The Pathwork Of Selftransformation:

The Pathwork of Self-Transformation Eva Pierrakos, 2013-06-19 The gift of Eva Pierrakos's Pathwork has been with me for twenty years. It is the deepest and most effective spiritual work I have found and it has helped me realize my dreams. Each time I read it I am amazed at the depth and breadth of wisdom and love it teaches. It is a practical way of truth that will change your life. Barbara Ann Brennan, author of *Hands of Light*. For more than twenty years, Eva Pierrakos was the channel for a spirit entity known only as the Guide. Combining rare psychological insight with an inspiring vision of human possibility, the Guide's teachings, known as the Pathwork, have influenced many key New Age thinkers who have studied at Pathwork centers in the United States and abroad. Now the core teachings of the guide have been collected in one volume synthesizing the essential wisdom of the Pathwork. Under such headings as *The Idealized Self Image*, *The Forces of Love Eros and Sex*, *Emotional Growth and Its Function*, *Real and False Needs*, and *The Spiritual Meaning of Crisis*, the Pathwork outlines the entire process of personal spiritual development. Unlike many over-idealized philosophies, the Pathwork confronts our devils as well as our angels, our all-too-human failings and petty ego concerns as well as our divine strengths. It shows us how to accept ourselves fully as we are now and then to move beyond the negativity or lower self that blocks our personal and spiritual evolution. It offers a practical, rational and honest way to reach our deepest creative identity. I would advise that this book be read with a willingness to take time to digest what the Guide says. This is not light reading, though it is light reading. I assure you I find an enormous compatibility between these lectures and Emmanuel's teachings. What a wonderful gift to a wonderful world. Pat Rodegast, author of Emmanuel's Book, *Yoga Journal*, 1990-11. For more than 30 years, *Yoga Journal* has been helping readers achieve the balance and well-being they seek in their everyday lives. With every issue, *Yoga Journal* strives to inform and empower readers to make lifestyle choices that are healthy for their bodies and minds. We are dedicated to providing in-depth, thoughtful editorial on topics such as yoga, food, nutrition, fitness, wellness, travel, and fashion and beauty.

Sexy, Spirited and Strong Meloney Hudson, 2009-02-03 *Sexy, Spirited and Strong: Becoming a Positive Energy Woman* focuses on revitalizing the three energetic centers in a woman's body: sex, spirit, and strength, called the Energetic Triangle. Through sharing various physical, spiritual, and energetic techniques of Eastern and Western origin that ultimately help increase a woman's overall energy and self-esteem, Meloney Hudson is a teacher of women's empowerment workshops based on Tantric and Western principles and has made it her personal mission to empower women to change themselves and popular perceptions of women for the betterment of the planet. She compiles simple yet powerful exercises designed to restore each of the three energetic areas. She also includes many resources that women can explore to deepen self-growth and learn more about women's history. While centering on the methods needed to achieve a healthy Energy Triangle, Hudson also teaches how to build sexual and spiritual energy, discover a connection to spirit, increase self-esteem, nurture and express the feminine soul, achieve life-changing goals. Through the techniques offered in this insightful guidebook, women
