The Parables of Jesus Arland J. Hultgren, 2000-06-22 Outlines the parables of Jesus and discusses how each of the parables can be taught and preached The Meaning and Uses of βασιλεία in the Gospel of Matthew Tobias Ålöv, 2024-04-02 Contrary to the prevailing view that is a verbal noun signifying God's rule this study demonstrates how the term's pragmatic range in Matthew's Gospel covers both five distinct types of use and their integration into a coherent concept The study which is the first to examine all occurrences of in the First Gospel from the perspective of semantic monosemy extends and enhances our appreciation of the Matthean Zentralbegriff and engenders a more accurate apprehension of the nature and aims of the Matthean narrative and the theological views it conveys **The Parables of JESUS CHRIST** Robert Gobelet, 2016-05-03 Some sections of the Bible give us grand theology Some move us to grateful responses to God But The Parables of JESUS CHRIST break through mere words and make us see things more clearly as Jesus aloud his listeners to live through the eyes of the characters he spoke about In this book Robert Gobelet takes us systematically through the parables of Jesus so we all can learn these life changing and transforming truths taught by Jesus himself *All the Parables of Jesus* David M. Brown, 2012-07-31 Like yeast parables are explosive stories of Jesus that invade our lives and transform us into citizens of the kingdom of God But they are also cryptic and thats where this book is useful More than an explanation or interpretation of each parable this definitive work is primarily an exercise in hermeneutics In it readers are taken through a process of discovering which sayings of Jesus are parables problematic questions related to counting and categorizing them and Jesus rationale for speaking in parables The work then analyzes four distinct ways that parables are structured and three levels at which they do their work in us The final chapter presents parable related hermeneutical guidelines and the book ends with seven extensive Appendices and two Indexes It is a must read for every biblical scholar **Sharable Parables** Steven James, 2005-01-03 Teach 15 parables in fun and fresh ways There is 1 parable per chapter with multiple ideas such as drama skits and interactive activities for each age group Enjoy this library of favorite Bible stories and storytelling techniques developed by award winning author and professional storyteller Steven James Each book includes creative storytelling techniques especially suited to help teachers tell God's story and involve children in the Bible story *QUESTIONS AND ANSWERS FROM THE BIBLE* Robert Gobelet, 2016-05-03 Do you have a question about God Jesus the Bible or theology Do you need help understanding a Bible verse or passage Are there any spiritual issues in your life for which you need advice or counsel Then this book is designed for YOU With 100s of Questions and Answers Robert Gobelet details simple and yet deeply profound explanations of the Bible that can help transform your life and lead you to a deeper relationship with Christ God Bless you on your Spiritual Journey *Did Jesus Teach Salvation by Works?* Alan P. Stanley, 2006-09-20 Jesus teaches that regardless of one's profession if one does not demonstrate a changed life produced by God one will not enter into heaven Such a judgment will be made when Jesus

returns and judges every person according to his or her works While this may seem contradictory to some more well known passages ruling out the role of works in salvation e g Rom 3 21 4 25 Gal 2 16 21 Eph 2 8 9 there is every good reason to understand that Jesus teachings complement such passages The works that admit one into heaven are not works produced by the flesh before conversion but works produced by God after conversion They will fundamentally be characterized by a life of discipleship love for others and endurance in faith and obedience and will therefore serve to confirm that one indeed did have a relationship with God during one s life

Metaphors of Ministry David W. Bennett, 2004-01-28 Down through the centuries church leaders have studied the Gospels to discover patterns of leadership development that can be applied to

their own context Yet the word leader does not appear in the Gospels Could it be that leadership has more to do with learning to follow than learning to command supervise or manage On right attitudes than on mastery of certain skills Many of the insights we need are embedded in the images which Jesus used to describe his followers So David W Bennett introduces his stimulating and scholarly study previously published under the title Biblical Images for Leaders and Followers He examines the many images and metaphors in the Gospels relating to how disciples follow Jesus and in turn influence others Then he moves on to survey much of the evidence to be found in the images of the rest of the New Testament Finally he draws some judicious conclusions for an understanding of Christian leadership in our own day The author has considerable cross cultural experience having taught church leaders in Japan India the Philippines Papua New Guinea Malaysia India Nepal Tanzania and Kenya in addition to pastoring churches in California Oregon and Massachusetts He has also traveled and done research among church leaders in Malawi South Africa Brazil Argentina Cambodia Vietnam China Korea Thailand Russia and the Czech Republic His aim is to stimulate thought on these questions in churches all over the world not just in the west
