Kockaert, 2023-12-15 As a core component of legal language used to draft enforce and practice law legal terms have fascinated lawyers linguists terminologists and other scholars for centuries. Third in the series this Handbook offers a comprehensive compendium of the current state of knowledge on legal terminology. It is the first attempt to bring together perspectives from the domains of Terminology Translation Studies Linguistics Law and Information Technology in a single place. This interdisciplinary endeavour comprises systematic reviews case studies and research papers which overview key properties of legal terms and concepts terminological tools and resources training aspects as well as translation in national contexts and multilingual organizations. The Handbook attests to the complex multifaceted nature of legal terminology and showcases its cultural communicative cognitive and social contexts in diverse legal systems. It is a rich resource for scholars practitioners trainers and students presenting vibrant research and practice in this area. *From Sub-Lexical to Discourse-Level Effects in Bi- And Multilingual Language Processing* Katarzyna Dziubalska-Kolaczyk, Monika M. Polczynska, Katarzyna Jankowiak, 2025-02-14 With the majority of the world population speaking more than one language cross language interactions associated with bi and multilingual language processing have recently received much scholarly attention. While we know from psycholinguistic research that multilingualism modulates cognitive mechanisms of language processing previous studies have concentrated

selectively on specific aspects and or stages of language processing with little cross disciplinary insight into multilingualism This contribution aims to systematize our knowledge of multilingual language processing by providing a comprehensive overview of the effects observed at the level of sub lexical orthographic and phonological lexico semantic and discourse processing Further since comprehensive studies of multilingualism require other areas of research e g psychology sociology and linguistics the present volume will bring together multiple fields methods and perspectives to provide a cross disciplinary and diverse overview of the effects of multilingualism
