Full Preterism--Ignored but Fulfilled William John Rankine Taylor, 2025-05-22 What if the end of the world isn't in our future but in our past In this provocative exploration of eschatology *Full Preterism Ignored but Fulfilled* challenges conventional interpretations of prophecy and invites readers to consider a groundbreaking perspective that the events foretold in Scripture including the second coming of Christ have already been fulfilled Divided into three compelling sections the book journeys through the historical and theological roots of full preterism provides fresh interpretations of key prophecies and explores the profound implications for living in a post apocalyptic age More than a theological argument this book is a call to reimagine faith in the light of fulfilled prophecy How does life change when people stop waiting for an apocalypse and embrace the here and now as the age of God's completed promises Whether the reader is a curious seeker a devoted believer or a skeptic of traditional eschatology *Full Preterism Ignored but Fulfilled* offers a fresh lens through which to view the Bible history and the ultimate trajectory of humanity Prepare to see the past and the present like never before
