people don't. Then one day they say I need to go on a diet. There is another dilemma: Which one? There are a lot of diet plans that sound easy enough to cook. But will you actually stick to it? Is it simple and delicious? If it isn't, you're probably doomed to failure. There is a lot of science out there that proves that a low carb diet is the best one for the body, eliminating processed sugars and wheat flour. Not only are the recipes simple, but they are also ketogenic. Ketogenic diets adjust the use of glucose in the body, still fueling your brain and your body without the side effect of weight gain. Instead of processed sugar, the added ketones in your body are converted to protein, being healthier for you. Instead of doing a sugar load for energy, you can follow some simple and delicious recipes to bring your weight gain under control and then begin to lose weight. Not only does this book give some delicious recipes to try, but you will learn how to follow a low carb diet on your own, revising your own recipes for a low carb lifestyle. You will make some changes from a traditional diet based on fast foods and microwave instant dinners, but you will also find bigger benefits in this type of diet. For example, it reduces heart disease and helps to control diabetes. Processed foods usually contain a lot of fat, sugar, and sodium. But combined with carbs, you have the double whammy of converted sugars in your bloodstream that tends to become fat in your body. When you use a ketogenic low carb diet, not only do you have a simple and delicious way to eat, but you find the best way to maintain your weight as well as your energy. You can also maintain diabetes with this diet under the guidance of your physician.

COOKING & COCKTAILS Nathaniel J. Owens, 2025-02-13 This cookbook is inspired by Gregory Montes Greg as I affectionately called him was a member and supporter of the LGBTQ community Greg like many desired love but could not seem to find a good match When his relationships would dissolve he would question his qualities He would wonder if his hair looked nice enough if he was too tall or too short if he should be more tanned if he weighed too much or too little if he should change his cologne if he was pretty enough if he was smart enough and if he even wondered if his skin was too dark or too light Greg knew that he was a quality person and someone would be lucky to be in a relationship with him but he second guessed a lot of his traits We talked almost daily and would usually FaceTime around happy hour and have cocktails together while I prepared dinner Hence the name Cooking and Cocktails Greg often asked me during our chats Why can't I find a nice guy to date Early in our friendship I honestly did not know the answer to that question As our friendship grew I learned that Greg looked for love in the wrong places Greg was a fan of the Real Housewives franchise and we loved getting catty with each other so when he would ask Why can't I find a nice guy to date I would say Because you can't cook Although it was a joke there was some truth to it and Greg thought it would be a good idea that he learn to cook I'll never forget the first dish he attempted to make He was so proud of himself I went to Arlington Virginia to visit him and he couldn't wait to share what he made Greg was a fan of healthy eating so it was no surprise to me when he told me that he made sweet potato fries We were sitting at the bar inside Epic Smokehouse in Arlington Virginia and I asked him how he made his sweet potato fries He said I cut them laid them on a baking sheet and sprinkled sea salt black pepper and paprika on them and baked them I then asked When did you add the sugar Greg's reply was Oh I didn't add sugar and that's when I laughed at him like Nene Leakes laughed at Porsha Williams when she said It's an everyday situation 265 days a year After my laughing spell I told Greg See this is why you don't have a man You need to put some sugar on those sweet potatoes otherwise they are not sweet Then I told him that I was going to write a cookbook for him He requested that I put my Mac Cheese recipe in the book I typed the recipes in this book and printed them in book format Sadly Gregory passed away in December 2022 To Greg this collection of recipes was a symbol of our friendship because he was the only person that I had ever shared them with For me it was a small token of appreciation God has blessed me with a rare gift true friendship I dedicate this cookbook to the memory of my friend Gregory Montes
