Overload Erin L. Kelly, Phyllis Moen, 2021-10-05 Why too much work and too little time is hurting workers and companies and how a proven workplace redesign can benefit employees and the bottom line Today's ways of working are not working even for professionals in good jobs Responding to global competition and pressure from financial markets companies are asking employees to do more with less even as new technologies normalize 24/7 job expectations In *Overload* Erin Kelly and Phyllis Moen document how this new intensification of work creates chronic stress leading to burnout attrition and underperformance Flexible work policies and corporate lip service about work life balance don't come close to fixing the problem But this unhealthy and unsustainable situation can be changed and *Overload* shows how Drawing on five years of research including hundreds of interviews with employees and managers Kelly and Moen tell the story of a major experiment that they helped design and implement at a Fortune 500 firm The company adopted creative and practical work redesigns that gave workers more control over how and where they worked and encouraged managers to evaluate performance in new ways The result Employees health well being and ability to manage their personal and work lives improved while the company benefited from higher job satisfaction and lower turnover And as Kelly and Moen show such changes can and should be made on a wide scale Complete with advice about ways that employees managers and corporate leaders can begin to question and fix one of today's most serious workplace problems *Overload* is an inspiring account about how rethinking and redesigning work could transform our lives and companies

International Journal of Indian Psychology, Volume 6, Issue 2, (No. 5) IJIP.IN, 2018-07-30

The DIS Arbitration Rules Gustav Flecke-Giammarco, Christopher Boog, Siegfried H. Elsing, Peter Heckel, Anke Meier, 2020-03-20 The new arbitration rules of the German Arbitration Institute Rules entered into force on 1 March 2018 Drafted over an intense period of eighteen months by a committee of globally recognized experts with the active participation of nearly 300 arbitration practitioners the Rules stand poised to attract parties seeking dispute resolution not only in Germany but also internationally This extraordinary book written by the drafters themselves with more than 550 pages of comprehensive article by article commentary is filled with practical insights and recommendations regarding the application of the Rules Each provision of the new Rules is given its own chapter in which the following issues and topics are examined in depth for the specific rule under analysis use of the provision in practice modifications from the corresponding provision in the 1998 Rules relationship to the relevant sections of the German Code of Civil Procedure comparison with relevant regulations and practices in German State court proceedings detailed expert commentary including

analysis of case law and legal scholarship DIS practice concerning the application of the provision and comparison with similar provisions in other arbitration rules An annex contains an extensive collection of reference materials including forms schedule of costs and texts of various international arbitration documents The authors and editors have vast experience as counsel and arbitrators in proceedings conducted under the auspices of the DIS and other arbitral institutions Their intimate familiarity with all aspects of DIS case administration is of immeasurable value to all stakeholders in arbitral proceedings A genuine user's guide the book explains how the new Rules are likely to be applied in practice by the arbitral institution arbitrators and parties Its practical tips regarding the effective conduct of DIS arbitrations elucidate best practices for counsel and arbitrators and make DIS day to day case management and decision making processes more transparent and predictable for users of all levels of experience and expertise
