in the mail along with a mysterious note I am going on a journey Kali I am going back to my beginning death is not the end You will be the end We will meet again and there will be new stories You know how Karma works Then Kai's most treasured secret literally lands on Paula's doorstep throwing her life into chaos and transforming her from only child to older sister Desperate to find her mother before it's too late Paula sets off on a journey of discovery that will take her back to the past and into the deepest recesses of her heart With the help of her ex lover Birdwine an intrepid and emotionally volatile private eye who still carries a torch for her this brilliant woman an expert at wrecking families now has to figure out how to put one back together her own *The Opposite of Everyone* is a story about story itself how the tales we tell connect us break us and define us and how the endings and beginnings we choose can destroy us and make us whole Laced with sharp humor and poignant insight it is beloved New York Times bestselling author Joshilyn Jackson at her very best [100 Great American Novels You've \(Probably\) Never Read](#) Karl Bridges, 2007-09-30 From Elizabeth Stoddard's *The Morgesons* and Anzia Yzierska's *The Bread Givers* to Laurie Colwin's *Shine On Bright* and *Dangerous Object* and Chet Raymo's *The Dork of Cork* here are some of the forgotten gems of American literature Bridges has compiled a diverse list of 100 American novels published between 1797 and 1997 and worthy of the title great Although the idea is to bring light to the obscure these titles are physically accessible to readers either in print or represented in library collections and available through library loan **A Letter to the Germans and everyone else. culture Word of advice Doesn't mean that every foreigner gets the same experience after all it is not a one size fits all sort of situation While some anecdotes might seem comical at first read know that they weren't so comical while happening but shocking Now I can look back and smile and laugh Join me in reliving these beautiful memories through personal anecdote
