## **The Original Inspector George Gently Collection:**

The Original Inspector George Gently Collection Alan Hunter, 2013-05-02 This first volume of the Inspector George Gently Collection comprises the original two novels that established Gently as one of Scotland Yard's fictional finest. These are the stories on which the hit BBC TV series was based, written with a charm that conveys Alan Hunter's love of the East Anglian setting and demonstrating his expert use of dialogue to keep the plot moving along at a cracking pace. The first of Gently's cases, Gently Does It, has him enduring the holiday from hell when he is caught up in a mysterious murder and locks horns with the local police over their handling of the affair. In the second book, Gently By The Shore, other people's holidays are disturbed when Gently is called in to investigate the discovery of a body on a pleasure beach. Gently Where She Lay Alan Hunter, 2013-11-21 There was no sign of a struggle, no wounds or bruises. To Gently it looked like Vivienne had simply lain down and died, yet he knew she had been murdered. The Chief Inspector George Gently Case Files Alan Hunter. The unflappable Inspector George Gently has become a household name through the hit BBC TV series starring Martin Shaw. These are the original books on which the TV series was based, although the George Gently in Alan Hunter's whodunits is somewhat different to his TV counterpart. He is more calculating, more analytical, and his investigations are even more enthralling. George Gently Omnibus (Books 1-4) Alan Hunter, 2012-05-17 Discover the first four titles in the George Gently series at an unmissable price. GENTLY DOES IT The last thing you need when you're on holiday is to become involved in a murder. For George Gently it is a case of business as usual. The Chief Inspector's quiet Easter break in Norchester is rudely interrupted when a local timber merchant is found dead. His son, with whom he had been seen arguing, immediately becomes the prime suspect, although Gently is far from convinced of his guilt. Norchester City Police gratefully accept Gently's offer to help investigate the murder, but he soon clashes with Inspector Hansom, the officer in charge of the case. Locking horns with the local law is a distraction Gently can do without when he's on the trail of a killer. GENTLY BY THE SHORE In a British seaside holiday resort at the height of the season, you would expect to find a promenade and a pier, maybe some donkeys. You would not expect to find a naked corpse punctured with stab wounds lying on the sand. Chief Inspector George Gently is called in to investigate the disturbing murder. The case has to be wrapped up quickly to calm the nerves of concerned holidaymakers. No one wants to think that there is a maniac on the loose in the town, but with no clothes or identifying marks on the body, Gently has a tough time establishing who the victim is, let alone finding the killer. In the meantime, who knows where or when the murderer might strike again. GENTLY DOWN THE STREAM Time spent messing about on the river isn't supposed to end with a brutal murder. The staff at Stoley's Boatyard were used to holidaymakers returning their pleasure cruisers a little late after a week or so exploring the network of waterways around Norchester. They were not used to finding their yachts burned almost beyond recognition, with the charred remains of a client still aboard. Taking on the murder investigation, Chief Inspector George Gently faces an enquiry like no other. Somewhere

beneath the lies of the victim's wife somewhere obscured by the brittle edge of her daughter's fear somewhere hidden by her son's hysteria lies the truth Gently's only hope is to sweep aside the litter of chaos and confusion to uncover the identity of the killer \_\_\_\_\_ LANDED GENTLY Having been invited to spend Christmas in the country fishing for pike Gently finds himself hunting a completely different predator when a guest at Merely Hall a nearby stately home is found dead at the foot of the grand staircase on Christmas morning At first the tragedy is assumed to be a simple accident but Gently is not one to jump to conclusions and is soon in no doubt whatsoever that this was murder Merely produces the finest tapestries in England but the threads that Gently must unravel in his investigation are more complex than any weaver's design with everyone from the lord of the manor to his most lowly servant falling under suspicion Find out why readers LOVE the George Gently series Very descriptive great fun to read Witty well plotted and thoroughly enjoyable Charming whodunnit **Gently in Trees** Alan Hunter, 2013-11-21 This was no suicide however it looked too many people wanted Adrian Stoll dead From an embarrassment of suspects Gently had a very tangled tale to unravel The unflappable Inspector George Gently has become a household name through the hit BBC TV series starring Martin Shaw These are the original books on which the TV series was based although the George Gently in Alan Hunter's whodunits is somewhat different to his TV counterpart He is more calculating more analytical and his investigations are even more enthralling **Focus On: 50 Most Popular Buddy Films** Wikipedia contributors, *Contemporary British Television Crime Drama* Ruth McElroy, 2016-10-14 Contemporary British Television Crime Drama examines one of the medium's most popular genres and places it within its historical and industrial context The television crime drama has proved itself capable of numerous generic reinventions and continues to enjoy some of the highest viewing figures Crime drama offers audiences stories of right and wrong moral authority asserted and resisted and professionals and criminals doing so in ways that are often highly entertaining innovative and thought provoking In examining the appeal of this highly dynamic genre this volume explores how it responds not only to changing social debates on crime and policing but also to processes of hybridization within the television industry itself Contributors many of whom are leading figures in UK television studies analyse popular series such as Broadchurch Between the Lines Foyle's War Poirot Prime Suspect Sherlock and Wallander Essays examine the main characteristics of television crime drama production including the nature of trans Atlantic franchises and literary and transnational adaptations Adopting a range of feminist historical aesthetic and industrial approaches they offer incisive interrogations that provide readers with a rich understanding of the allure of crime drama to both viewers and commissioners **The North East of England on Film and Television** James Leggott, 2021-06-28 This book analyses the representation of North East England in film and television It is a response to the way a number of important British films and programmes for example Get Carter 1971 Whatever Happened to the Likely Lads 1973 74 Our Friends in the North 1996 and Billy Elliot 2000 have used this particular setting to explore questions of class identity and history It argues for the significance and coherence of a North East corpus of film and
