

A dramatic black and white image of a person with arms outstretched in a field under a stormy sky with red lightning. The person is seen from behind, standing in a field of tall grass. Their arms are outstretched horizontally. The sky is dark and cloudy, with two large, glowing red lightning bolts striking down from the top corners. The title 'THE MESSENGERS' is written in large, white, serif capital letters across the middle of the image, with 'AND THE FORGOTTEN CHOICE' in smaller white capital letters below it.

**32 Secrets of Birth Chart** Saket Shah,2025-04-07 When I first began studying Vedic astrology I was searching for answers Why do we suffer certain patterns over and over Why do some people walk into our lives like fate only to leave like storms Why are some born with abundance while others carry invisible burdens I didn't just want to know when something would happen I wanted to know why it needed to happen In the sacred silence of the scriptures in the dusty margins of forgotten manuscripts in the heartbeat of my own chart I began to see glimpses of something deeper Hidden patterns Mysterious laws Secrets that weren't taught in mainstream texts but whispered through experience devotion and inner knowing Thus this book was born not from a place of authority but from a place of wonder Each of the 32 secrets in this book is a doorway They come from classical Vedic astrology Jaimini's cryptic brilliance and deeper meditations on karma and consciousness But more than anything they come from years of living through my chart and helping others walk through theirs This is not a technical manual It's a spiritual map A mystical initiation For those who are tired of predictions and hungry for purpose If this book has awakened something in you some memory of who you were and what you came here to heal then it has fulfilled its purpose To the reader who sees themselves in these pages To the astrologer who senses truth beyond technique To the soul who is both seeker and secret This book was written for you With light devotion Saket Shah
