We first see the central character Michael Henchard as a drunken and unemployed hay trusser who sells his wife Susan and his daughter Elizabeth Jane at a fair. When he is eventually reunited with the two, he has become the contented and prosperous mayor of a thriving market town. But the downward spiral begins. Henchard's fall is hastened by a series of coincidences and quarrels and by his own jealousy and pride. Though the perspective on events that Hardy gives us is often that of other characters, Elizabeth Jane in particular, Henchard remains the central focus. In the end, he is a tragic figure: bankrupt, emotionally broken, and an outcast from society. Prepared by one of the world's leading Hardy scholars, this edition includes a critical introduction and a range of background materials from the period. Historical documents concerning such topics as the corn laws and the practice of wife selling and contemporary reviews help set this remarkable novel in the context out of which it emerged. **The Mayor of Casterbridge by Thomas Hardy Annotated Classic Edition** Thomas Hardy, 2021-05-25 I've not always been what I am now. In a fit of drunken anger, Michael Henchard sells his wife and baby daughter for five guineas at a country fair. Over the course of the following years, he manages to establish himself as a respected and prosperous pillar of the community of Casterbridge, but behind his success, there always lurk the shameful secret of his past and a personality prone to self-destructive pride and temper. Subtitled *A Story of a Man of Character*, Hardy's powerful and sympathetic study of the heroic but deeply flawed Henchard is also an intensely dramatic work tragically played out against the vivid backdrop of a close-knit Dorsetshire town. **The Mayor Of Casterbridge** Thomas Hardy, 2013-11-01 This is the annotated edition including a rare biographical essay on the life and works of the author. In the setting of this story, we recognize much of our author's old power. The quiet rural town is set as distinctly before us as Cranford is. But the people to whom Mr Hardy introduces us upon its streets are not the people Mrs Gaskell makes us know and love. There is to our mind not a really attractive character in the whole book. The good ones have a tendency to become

commonplace the bad ones can hardly be said to be interesting It is true that Michael Henchard the self made hero is a remarkable character study from the point of view of a psychologist or a sociologist but that does not make him a proper hero for a novel and we are forced to conclude that even the genius of Mr Hardy cannot long sustain its eagle flight when to borrow a metaphor from Shelley its wings are cramped by the constraining folds of the serpent of pessimism **Re-reading**

Pío Baroja and English Literature Katharine Murphy, 2004 This volume investigates a broad range of structural connections between Pío Baroja's early fiction and the novels of his contemporaries in England and Ireland with prominence given to Joseph Conrad Thomas Hardy E M Forster and James Joyce Starting from the premise that Spain has been neglected in studies which assess the evolution of the European novel at the turn of the twentieth century and challenging the insular concept of the Generation of 1898 the author reassesses the relationship between Baroja and English literature Particular emphasis is given to renderings of consciousness the role and identity of the artist European landscapes and questions of form genre and representation in the novels under scrutiny The book produces new readings of Baroja in the context of early twentieth century English fiction
