The Oswald Code The Secrets Of Oswald S Address :

Oswald Talked Ray La Fontaine, Mary La Fontaine, 1996-01-31 Investigative journalists present explosive new evidence connecting the accused JFK assassin to the CIA and to his own killer. Journalists Ray and Mary La Fontaine have uncovered significant new evidence in the Kennedy assassination evidence that substantiates the existence of a conspiracy and that suggests Lee Harvey Oswald was framed for the president's murder. In *Oswald Talked* they establish a crucial link between Oswald and Jack Ruby, the CIA and other government agencies. Among the evidence uncovered here is a Department of Defense card showing that Oswald was employed by the US government after his discharge from the Marines, testimony by a man who altered photos of Oswald for the official investigation and arrest records and names of the three enigmatic vagrants who have been at the heart of several conspiracy theories. Most significant of all, the La Fontaines speak with John Elrod, who was arrested the day of Kennedy's assassination and kept in a cell next to Oswald's. His incarceration had been hidden by the FBI for decades. In *Oswald Talked* they reveal what Elrod learned from Oswald himself that day. **Oswald and the CIA**

John Newman, 2008-06-01 From the acclaimed author of *JFK and Vietnam* comes a book that uncovers the government's role in the Kennedy assassination more clearly than any previous inquiry. What was the extent of the CIA's involvement with Lee Harvey Oswald? Why was Oswald's file tampered with before the assassination of John F. Kennedy? And why did significant documents from that file mysteriously disappear? *Oswald and the CIA* answers these questions not with theories but with information from the primary sources themselves: ex-agents, officials, and secret records. To look at the Oswald file is to look at the most sensitive CIA operation of the Cold War. The story is as alarming as it is tragic: the lies and manipulations it reveals led directly to Kennedy's murder. *Oswald and the CIA* is a gripping journey to the darkest corners of the CIA. , [Murder in Dealey Plaza](#)

James, 2013-11-01 We now know vastly more about the killing of John F. Kennedy than was known 20 or 30 years ago, and new evidence is accumulating almost every day. This new evidence is being uncovered by the bold application of scientific and technological expertise to the assassination records, including the film, photographic, and autopsy records. *Murder in Dealey Plaza* presents the latest and best of the new assassination research. As a result of these freshly uncovered findings, it is possible to say with moral certainty and considerable scientific authority that the murder of President Kennedy was committed by a meticulously executed conspiracy which was then observed by an extensive cover-up. **Final Report**

of the Kennedy Assassination Records Review Board John R. Tunheim, 1999-03 The final report on the assassination of President John F. Kennedy. The Review Board has worked hard to obtain all records relating to the assassination of President Kennedy and to release the records to the fullest extent possible to the American people. They have done so in the hope that release of these records will shed new evidentiary light on the assassination, enrich the historical understanding of that tragic moment in American history, and help restore public confidence in the government's handling of the assassination and its aftermath. **Final Report of the Assassination Records Review Board** United States. Board,1998 Investigation of the Assassination of President John F. Kennedy United States. Congress. House. Select Committee on Assassinations,1979 Breach of Trust Gerald D. McKnight,2005-10-04 The Warren Commission's major conclusion was that Lee Harvey Oswald was the lone assassin of President John F Kennedy Gerald McKnight rebuts that view in a meticulous and devastating dissection of the Commission's work The President's Commission on the Assassination of President Kennedy was officially established by Executive Order to investigate and determine the facts surrounding JFK's murder The Warren Commission as it became known produced 26 volumes of hearings and exhibits more than 17 000 pages of testimony and a 912 page report Surely a definitive effort Not at all McKnight argues The Warren Report itself he contends was little more than the capstone to a deceptive and shoddily improvised exercise in public relations designed to prove that Oswald had acted alone McKnight argues that the Commission's own documents and collected testimony as well as thousands of other items it never saw refused to see or actively suppressed reveal two conspiracies the still very murky one surrounding the assassination itself and the official one that covered it up The cover up actually began he reveals within days of Kennedy's death when President Johnson FBI Director J Edgar Hoover and acting Attorney General Nicholas Katzenbach all agreed that any official investigation must reach only one conclusion Oswald was the assassin While McKnight does not uncover any smoking gun that identifies the real conspirators he nevertheless provides the strongest case yet that the Commission was wrong and knew it Oswald might have knowingly or unwittingly been involved but the Commission's own evidence proves he could not have acted alone Based on more than a quarter million pages of government documents and for the first time ever the 50 000 file cards in the Dallas FBI's Special Index McKnight's book must now be the starting point for future debate on the assassination Among the revelations in Breach of Trust Both CIA and FBI photo analysis of the Zapruder film concluded that the first shot could not have been fired from the sixth floor The Commission's evidence was never able to place Oswald at the sniper's nest on the sixth floor at the time of the shooting JFK's official death certificate signed by his own White House physician and contradicting the Commission's account of Kennedy's wounds was left out of the official record The dissenting views of the naval doctors who performed the autopsy and those of the government's best ballistic experts were kept out of the official report The Commission's tortuous Single Bullet or Magic Bullet theory is finally and convincingly dismantled Oswald was probably a low level asset of the FBI or CIA or both Commission members Gerald Ford for the FBI and Allen Dulles for the CIA acted as informers regarding the Commission's proceedings The strong dissenting views of Commission member Senator Richard Russell D Georgia were suppressed for years **Congressional Record** United States. introduces new information What was the truth and what were the lies What were the inside politics of Kennedy's America This book is an investigative look at these questions and more The author focuses equally on Kennedy and Garrison providing a unique insight into the Garrison inquiry DiEugenio updates all of the topics that he introduced in 1992 with the first edition of *Destiny Betrayed* He has used the declassification process of the Assassination Records Review Board ARRB to gain the most current and accurate information on subjects including Clay Shaw and the Garrison investigation US Cuban policy from 1957 to 1963 the newly exposed mistaken beliefs of the Warren Commission Kennedy's challenge to the Cold War consensus in 1961 and where he came up with that challenge and more The author primarily emphasizes the New Orleans aspects of the Kennedy murder investigation the Garrison inquiry and the new and secret data that strengthens Garrison's case *The Radical Right and the Murder of John F. Kennedy* Harrison E. Livingstone, 2004 The Radical Right and the Murder of John F. Kennedy Stunning Evidence in the Assassination of the President Harrison E Livingstone's major new book the fifth of his works on the death of JFK brings together for the first time all of the central evidence demonstrating a domestic Right Wing conspiracy rooted in Texas which assassinated the President on November 22 1963 The book represents forty years of work The book discusses in great detail the actual medical evidence and the forgery of the autopsy photographs and X rays which Mr Livingstone first exposed the alteration of the autopsy report the framing of the designated patsy Lee Harvey Oswald and the substitution and fabrication of every single piece of evidence It discusses the role played in the murder by some of the most powerful men in the country Lyndon Johnson J Edgar Hoover and Richard Nixon as well as the rich oil men and companies who backed them It then describes the cover ups by the media the major investigations over the years the FBI and the mind control cooperation at work in the case to misdirect researchers and the public The book describes in great detail the people and companies in Texas who planned and carried out the assassination It names names One recent investigation in the 90s followed Mr Livingstone's preceding work and reinvestigated with the witnesses both he and the official investigations had talked to but this time took into consideration their documentation and what they had actually said and in a chapter this is his stunning new evidence from the U S government under President Clinton that is blowing the lid off the case Mr Livingstone first revealed to the Washington press corps in 1998 that there has been such a secret investigation and spoke for fifty minutes when the Assassination Records Review Board gave their final press conference As a result Mr Livingstone was on all major TV networks and on the Today show NBC with Katie Couric the next morning The book also contains the story of Dallas doctor Charles Crenshaw's law suit and the depositions of the editor and writer of the Journal of American Medical Association who libeled him in articles in 1992 Dr Crenshaw's book about trying to save Kennedy at Parkland Hospital shortly after the shooting came out on the same day as Mr Livingstone's major work on the medical evidence High Treason 2 were JAMA's targets and the depositions contain much discussion of Mr Livingstone's major impact on the JFK case This new book is to be followed closely by a sixth book entirely about the Zapruder film called *The Hoax of*

Investigation of the Assassination of President John F. Kennedy: September 22, 25, and 26, 1978 United States. Congress. House. Select Committee on Assassinations, 1978 **New York Magazine** , 1978-01-27 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea The Biggest Secret David Icke, 1999 Every man woman and child on the planet is affected by the stunning information that Icke exposes Destined to be a global blockbuster **Investigation of the Assassination of President John F. Kennedy** United States. Warren Commission, 1964 Act of Retribution J.P. Phillips, 2010-03-17 My quest for an answer to the riddle of President Kennedys assassination first began in April 1967 following a talk given by Warren Commission critic and best selling author Mark Lane at Michigan State University where I was a graduate student My search has lasted well over twenty years Gathering every scrap of information I could find on the assassination I have arrived at what I believe is the most credible thesis to date As a result of meticulous research I am able to identify probable suspects in what I have come to believe was a far reaching conspiracy which involved not only renegade elements from the CIA and organized crime figures but one which extended to the highest echelons of the U S government By pulling together existing knowledge of the assassination while introducing new evidence my book focuses primarily on six main principals persons of interest their motives and their activities in relation to the assassination and the links that connect them

- 1 LEE HARVEY OSWALD Accused by the Warren Commission In 1964 of being the sole assassin of President Kennedy
- 2 JACK RUBY Dallas night club owner who two days following the Presidents assassination shot and killed Oswald
- 3 CARLOS MARCELLO Reputed crime boss of the New Orleans Dallas Mafia during the time of the assassination
- 4 GENERAL CHARLES PEARE CABELL Deputy Director of the CIA from 1953 to 1962 when he was dismissed by President Kennedy along with other high ranking intelligence officials for the failure of the Bay of Pigs invasion
- 5 EARLE CABELL Younger brother of General Charles P Cabell who was Mayor of Dallas the day President Kennedy was assassinated
- 6 FRED KORTH Fort Worth businessman and banker who was Secretary of the Navy from 1962 to

October 1963 when he was forced by President Kennedy to resign for his involvement in the TFX controversy As to the motives of those individuals involved in the Presidents murder I believe that the assassination was planned and carried out with a dual purpose in mind 1 as an act of vengeance by those ex high government officials who were dismissed by the President either for alleged wrongdoing as in the case of Fred Korth or for incompetence as in General Cabells case 2 to prevent the Presidents domestic and foreign policies particularly in reference to his stand on the Vietnam conflict from being implemented Viewed in this light the assassination of President Kennedy was an act of retribution by a group of mean spirited vengeance seeking individuals who acted in the misguided belief that by assassinating this president they were furthering the national interest Notwithstanding his immense popularity with the American people President Kennedy was perceived by his killers to be a clear and present danger to the country and to its interests at home and abroad for several reasons for his stand on civil rights and racial equality for his attempt to closely regulate the oil and gas industry for his desire to normalize relations with Cuba for his desire to ease tensions between the superpowers through a reduction in armaments for his crackdown on organized crime for his stated intention to withdraw U S forces from Vietnam Removing him from office by political murder therefore excused his killers in their own eyes from any wrongdoing for by killing this President they were convinced that they were acting in the national interest against the seemingly dangerous policies of a chief executive who if allowed to finish his presidency would lead the nation to ruin A wise mind will never censure anyone for having employed any extraordinary means for preserving a kingdom Believing like Machiavelli that they were acting to preserve and maint History's Verdict Ross F. Ralston, 1975
