The New Biographical Dictionary Of Film Th Ed English Edition:

The New Biographical Dictionary Of Film 5Th Ed David Thomson,2010-11-04 This book is both more and less than history a work of imagination in its own right a piece of movie literature that turns fact into romance Gavin Lambert was reviewing the first edition of David Thomson s monumental work in 1975 In the eight years since the third edition was published careers have waxed and waned reputations been made and lost great movies produced trends set and scorned This fourth edition has 200 entirely new entries and every original entry has been re examined Thus the roster of directors actors producers screenwriters and cameramen is both historical and contemporary with old masters reappraised in terms of how their work has lasted Each of the 1 000 profiles is a keenly perceptive provocative critical essay Striking the perfect balance between personal bias and factual reliability David Thomson novelist critic biographer and unabashed film addict has given us an enormously rich reference book a brilliant reflection on the art and artists of the cinema **John Mills and British**

Cinema Gill Plain,2006-03-23 Although his film career extended from the early days of sound to the British New Wave and beyond Sir John Mills is nonetheless remembered as the archetypal hero of the Second World War Regarded as an English everyman his performances crossed the class divide and in his easy transition from below decks to above he came to represent a newly democratic masculine ideal But what was this exemplary masculinity and what became of it in the aftermath of war John Mills and British Cinema asks how was it possible for an actor to embody national identity and by exploring the cultural contexts in which Mills and the nation became synonymous the book offers a new perspective on 40 years of cinema and social change Through detailed analysis of a wide range of classic British films John Mills and British Cinema exposes the shifting constructions of national masculinity arguing that the screen persona of the actor is a fundamental and often overlooked dimension of British cinema **The New Biographical Dictionary Of Film 6th Edition**

Ripping England! Roger Rawlings, 2017-12-04 Ripping England investigates a fertile moment for British satire the period between 1947 and 1953 which produced the films Passport to Pimlico Kind Hearts and Coronets and The Lavender Hill Mob as well as the seminal radio program The Goon Show Against the postwar background of fading empire universal rationing and the implementation of a welfare state these satires laid the foundation for a new British cultural identity later fleshed out by the Angry Young Men the Movement poets the Social Realists and those involved in the satire boom of the 1960s which lives on even to this day The peculiarity of these satires and the British identity they shaped is better understood when seen in relief against postwar cinematic cultures of Italy France and the United States Roger Rawlings places postwar British film in the context of contemporaneous European national film movements and contrasts it with Hollywood's comedies and satires of the same period British satires of the late forties and early fifties held up a mirror to a nation that was in the throes of change moving from a colonial empire to an inward turning island culture Ripping England looks at the all too often neglected miracle of postwar British cinema and popular culture Cinema, MD Eelco F. Conqueror Worm in America was directed by Michael Reeves and occupies a unique place in British cinema Equally praised and vilified the film fictionalizes the exploits of Matthew Hopkins a prolific real life witch hunter during the English Civil War For critic Mark Kermode the release proved to be the single most significant horror film produced in the United Kingdom in

the 1960s while playwright Alan Bennett called the work the most persistently sadistic and rotten film I've ever seen. Steadily gaining a cult reputation unimpeded by the director's death just months after the film's release, the film is now treated as a landmark though problematic accomplishment as it exists in a number of recut, retitled and rescored versions. This in-depth study positions the film within the history of horror and discusses its importance as a British and heritage film. It also considers the inheritance of Hopkins, the script's relationship to the novel by Ronald Bassett and the iconic persona of the film's star Vincent Price. Ian Cooper conducts close textual readings of specific scenes and explores the film's various contexts from the creation of the X certificate and the tradition of Hammer gothic to the influence on Ken Russell's *The Devils* 1971 and the torture porn of twenty-first century horror.

Baroness Orczy's The Scarlet Pimpernel Sally Dugan, 2016-04-15. Since its publication in 1905, *The Scarlet Pimpernel* has experienced global success not only as a novel but in theatrical and film adaptations. Sally Dugan charts the history of Baroness Orczy's elusive hero from the novel's origins through its continuing afterlife, including postmodern appropriations of the myth. Drawing on archival research in Britain, the United States, and Australia, her study shows for the first time how Orczy's nationalistic superhero was originally conceived as an anarchist Pole plotting against Tsarist Russia rather than a counter-revolutionary Englishman. Dugan explores the unique blend of anarchy, myth, and magic that emerged from the story's astonishing and complex beginnings and analyses the enduring elements of the legend. To his creator, the Pimpernel was not simply a swashbuckling hero but an English gentleman spreading English values among benighted savages. Dugan investigates the mystery of why this imperialist crusader has not only survived the decline of the meta-narratives surrounding his birth but also continues to enthrall a multinational audience. Offering readers insights into the Pimpernel's appearances in print, in film, and on the stage, Dugan provides a nuanced picture of the trope of the Scarlet Pimpernel and an explanation of the phenomenon's durability.

The ABCs of Classic Hollywood Robert B. Ray, 2008-04-30. Speaking about the kind of filmmaking now known as Classic Hollywood, the most popular and influential cinema ever invented, Vincente Minnelli once gave away its secret: "I feel that a picture that stays with you is made up of a hundred or more hidden things. They're things that the audience is not conscious of but that accumulate." What are those hidden things? Can we invent a method that will enable us to discover them? Robert Ray attempts to answer those questions by looking closely at four movies from the 1930-1945 period when the American studio system reached the peak of its economic and cultural power: *Grand Hotel*, *The*

Philadelphia Story The Maltese Falcon and Meet Me in St Louis To avoid the predictable generalizations that have plagued film studies Ray works with the movies details Grand Hotel s room assignments or Meet Me in St Louis s ketchup which are treated as mysterious but promising clues By producing at least one entry for every letter of the alphabet Ray demonstrates that a movie s details have much to tell us The ABCs of Classic Hollywood is a movie primer a deceptively simple book that spells out a fascinating account of the most powerful storytelling system ever designed *Information Literacy Instruction that Works* Patrick Ragains,2013-06-27 Information literacy and library instruction are at the heart of the academic library s mission But how do you bring that instruction to an increasingly diverse student body and an increasingly varied spectrum of majors In this updated expanded new second edition featuring more than 75% new content Ragains and 16 other library instructors share their best practices for reaching out to today s unique users Readers will find strategies and techniques for teaching college and university freshmen community college students students with disabilities and those in distance learning programs Alongside sample lesson plans presentations brochures worksheets handouts and evaluation forms Ragains and his contributors offer proven approaches to teaching students in the most popular programs of study including English Literature Art and Art History Film Studies History Psychology Science Agricultural Sciences and Natural Resources Hospitality Business Music Anthropology Engineering Coverage of additional special topics including legal information for non law students government information and patent searching make this a complete guide to information literacy instruction **Biographical Dictionary of the People's Republic of China** Yuwu Song,2014-01-10 This biographical dictionary is an indispensable research tool for information about the prominent persons of the past seven decades in China The book documents nearly 600 Chinese individuals who contributed for better or worse to the development of Chinese life and culture since the founding of the People s Republic of China in 1949 Though the book is weighted toward political figures it includes persons in business the military academia medicine social movements the arts entertainment and athletics In addition to an objective description of the person s life an analysis is provided that identifies the individual s contributions and importance *Film Clowns of the Depression* Wes D. Gehring,2014-11-21 The 1930s are routinely considered sound film s greatest comedy era Though this golden age encompassed various genres of laughter clown comedy is the most basic type This work examines the Depression decade s most popular type of comedy the clown or personality comedian Focusing upon the Depression era the study filters its analysis through twelve memorable pictures Each merits an individual chapter in which it is critiqued The films are deemed microcosmic representatives of the comic world and discussed in this context While some of the comedians in this text have generated a great deal of previous analysis funnymen like Joe E Brown and Eddie Cantor are all but forgotten Nevertheless they were comedy legends in their time and their legacy as showcased in these movies merits rediscovery by today s connoisseur of comedy Even this book s more familiar figures such as Charlie Chaplin and the Marx Brothers are often simply relegated to being recognizable pop culture icons whose work has been

neglected in recent years This book attempts to address these oversights and to re expose the brilliance and ingenuity with which the screen clowns contributed a comic resiliency that was desperately needed during the Depression and can still be greatly appreciated today The films discussed are City Lights 1931 Chaplin The Kid From Spain 1932 Cantor She Done Him Wrong 1933 Mae West Duck Soup 1933 Marx Brothers Sons of the Desert 1933 Laurel and Hardy Judge Priest 1934 Will Rogers It s a Gift 1934 W C Fields Alibi Ike 1935 Brown A Night at the Opera 1935 Marx Brothers Modern Times 1936 Chaplin Way Out West 1937 Laurel and Hardy and The Cat and the Canary 1939 Bob Hope *Terrence Malick* Lloyd Michaels,2009 A critical analysis of an exceptional American director
