Richard Bailey

The Neyer James Guide To Pitchers:

The Neyer/James Guide to Pitchers Bill James, Rob Neyer, 2008-06-16 Preeminent baseball analyst Bill James and ESPN.com baseball columnist Rob Neyer compile information on pitches and their origins nearly two thousand pitchers and more in this comprehensive guide Pitchers the pitches they throw and how they throw them they're the stuff of constant scrutiny but there's never been anything like a comprehensive source for such information until now Bill James and Rob Neyer spent over a decade compiling the centerpiece of this book the Pitcher Census which lists specific information for nearly two thousand pitchers ranging throughout the history of professional baseball Their guide also includes a dictionary describing virtually every known pitch biographies of great pitchers who have been overlooked and top ten lists for fastballs spitballs and everything in between James and Neyer also weigh in on the debate over pitcher abuse and durability offer a formula for predicting the Cy Young Award winner and reveal James's Pitcher Codes Learn about the origins and development of baseball's most important pitches and more knuckleballers and submariners than you ever thought existed Baseball's action always starts with the pitchers Begin to understand them and join in on entertaining debates while having a great deal of fun with the history of the game that captivates so many with this one of a kind guide **More Ghosts in the Gallery** David L. Fleitz, 2015-01-28 An irony of enshrinement at the baseball Hall of Fame is that it's no guarantee of lasting name recognition The sport's history stretches too far back as today fans scratch their heads about athletes and owners who were among the most celebrated public figures of their time Who was more renowned than George Wright baseball's greatest star during the transition from amateur to professional play Who was more feared than Big Dan Brouthers Maybe it was Amos Rusie who threw so hard that some say the rules makers increased the pitching distance just to make things fair Of the 256 players managers and executives in the Hall of Fame the names that are known well Ty Cobb Connie Mack Willie Mays account for a small minority This book a follow up to Ghosts in the Gallery at Cooperstown 2004 provides chapter length biographies on 16 Hall of Famers from baseball's distant past Award winning biographer David Fleitz covers in detail the lives and careers of Negro League Hilton Smith and pre Negro League greats Cristobal Torriente and Smokey Joe Williams big leaguers from the 19th century Wright Brouthers Rusie Mickey Welch Tommy McCarthy Tim Keefe Joe Kelley Billy Hamilton and Sam Thompson and stars from the deadball era through the Second World War Jimmy Collins Sam Rice Kiki Cuyler Arky Vaughan For some it is the first time their stories appear in print *Baseball* Steven P. Gietschier, 2023-07 Finalist for the 2023 CASEY Award 2024 SABR Seymour Medal Named a Best Baseball Book of 2023 by Sports Collectors Digest Baseball The Turbulent Midcentury Years explores the history of organized baseball during the middle of the twentieth century examining the sport on and off the field and contextualizing its development as both sport and business within the broader contours of American history Steven P. Gietschier begins with the Great Depression looking at how those years of economic turmoil shaped the sport and how baseball responded Gietschier covers a then burgeoning group of

owners players and key figures among them Branch Rickey Larry MacPhail Hank Greenberg Ford Frick and several others whose stories figure prominently in baseball's past and some of whom are still prominent in its collective consciousness Combining narrative and analysis Gietschier tells the game's history across more than three decades while simultaneously exploring its politics and economics including for example how the game confronted and barely survived the United States entry into World War II how owners controlled their labor supply the players and how the business of baseball interacted with the federal government He reveals how baseball handled the return to peacetime and the defining postwar decade including the integration of the game the demise of the Negro Leagues the emergence of television and the first efforts to move franchises and expand into new markets Gietschier considers much of the work done by biographers scholars and baseball researchers to inform a new and current history of baseball in one of its more important and transformational periods

Base Ball in Philadelphia John Shiffert,2006-10-25 This work starts with the formation of the first baseball club in America the Olympic Town Ball Club and concludes with the final year of the National League's monopoly Also included the early Philadelphia club teams including the first great African American team the Pythians Philadelphia's part in the National Association of Base Ball Players and the golden days of the national champion Philadelphia Athletic Club from 1860 through the National Association years

Wee Willie Sherdel John G. Coulson,2018-06-08 Wee Willie Sherdel was a very humble courageous left handed pitcher who became one of the all time great southpaws in St Louis Cardinals history The son of a German blacksmith in a small Pennsylvania village Willie's dream was to become a major league pitcher a rather big dream for a small boy Not the most talented or biggest he worked hard and learned from greats like Eddie Plank Branch Rickey and Grover Cleveland Alexander Sherdel's best years were in the 1920s while Rickey was developing the farm system concept and the Cards were playing in two World Series Known for his slow ball Willie was given the honor of pitching the first game against Babe Ruth Lou Gehrig and the powerful Yankees in both Series Although labeled a hard luck pitcher in the Series Sherdel performed many great feats on the diamond Since his retirement in 1932 he remains the Redbirds winningest left

hander and fourth all time winner Willie also has pitched the third most games and the fourth most innings Like all pitchers he loved to talk about his hitting Among Cardinals pitchers Sherdel owns the fourth most career home runs and the fifth best batting average for his 337 in 1923 His contemporaries included over 90 Hall of Famers and some of the greatest players of all time including Ruth Gehrig Ty Cobb and Rogers Hornsby Joe Quinn Among the Rowdies Rochelle Llewelyn Nicholls,2014-10-01 A gentleman when the game was hard bitten played by rough and ready lads out to win whatever the cost Australia had few sporting heroes in the years preceding its federation in 1901 But before its 20th century Olympic trailblazers and Depression era icons such as Phar Lap and Don Bradman came an Australian sporting pioneer who was celebrated on the most glamorous stage in the world American major league baseball Joe Quinn s story has long been lost in the land of his birth This tale gallops from the deprivation of famine ravaged Ireland through colonial Australia to the raucous ballfields of 19th century America with their unruly players and owners brawls and adulation and backroom betrayals Through 17 seasons in the major leagues Undertaker Joe Quinn earned his place among the colorful characters who pioneered the modern game of baseball as much for his ability to stand apart from their bad behavior as for his steadfastness on the field Meet Australia s first professional baseball player and manager whose willingness to have a go in the grand Australian tradition will live long in the minds of sports fans on both sides of the Pacific **Baseball History Research 101** Brian McKenna,2010-06-05 In Baseball History Research 101 Brian McKenna has brought together in one quick and easy synopsis a complete guide for the beginning researcher Individual chapters highlight the necessary topics Selecting Your Field of Study Available Resources Web Sites Digital Archives Searching Resources Sites and Archives Making Contacts Organizing Your Data Writing and Getting Published You will discover not only where to search but how and why Then you ll be given hints in making notes maintaining your data and organizing it The program utilizes the most inexpensive methods possible Most resources are free or can be examined rather cheaply Appendixes are also provided which offer a bibliographical listing of baseball works and pre prepared forms which you ll find useful during your endeavors **A Baseball Book of Days** Phil Coffin,2025-02-20 Almost anywhere on a calendar you can pinpoint the date of a memorable baseball moment Jackie Robinson s first game Eddie Gaedel s only game the sale of Babe Ruth to the Yankees and the clause that might have prevented it These and dozens more are recounted in this book chronicling hallmark days From the first no hitter in modern baseball maybe to the deep roots for the first night game in the major leagues this book provides a detailed narrative of the game s most important moments told in 31 singular remarkable days Covering the long path to integration the rise of Dominican players in the game and the infamous banning of the spitter this calendar of the diamond covers baseball from every angle and in every month of the year Wizardry Michael Humphreys,2011-03-03 The systematic analysis of baseball statistics often called sabermetrics has evolved in recent years to resemble something of a science attracting fans from diverse professional and educational backgrounds all fascinated by the analysis itself and its insights

into the game But one problem has defied solution estimating runs saved by fielders throughout history Traditional statistics include errors and plays made but not hits that could or should have been prevented The latter can now be estimated using records of the location of every batted ball but the underlying data exists only for recent seasons and has generally been withheld from the public Now in Wizardry comes the long awaited breakthrough Drawing solely on freely available baseball statistics Michael A Humphreys shows how to apply classic statistical methods to estimate runs saved by fielders going back to 1893 Humphreys tests his results against other fielding measures including published ratings based on proprietary batted ball location data and explains their respective strengths and limitations He also introduces a method for adjusting historical player ratings for increased competition due to population growth integration and international recruitment Position by position Humphreys identifies and profiles the greatest fielders of all time with anecdote rich essays Sabermetrics changed baseball and introduced a generation to the art of statistical inference Wizardry makes the case for the most significant changes in historical player valuation in decades while opening up new approaches for further exploration

[A Game of Inches](#) Peter Morris,2006-03-23 As befits a game traditionally passed from one generation to the next baseball has always had a special reverence for origins Claims of being first with any element of the game are disputed with fervor and passion When the octogenarian Fred Goldsmith died in 1939 a headline proclaimed Goldsmith Dies Insisting He Invented Curve Ball Fred Goldsmith understood the secret of immortality Yet while countless thousands of words have been spilled on the subject of baseball firsts there has been no definitive source for the settlement of disputes Peter Morris s endlessly fascinating [A Game of Inches](#) has now arrived to fill the void Impeccably researched and engagingly written this treasure trove will surprise delight and educate even the most knowledgeable fan by dispelling cherished myths and revealing the source of many of baseball s features that we now take for granted The scope of [A Game of Inches](#) is encyclopedic with nearly a thousand entries that illuminate the origins of items ranging from catchers masks to hook slides to intentional walks to cork center baseballs But this is much more than just a reference guide Award winning author Peter Morris explains the context that led each new item to emerge when it did and chronicles the often surprising responses to these innovations Of few books can it genuinely be said that once you start reading it s hard to put it down but [A Game of Inches](#) is one of them It belongs in the pantheon of great baseball books and will give any reader a deeper appreciation of why baseball matters so much to Americans A companion volume [A Game of Inches The Game Behind the Scenes](#) was published in the fall of 2006

[The Hardball Times Baseball Annual 2008](#) Bryan Tsao,Carolina Bolado,Joe Distelheim,2007-11 A comprehensive analysis of the entire 2007 baseball season from the first pitch to the last out including a breakdown of the post season and the World Series Key features include Reviews of how 2005 played out in each of baseball s six divisions An in depth look at the minor leagues Detailed team stats and graphs Team by team individual hitting and fielding numbers A postseason and World Series round up

[Rob Neyer's Big Book of Baseball Legends](#) Rob Neyer,2008-04-01 The latest and greatest in ESPN com baseball guru

Rob Neyer's Big Book series Legends is a highly entertaining guide to baseball fables that have been handed down through generations. The well-told baseball story has long been a staple for baseball fans. In Rob Neyer's Big Book of Baseball Legends, Neyer breathes new life into both classic and obscure stories throughout twentieth-century baseball stories that while engaging on their own, also tell us fascinating things about their main characters and about the sport's incredibly rich history. With his signature style, Rob gets to the heart of every anecdote, working through the particulars with careful research drawn from a variety of primary sources. For each story, he asks: Did this really happen? Did it happen sort of? Or was the story simply the wild invention of someone's imagination? Among the scores of legends, Neyer questions and investigates: Did an errant Bob Feller pitch really destroy the career of a National League All-Star? Did Greg Maddux mean to give up a long blast to Jeff Bagwell? Was Fred Lynn the clutch player he thinks he was? Did Tommy Lasorda have a direct line to God? Did Negro Leaguer Gene Benson really knock Indians second baseman Johnny Berardino out of baseball and into General Hospital? Did Billy Martin really outplay Jackie Robinson every time they met? Oh, and what about Babe Ruth's Called Shot? Rob checks each story, separates the truths from the myths, and places their fascinating characters into the larger historical context. Filled with insider lore and Neyer's sharp wit and insights, this is an exciting addition to a superb series and an essential read for true fans of our national pastime.

The Knuckleball Club Richard A. Johnson, 2016-06-09 The knuckleball, so difficult to hit but also difficult to control and catch, has been a part of major league baseball since the early 1900s and continues to be used to this day. This remarkable and unusual pitch is the instrument of a special breed of pitcher: a determined athlete possessing tremendous concentration, self-confidence, and a willingness to weather all kinds of adversity. In *The Knuckleball Club: The Extraordinary Men Who Mastered Baseball's Most Difficult Pitch*, Richard A. Johnson provides an informal history of the wildest, weirdest, most mesmerizing pitch of all time. Beginning with an examination of the invention of the knuckleball, Johnson then briefly touches upon the science and psychology of the pitch before profiling the game's great knuckleballers. Rich in anecdotes and interviews, this book shares the unique stories of Hoyt Wilhelm, Phil Niekro, Jim Bouton, Tom Candiotti, Tim Wakefield, R.A. Dickey, and many others. Also featured are the stories of the best knuckleball catchers from Bob Uecker and Doug Mirabelli to Rick Ferrell and Paul Richards. While knuckleballers today are an anomaly, decades ago a surprisingly large number of major league pitchers used the knuckler. *The Knuckleball Club* is the first book to provide a comprehensive survey of the pitch and the players who used it, offering a deep understanding of how the knuckleball has fit into the fabric of the game over the past one hundred years. Anyone wanting to learn more about this unusual pitch from baseball historians and fans to current and former players will find this book an entertaining and enlightening read.

Baseball's Greatest Comeback J. Brian Ross, 2014-08-07 In 1914, the Boston Braves experienced the greatest come-from-behind season in baseball history. A perennially woeful team, the Braves rose from the ashes of last place, fifteen games behind, on July 4th to battle in the World Series against the Philadelphia Athletics, one of the most dominant teams of all time. Baseball fans

witnessed one of sport's most spectacular comebacks and Boston's National League team earned a new designation The Miracle Braves Baseball's Greatest Comeback The Miracle Braves of 1914 follows the Boston Braves through this rollercoaster year from their miserable start to their inspiring finish A collection of likeable determined and highly unconventional ballplayers the Braves endeared themselves to fans who rooted enthusiastically for the team Sitting in last place midway through the season the youthful group of castoffs and misfits many of whom had been rejected by other major league teams followed the lead of Walter Rabbit Maranville Johnny The Crab Evers and George Big Daddy Stalling to turn things around The Braves battled their way up the standings finishing the second half of the season with a miraculous 52 and 14 record They went on to defeat John McGraw's powerful New York Giants for the pennant and found themselves face to face with the talented Philadelphia Athletics in the World Series On the 100th anniversary of this memorable season the 1914 Boston Braves are still remembered as one of the greatest comeback teams in baseball history Full of timeless images and memorable characters including a fanatically superstitious manager a cheerfully madcap star and an obsessively driven yet highly sensitive captain this book will inform and entertain baseball fans and sports historians alike Almost Perfect Joe Cox, 2017-02-01 The rich poignant tales of major league baseball's most hard luck fraternity the pitchers of its Almost Perfect Games From 1908 to 2015 there have been thirteen pitchers who have begun Major League Baseball games by retiring the first twenty six opposing batters but then one out from completing a perfect game somehow faltering or having perfection stolen from them Three other pitchers did successfully retire twenty seven batters in a row but are still not credited with perfect games While stories of pitching the perfect game have been told and retold Almost Perfect looks at how baseball at its core is about heartbreak and these sixteen men are closer to what baseball really is and why we remain invested in the sport Author Joe Cox visits this notion through a century of baseball and through these sixteen pitchers recounting their games in thrilling fashion telling the personal stories of the fascinating and very human baseball figures involved and exploring the historical American and baseball backdrops of each flawed gem From George Hooks Wiltse's nearly perfect game in 1908 to Hard Luck Harvey Haddix's 12 inning 36 consecutive outs performance on May 26 1959 the most astounding single game pitching performance in baseball history to Max Scherzer's near miss in 2015 Joe Cox's book captures the action the humanity and the history of the national pastime's greatest almosts **Extra Innings** The Baseball Prospectus, 2012-04-03 In 1996 a brassy young team of fans produced a guide to baseball statistics Printed on a photocopier its distribution which was in the low hundreds was limited to friends family and die hard stat heads Sixteen years later the Baseball Prospectus annual regularly hits best seller lists and has become an indispensable guide for the serious fan In Extra Innings the team at Baseball Prospectus integrates statistics interviews and analysis to deliver twenty arguments about today's game In the tradition of their seminal book Baseball Between the Numbers they take on everything from steroids to the amateur draft They probe the impact of managers on the game They explain the critical art of building a bullpen In an

erawhen statistics matter more than ever Extra Innings is an essential volume for every baseball fan **Eddie Collins** Rick Huhn, 2014-07-15 In what is sure to be the definitive book on Eddie Collins's life and long career author Rick Huhn covers the Hall of Fame player's experiences from childhood through his days at Columbia University his tenure with the great Athletics clubs of 1906-1914 the highs and lows of a championship and scandal with the White Sox and his return to the A's during their final run at greatness By the time his 25 year playing career had ended he was a pivotal performer on five all time great clubs dominating his position like no one before or since and earning a reputation for intelligent selfless play that followed him to Cooperstown Also covered in detail is his tenure with the Boston Red Sox a team he served variously as part owner vice president and general manager until 1951 when after 45 years in major league baseball a stroke ended his career and weeks later his life **Happy Felsch** Thomas Rathkamp, 2016-04-27 Schooled on the sandlots of Milwaukee Chicago Black Sox center fielder Oscar Happy Felsch 1891-1964 was a rising star who then blew a promising career for a few bucks by participating in the throwing of the 1919 World Series On the field Felsch was hitting his peak in 1920 the year the scandal hit the newspapers His speed run producing power and defensive prowess all attributes that might have garnered consideration by the Hall of Fame earned comparisons to the great Tris Speaker Instead he ended up playing the fallen hero for remote baseball enclaves in Montana and Canada Did he really play to lose the series or just say that he did out of fear of reprisal by crooked gamblers Felsch talked about the scandal more than any of the other eight banned players This book analyzes his three interviews revealing his ultimate gullibility and greed and rampant contradictions

The Neyer James Guide To Pitchers Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Neyer James Guide To Pitchers free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Neyer James Guide To Pitchers free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Neyer James Guide To Pitchers free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading The Neyer James Guide To Pitchers. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic

literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Neyer James Guide To Pitchers any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About The Neyer James Guide To Pitchers Books

1. Where can I buy The Neyer James Guide To Pitchers books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
