

I - ARRIVAL AT THE MANOR (CONTD)

To solve the puzzle, simply enter the end date of each period. The correct solution is:

OK: 2200. This is the end year for the Old Kingdom.
MK: 1650. This is the end year for the Middle Kingdom.
NK: 1069. This is the end year for the New Kingdom.
LD: 332. This is the end year for the Late Dynastic Period.

When you enter all four of the years, click on the diamond-shaped button on the right. A panel on the stairs will open. Walk up to it and pick up the key hidden inside. Now walk to the locked door at the far side of the entrance hall. There is a plant directly across from the locked door and close to the stairs. Walk up to the plant and **take the seal** in the pot. Go to the locked door and open it with the key you found after solving the date puzzle.

Enter the next room.
