Byrne, 2004-11 A study of the Bible has to say about the future Included one will find suggestions on how to study prophecies future prophecies and signs of the times *The Time of the End: The 10 Year Tribulation Period and The Conditional*

Rapture of Tribulation Saints Matthew S Crane, 2017-11-01 One of the most popular and hotly debated topics in recent years has been the subject of what is commonly called The Tribulation Period Theories speculations and predictions abound as to when this apocalyptic time begins and who will be a part of it Some Bible teachers insist that Christians who have been born again during the Church Age will have no part whatsoever in this time while others teach that it is the Church s prophesied destiny to endure to the end and wait for the cataclysmic 2nd coming of the Lord Jesus Christ Which one is right Which one is wrong The one thing that all current theories seem to have in common is an abundance of inconsistencies and missing pieces This book seeks to explain many of the obscure passages in Scripture that seem to have been misunderstood and misapplied

for the last two thousand years and bring to light a couple of important truths that have been right in front of us all along which when properly understood bring consistency to the puzzle of prophecy and causes many of the hitherto difficult pieces to fit

The Astrology of the Four Horsemen Elizabeth Clare Prophet,1991 This layman s guide to beating the Fates in the 1990s looks at the astrology of a world in transition and explains how it will affect the U S and the world Prophet describes the relationship between astrology prophecy and karma And she offers practical techniques you can use to deal with the positive and negative aspects of both personal and planetary astrology

VIRUS WARS And CONSPIRACY THEORIES GULHAN KARADAG AGKURT, Virus Wars and Conspiracy Theories delves into a world where the pandemic is not just a health crisis but a complex web of secret societies and unseen forces shaping the global response The book explores the intersection of conspiracy theories and reality examining how hidden forces can manipulate events to their advantage What sets this narrative apart is its compelling blend of modern science and age old mysticism challenging readers to question the boundaries between fact and fiction Have you ever wondered what s really going on behind the scenes in a world gripped by a pandemic This book could make you see things in a whole new light

The Time of the End II: The 7 Heads of the Dragon and the Nation-Beasts of the Last Days Matthew S Crane,2022-09-01 A key factor in comprehending the prophetic landscape of the end times is to recognize the specific prominent nations that will be involved In the Scriptures these nations are depicted in allegorical form and for literally thousands of years students of the word of God have labored to discern the identity and meaning of the four beasts Daniel 7 the elements of Nebuchadnezzar s image Daniel 2 and the seven heads of the Dragon Revelation 17 Many speculations and interpretations continue to be made yet to this day there is still a great amount of uncertainty regarding these prophecies The Time of the End I provided the Scriptural foundation for a 10 year timeline of the last days and like the border pieces of a puzzle this new perspective has provided new insight into the broader picture of prophecy The Time of the End II sheds light upon and unlocks the concealed identifications of the Lion the Bear and the Leopard Daniel 7 the feet and toes of Nebuchadnezzar s image Daniel 2 the seven heads of the Dragon and how those nations relate to the four horns Zechariah 1 the four carpenters Zechariah 1 the four horsemen of the Apocalypse Revelation 6 and the movements throughout history of Mystery Babylon Revelation 17 Like its predecessor The Time of the End II confidently rearranges some of the more popular and accepted puzzle pieces of prophecy and emerges with a notably different picture one that is far more consistent with a literal interpretation of the Scriptures

Saint Germain Elizabeth Clare Prophet,1990-03 **The End** Mark Hitchcock,2012-07-06 A Comprehensive Guide to Bible Prophecy and the End of Days The end times have seen a great amount of interest within the last two decades but there hasn t been a comprehensive overview of biblical prophecy and eschatology for more than five decades Mark Hitchcock s book is a thorough resource for the twenty first century The End will do for eschatology what Randy Alcorn s Heaven did for people s understanding of heaven It will provide a solid biblical foundation for Christians to explore the essential truths

around this topic the end of the world In a clear and understandable way The End lays out How to interpret Bible prophecy The key prophecy passages in Scripture What you need to know about the Tribulation the Antichrist and signs of the last days The strengths and weaknesses of the different views on the Rapture the Millennium and the chronology of the end times events The book of Revelation doesn't need to feel daunting The End will give you confidence in and hope for the future as it points you toward the second coming of Christ *John's Revelation* Maurice Ricci, 2019-01-15 John's Revelation is a novel about two young people who crave earnestly to understand the prophecies in the Bible They hope that it will reveal what's in store for us humans on earth They accept the challenge and the danger that brings in trying to penetrate the Vatican's guards and enter the Vatican Library where they can find this elusive book that will reveal God's purpose for mankind Once they find the book and read it they realize that the book of Revelation which was written by the apostle John while being exiled in the island of Patmos Greece is an inspiring hope filled of the triumph of Jesus and his armies of angels over the powers of evil They realize that after Armageddon The war of the great Day of God the Almighty mankind will enjoy living on an earth restored to a Paradise forever in human perfection with God's blessings **Watching Movies with Christian Eyes** Susan Maluschka, 2019-04-04 Many people don't like to watch movies or have time to do so That's okay This book is not about watching movies It's about looking at how you live your life and what you want for your future Movies are just stories about life so even if you don't watch them you can still learn from them here Some of life's most important lessons are learned through stories What better way to hear these stories than on the big screen Movies draw us in and touch our lives in ways we never imagined The best part is that our supply is limitless Here we have stories for all ages As we watch the characters on the screen we see ourselves our need for love and understanding hope for the future or wish for revenge against someone who wronged us We see how the characters on the screen deal with these emotions but as Christians how should we deal with ours In this study movies from different times and different genres offer us an opportunity to delve into the Bible and see the choices our heavenly Father wants us to make under similar circumstances Each lesson will review one or more aspects of the movie and provide an opportunity for reflection or discussion Bible passages are also referenced to enhance understanding Now that we have this information what do we do with it Odds are that people around you every day are looking for this information as well What a comfortable way to share your faith with your friends co-workers or neighbors while you discuss the latest flick These Bible studies can be taught to a group of people or they can be done individually Popcorn is optional *Revelation Update: Bitter/Sweet* ,
