## **The Mauritian Shekel:**

**The Mauritian Shekel** Geneviève Pitot, 2000 In 1940 thousands of Jews were trying to flee Nazi persecution in Europe This is the little known story of a group of 1 600 Jewish refugees who having escaped from Nazi occupied Europe were refused entry into Palestine by the British in 1940 because they were considered illegal immigrants Their deportation after landing in the Promised Land Eretz Israel was unique As a deterrent to others they were deported to Mauritius a remote island in the Indian Ocean They were detained in a Mauritian prison until the end of the war and were deprived of all basic human rights even that of family life This story sheds light on the British government's lack of understanding of the critical problem facing Jewish refugees at that time BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *The Mauritian Shekel* Geneviève Pitot, 2017 **Internment Refugee Camps** Gabriele Anderl, Linda Erker, Christoph Reinprecht, 2022-11-07 How did and does the fate of refugees unfold in internment camps The contributors to this book facilitate an extensive engagement with the organized state led and forced placement of refugees in the past and present They show the parallels and differences between the practices and types of internment in different countries while considering the specific historical contexts Moreover they highlight the nexus of relationships and agencies which constitute the camps in question as transitory spaces The contributions consist of analyses of local phenomena or case studies as well as comparative engagements from an international and or historical perspective **Colonial Paradigms of Violence** Michelle Gordon, Rachel O'Sullivan, 2022-05-25 European Holocaust Studies EHS publishes key international research results on the murder of the European Jews and its wider contexts In recent years scholars have rediscovered Hannah Arendt's boomerang thesis the coming home of European colonialism as genocide on European soil as well as Raphael Lemkin's work around his definition of genocide and the importance of its colonial dimensions Germany and other European states are increasingly engaging in debates on comparing the Holocaust to other genocides and cases of mass killing memorialization decolonization and attempts to come to terms with the past Vergangenheitsbewältigung **Star and Key** Olivier Hein, 2025-03-20 A lively history of an extraordinary island and the people who call it home Slavery, Indenture and the Law Nandini Boodia-Canoo, 2023-01-31 This book addresses historical issues of colonialism and race which influenced the formation of multicultural society in Mauritius During the 19th century Mauritius was Britain's prime sugar producing colony yet unlike the West Indies its history has remained significantly under researched The modern demographic of multi ethnic Mauritius is unusual as in the absence of an indigenous people descendants of colonists slaves and indentured labourers constitute the majority of the island's population today Thus it may be said that the Mauritian nation was assembled during the period in question This work draws on an in depth examination of the two labour systems through which the island came to be populated slavery and indenture In studying the relevant laws four legal events of historical importance within the context of these two labour systems are identified the abolition of the slave trade the abolition of slavery private indentured

labour migration and state regulated indenture This book is notable in that it presents a legal analysis of core historical events thus straddling the line between two disciplines and covers both slavery and indentured labour in Mauritian history Mauritius as an originally uninhabited island presents a rare case study for inquiries into colonial legacies multiculturalism and race consciousness The book will be a valuable resource to scholars worldwide in the fields of slavery indenture and the legal apparatus of forced labour

**Remembering the Holocaust in a Racial State** Roni Mikel-Arieli, 2022-07-18 The lens of apartheid era Jewish commemorations of the Holocaust in South Africa reveals the fascinating transformation of a diasporic community Through the prism of Holocaust memory this book examines South African Jewry and its ambivalent position as a minority within the privileged white minority Grounded in research in over a dozen archives the book provides a rich empirical account of the centrality of Holocaust memorialization to the community's ongoing struggle against global and local antisemitism Most of the chapters focus on white perceptions of the Holocaust and reveals the tensions between the white communities in the country regarding the place of collective memories of suffering in the public arena However the book also moves beyond an insular focus on the South African Jewish community and in very different modality investigates prominent figures in the anti apartheid struggle and the role of Holocaust memory in their fascinating journeys towards freedom

Transnational Horror Cüneyt Çakırlar, 2025-01-20 Adopting a multi method critical approach to the global revival of folklore themed horror media Transnational Horror contests Anglophone film scholarship's widespread adherence to its own film historical canons Navigating alternative meanings of folk horror and locating these meanings within a transnational framework the volume proposes a curatorial paradigm of critical transnationalism in the study of global film cultures and genre formations The book proposes an alternative genealogy of horror media a genealogy that decolonises in provincialising the dominant film historical canons associated with the horror genre and contributes to the formation of a transnational field of horror criticism that troubles the normative geopolitics of canonisation in film and genre studies Through diverse accounts of scale and regionality as categorical markers of screen media the contributors to the volume develop critical tools to address the mobility of folk horror as mode and as genre which operates within and beyond the normative registers of national belonging

Refuge Beyond Reach David FitzGerald, 2019 Why do people seeking asylum often break immigration

laws Refuge Beyond Reach shows how rich democracies deliberately and systematically shut down most legal paths to safety An architecture of repulsion in the air at sea and on land keeps most refugees far away from places where they can ask for sanctuary *Refugees from Nazi-occupied Europe in British Overseas Territories* Swen Steinberg,Anthony Grenville,2020-04-28 Refugees from Nazi occupied Europe in British Overseas Territories focusses on exiles and forced migrants in British colonies and dominions in Africa or Asia and in Commonwealth countries The contributions deal with aspects such as legal status and internment rescue and relief identity and belonging the Central European encounter with the colonial and post colonial world memories and generations or knowledge transfers and cultural representations in writing painting architecture music and filmmaking The volume covers refugee destinations and the situation on arrival reorientation and very often further migration after the Second World War in Australia Canada India Kenya Palestine Shanghai Singapore South Africa and New Zealand Contributors are Rony Alfandary Gerrit Jan Berendse Albrecht D mling Patrick Farges Brigitte Mayr Michael Omasta Jyoti Sabharwal Sarah Schwab Ursula Seeber Andrea Strutz Monica Tempian Jutta Vinzent Paul Weindling and Veronika Zwerger **Burgenland** David Joseph,2023-05-15 A dazzling multi generational examination exploring Jewishness in Europe the Holocaust and the dark spectres of anti-Semitism and populism French Global Christie McDonald,Susan Rubin Suleiman,2010 Recasting French literary history in terms of the cultures and peoples that interacted within and outside of France s national boundaries this volume offers a new way of looking at the history of a national literature along with a truly global and contemporary understanding of language literature and culture The relationship between France s national territory and other regions of the world where French is spoken and written most of them former colonies has long been central to discussions of Francophonie Boldly expanding such discussions to the whole range of French literature the essays in this volume explore spaces mobilities and multiplicities from the Middle Ages to today They rethink literary history not in terms of national boundaries as traditional literary histories have done but in terms of a global paradigm that emphasizes border crossings and encounters with others Contributors offer new ways of reading canonical texts and considering other texts that are not part of the traditional canon By emphasizing diverse conceptions of language text space and nation these essays establish a model approach that remains sensitive to the specificities of time and place and to the theoretical concerns informing the study of national literatures in the twenty first century *The Travelling Rabbi* Moshe Silberhaft,Suzanne Belling,2012 Annotation Tracing the journeys of the Travelling Rabbi this book highlights Rabbi Silberhafts invaluable work in Africa from caring for the graves of the forgotten and performing wedding ceremonies to providing kosher food and religious insight to various communities Including numerous stories some tragic others humorous but always fascinating this memoir is a celebration of the resilient people he encounters and a permanent record of the Jewish communities and personalities who would otherwise be forgotten *Across the Seas* Klaus Neumann,2015-05-31 Today Australia s response to asylum seeking boat people is a hot button issue that feeds the political news cycle But the

daily reports and political promises lack the historical context that would allow for informed debate Have we ever taken our fair share of refugees Have our past responses been motivated by humanitarian concerns or economic self interest Is the influx of boat people over the last fifteen years really unprecedented In this eloquent and informative book historian Klaus Neumann examines both government policy and public attitudes towards refugees and asylum seekers since Federation He places the Australian story in the context of global refugee movements and international responses to them Neumann examines many case studies including the resettlement of displaced persons from European refugee camps in the late 1940s and early 1950s and the panic generated by the arrival of Vietnamese asylum seekers during the 1977 federal election campaign By exploring the ways in which politicians have approached asylum seeker issues in the past Neumann aims to inspire more creative thinking about current refugee and asylum seeker policy Klaus Neumann has written a humane engrossing book imbued with the awareness that in telling the history of Australia one tells the story of immigration Immigrants always resisted always blasted by invective and ever essential to our society and polity show us ourselves through the heroic journeys of ancestors the recurrent frenzies of resistance right up to our present parlous state as the most supposedly tolerant intolerant society on earth But if you think you ve read all this before you should know Neumann has brought to this book a novelty of approach a freshness of perception that means all the others have been mere preparation Tom Keneally A riveting book vast in scope and timely Arnold Zable Across the Seas is a call to remember to rethink and regenerate And to overcome our culture of forgetting it s a fine and vital book a work of highly accessible and gripping historical scholarship which must be read by as many people in this country and abroad as possible David Manne Across the Seas strongest point is a lack of dudgeon Rather than condemn or mock historical players with thunderous prose and stylistic eye rolling Neumann plays it cool Neumann gives us a mature and measured consideration of an issue that will never cease to be complex Saturday Paper

**The Jews Should Keep Quiet** Rafael Medoff, 2021-04 Based on recently discovered documents Rafael Medoff reassesses the hows and whys behind the Franklin D Roosevelt administration s fateful policies concerning European Jewry during the Holocaust *Mauritian International*, 1998 [Decision on Palestine Deferred](#)

Monty Noam Penkower, 2013-10-23 Professor Penkower s latest book Decision on Palestine Deferred offers the first sustained documented account of Palestine and the Anglo American alliance during the Second World War Firmly grounded in three decades of archival research his spirited narrative offers a fascinating cast of characters against the backdrop of the larger Middle Eastern context The latter relates to Jewish and Arab activities during the War the grave threat of Erwin Rommel s Afrika Korps U S interest in Saudi Arabian oil and the effort to achieve Arab unity Zionism s shift to viewing the United States as the center of decision making in international affairs and hence the Archimedean point for forging Jewry s destiny occurred in these same six years British anxieties about imperial security while administering the Palestine mandate by means of a stringent immigration quota jostled with the first American steps taken to formulate a stance vis vis Palestine and

the region as a whole The differing approaches of Churchill and Roosevelt to the Palestine imbroglio are also explored as are the varied avenues that were then championed within the Jewish camp The impact of the Holocaust with both governments breathing the very spirit of defeatism and despair surfaces throughout War and Empire in Mauritius and the Indian Ocean A. Jackson, 2001-08-08 By examining Mauritius and the Indian Ocean this unique synthesis of imperial and naval military history reveals the depths of colonial involvement in the Second World War and the role of colonies in British strategic planning from the eighteenth century In the century of total war the British Empire was fully mobilized The Mauritian home front became regimented troops were recruited for service overseas the Eastern fleet guarded the Indian Ocean and Mauritius became a base for SOE operations and intelligence gathering for Bletchley Amerykomania Włodzimierz Bernacki, Adam Walaszek, 2012-09-02 Książka stanowi zbiór artykułów w przygotowanych przez pracowników naukowych z okazji jubileuszu Prof. dr. hab.
