Select Commission on Immigration and Refugee Policy, 1981 **The Fall and Rise of National Interest** Serena Giusti, 2022-10-31 This book intends to make NI more accessible and viable especially as a critical device for better understanding contemporary politics The purpose is to refresh the debate on NI and to explore this fascinating concept appreciating its multifaceted and malleable nature Throughout time NI has been presented as an ambiguous but obstinate concept in politics political discourse and theoretical elaboration NI has constantly resurfaced and many designate themselves as its protectors Its increasing relevance pertinence and recurrence make it clear that it can no longer be ignored in political analysis **In the National Interest** Rajiv Kumar, Santosh Kumar, 2010 British Foreign Policy and the National Interest T. Edmunds, J. Gaskarth, R. Porter, 2014-11-18 Whose interests does British foreign policy serve Is the national interest a useful explanatory tool for foreign policy analysts This interdisciplinary collection responds to these questions exploring ideas of Britain's national interest and their impact on strategy challenging current thinking and practice in the making of foreign policy **A Trade and Tariff Policy in the National Interest** Public Advisory Board for Mutual Security, 1953 U.S. National Interest in Latin America United States. Congress. House. Committee on Foreign Affairs. Subcommittee on Inter-American Affairs, 1981 Origins of National Interests Glenn Chafetz, Benjamin Frankel, Michael Spirtaz, 2012-10-12 The concept of identity in international relations offers too many vague and imprecise definitions of the concepts that stand at its very core This text offers clear definitions of the concept of identity and the concepts surrounding the term Defining the National Interest Peter Trubowitz, 1998-02-17 The United States has been marked by a highly politicized and divisive history of foreign policy making Why do the nation's leaders find it so difficult to define the national interest Peter Trubowitz offers a new and compelling conception of American foreign policy and the domestic geopolitical forces that shape and animate it Foreign policy conflict he argues is grounded in America's regional diversity The uneven nature of America's integration into the world economy has made regionalism a potent force shaping fights over the national interest As Trubowitz shows politicians from different parts of the country have consistently sought to equate their region's interests with that of the nation Domestic conflict over how to define the national interest is the result Challenging dominant accounts of American foreign policy making Defining the National Interest exemplifies how interdisciplinary scholarship can yield a deeper understanding of the connections between domestic and international change in an era of globalization Afghanistan After the Drawdown Seth G. Jones, Keith Crane, 2013-11-01 The United States maintains important interests in Afghanistan even as most U S and allied troops are withdrawn in 2014 Seth G Jones and Keith Crane assess the political

Krasner,2020-10-06 Stephen Krasner s assumption of a distinction between state and society is the root of his argument for the superiority of a statist interpretation of American foreign policy Here he challenges the two dominant and rival interpretations of the relationship between state and society interest group liberalism and Marxism He contends that the state is an autonomous entity acting on behalf of the national interest and that state behavior cannot be explained by group or class interest On the basis of fifteen case studies drawn from extensive public records and published literature on American raw materials policy in the twentieth century Professor Krasner provides empirical substance to the debate about the meaning of the national interest the importance of bureaucratic politics and the influence of business on American foreign policy **Seeking the National Interest** Radoslava Brhlíková,2020-09-16 This collected volume presents research
