J. May, USA Today Bestselling author W J May brings you the story of how the prophecies began before Evie before Katerina starting from the very beginning The Beginning s End Series is a prequel and continuation of the bestselling YA NA series about love betrayal magic and fantasy Welcome to W J May s world of paranormal full of shifters fae fairy witches dragons dark magic and did I mention the vampires Book 1 Beginnings You ve read the ending but there is a beginning to every story Centuries before the creation of the five kingdoms when the great houses were still forming and the realm was ruled by fae a small band of companions set out on a journey Kiera had never left her village It was a stroke of luck that she wasn t there when the dragon attacked Without any friends or family without a shred of hope that anyone might believe her she strikes off alone into the forest looking for people that can help The world is new and untamed The people are leaderless and wild There has never been an alliance to unite them but an alliance is exactly what the realm needs Because a darkness is coming One that threatens to consume them all Book 2 Curiosity Life s a game of chance When Kiera s village was destroyed by a three headed dragon she thought her biggest problem was going to be getting people to believe her story Little did she know the dragon was going to be the least of her troubles After finding the proof they needed in the charred remains of Cattaling the three friends set out on a journey across the realm to find the answers that they seek But the road is often perilous and filled with creatures that would kill them just as easily as a dragon When the bonds between them are tested they re found to be new easy to splinter and break The journey seems endless and time is not on their side It s only a matter of time before the creature returns and when it does they need to be ready How does one fight such an enemy Where could it have been hiding all this time Can just three lone companions make a difference Or are the fates simply not on their side Book 3 Scrutiny How do you answer when the devil

comes to call When a swarm of monsters crashed out of the forest Kiera thought it would be a struggle just to stay alive But it is not enough to survive one must also defend And as fate would have it there was an ever greater danger lurking in those trees Old enemies surface and ancient grudges come to light as a new player enters the field One that could bring ruin to them all One whose intentions are never quite what they seem The newfound fellowship is shaken to the core but as they are constantly reminded time is not on their side Other places in the realm have felt the burn of the dragon A strange change is coming over the land creeping like a shadow silent as a dream With no kingdoms there to stop it no massing armies to fight back such a darkness could consume them The friends need answers But will they get them in time BEGINNING S END SERIES Beginnings Curiosity Scrutiny Foresight Disavow Trickery Wisdom Decree Influence Prevail Dignified Honored
