Stage-Coach And Tavern Days Alice Morse Earle,2024-02-03 Excerpt In reverent and affectionate retrospective view of the influences and conditions which had power and made mark upon the settlement of New England we are apt to affirm with earnest sentiment that religion was the one force the one aim the one thought of the lives of our forbears It was indeed an ever present thought and influence in their lives but they possessed another trait which is as evident in their records as their piety and which adds an element of human interest to their story which their stern Puritanism never could have done with them their neighborliness was as ever present and as sincere as their godliness Hence the establishment of an hostelry an ordinary it was usually called for the entertainment of travellers and for the mutual comfort of the settlers was scarcely second to their providing a gathering place for the church **Stage-coach and tavern days** E.A.
