## **The O'Reilly Factor By Bill O'Reilly Broadway November 12 :**

*Coppola's Monster Film* Steven Travers, 2016-06-23 In 1975 after his two Godfather epics Francis Ford Coppola went to the Philippines to film *Apocalypse Now*. He scrapped much of the original script a jingoistic narrative of U S Special Forces winning an unwinnable war. Harvey Keitel originally cast in the lead role was fired and replaced by Martin Sheen who had a heart attack. An overweight Marlon Brando paid a huge salary did more philosophizing than acting. It rained almost every day and a hurricane wiped out the set. The Philippine government promised the use of helicopters but diverted them at the last minute to fight communist and Muslim separatists. Coppola filmed for four years with no ending in the script. The shoot threatened to be the biggest disaster in movie history. Providing a detailed snapshot of American cinema during the Vietnam War, this book tells the story of how *Apocalypse Now* became one of the great films of all time. **Raising Your Kids Right**

Michelle Ann Abate, 2010-07-14 Dr. Seuss's classic character the Lorax has delighted children for decades while passing along a powerful message about environmental responsibility. The book's young readers and their parents would likely be surprised by the emergence of a new character Truax, a kindly logger created by a longtime employee of the wood products industry who not surprisingly has a far different viewpoint to share. Yet the Truax character and the book of the same name is just one example of a growing genre of conservative-themed narratives for young readers spawned by the continuing strength of the American political right. Highlighting the works of William Bennett, Lynne Cheney, Bill O'Reilly and others, Michelle Ann Abate brings together such diverse fields as cultural studies, literary criticism, political science, childhood studies, brand marketing, and the cult of celebrity. *Raising Your Kids Right* dispels lingering societal attitudes that narratives for young readers are unworthy of serious political study by examining a variety of texts that offer information, ideology, and even instructions on how to raise kids right, not just figuratively but politically. Rich, Free, and Miserable John Brueggemann, 2023-06-14

Compared to much of the rest of the world, America and its citizens are rich. But many people are also deeply miserable at work, at home, or both. In this provocative book, author John Brueggemann unpacks why so many people are struggling, both emotionally and financially, in a nation that looks so prosperous on the surface. From a hospital patient reduced to a balance sheet to a parent working such long hours that he misses dinner, Brueggemann argues that market thinking has permeated every corner of our lives. In the pursuit of more and better relationships, we erode to the detriment of individuals, communities, and the nation as a whole. *Rich, Free, and Miserable* not only outlines these pressing social problems but also offers practical suggestions for people looking to make a positive change. **Blowing Smoke** Michael Wolraich, 2010-10-12 HAS AMERICA LOST ITS MARBLES? Television sensation Glenn Beck warns of White House plots to institute fascism, communism, and other terrifying isms. Radio titan Rush Limbaugh charges that a racist Obama regime encourages black schoolchildren to beat up white kids. Evangelical luminary James Dobson frets that Christians will be arrested for thought crimes and people will be allowed to marry donkeys. Protesters in knickers and colonial style hats march on Washington with signs that order Hitler-like

caricatures of President Obama to return to Kenya As madness reigns pundits politicians and cab drivers debate the source of the hysteria Some blame ignorance some blame racism some blame the economy After poring over mountains of political screeds and heedlessly subjecting himself to countless hours of Fox News author Michael Wolraich discovered the secret formula that turns ordinary men and women into fire breathing smoke blowing right wing maniacs It s persecution politics again In *Blowing Smoke* Wolraich documents dissects and deconstructs the myths that underlie the right s growing reliance on the politics of persecution from Joe McCarthy to the Tea Party movement In the process he delivers an original and compelling hypothesis with penetrating insight and blistering wit At turns hilarious disturbing and edifying *Blowing Smoke* is a must read account of modern American politics **The Publishers Weekly** ,2000 **Morality, Leadership, and Public Policy** Eric Thomas Weber,2011-07-07 Informed by the pragmatism of John Dewey this book argues the practical benefits for public policy of a rigorous experimentalist approach to applying moral theory **Who's who in Magazine Distribution** ,1960 *Facts on File World News Digest Yearbook* ,2000 Forthcoming Books Rose Arny,2002-02 Symposium on Law & Politics as Vocation ,2005 **British Medical Journal** ,1956 **TV Guide** ,2003 *Dramatic Mirror of Motion Pictures and the Stage* ,1917 *Decisions and Orders of the National Labor Relations Board* United States.
