## **The Parable Of The Parable Of The Pipeline The Pipeline:**

**The Parable of the Pipeline (English)** Burke Hedges,2023-04-26 We hear a lot about job security these days But the simple fact is if you have a job you have no real security anymore Today job security is out Lean and mean is in Which means the next job to be downsized could be yours So how do you create true security for yourself and your family in a hired today and fired tomorrow workplace The answer Create your own security by building pipelines of residual income In the parable of the pipeline Burke Hedges explains how virtually anyone can leverage their time relationships and money to become a millionaire The parable of the pipeline why job security is an illusion And why pipelines of residual income provide the only true security Why pipelines are the secret behind every million dollar fortune Why one pipeline is worth a thousand paychecks How to build a million dollar pipeline on less than 4 dollar a day How average people without a lot of money can leverage their time and relationships to create the ultimate pipeline How to start living your dreams today by building a 5 year lifestyle pipeline while planning for the future by building a 50 year retirement pipeline *The Secret to Success* Nguyễn Thanh Xuân,2011-06-24 The Secret To Success *39 Steps & 39 Days to Debt Recovery* Christine Thompson-Wells,2008 [Welcome to You20.0](#) Atul Jain,2017-01-05 1 Multiply your net worth by 200 2 Imagine what you need to become to be that successful Won t that version of yours be much higher than what you are today Welcome to You20 0 is a thought provoking journey that will challenge you to dream big and help you to achieve your best version during the process of pursuing those dreams Atul Jain s desire to share his proven formula for finding your most important dreams and the vision of your life is the key inspiration behind this book He unveils the secrets in a step by step approach that will assist you to raise yourself to help yourself as well as the humankind in a very simple yet compelling manner Your passion to achieve your biggest dreams will introduce the world to your upgraded version You20 0 It will show you how to live a life that you really deserve and leave a lasting legacy for everyone This book will introduce you to existent simple tools that are readily available for you to start immediately Most importantly it will give you a strong mindset that will not allow you to give up until you win **The Hasidic Parable** Aryeh Wineman,2001-05-01 The teachers of Hasidism gave new life to the literary tradition of parable a story that teaches a spiritual or moral truth In The Hasidic Parable acclaimed author Aryeh Wineman takes readers through the great works of the hasidic storytellers Telling parables explains Rabbi Wineman was a strategy that the hasidic masters used to foster a radical shift in thinking about God the world and the values and norms of religious life Although these parables date back 200 years or more they deal with moral and religious themes and issues still relevant today Each is accompanied by notes and commentary by the author that illuminate their ideological significance and their historical roots and background These parables have been culled from classical hasidic homiletic texts chosen because of their literary qualities their explanation of key concepts in the hasidic world view and also because of what they say to us about the conflicts and tensions accompanying Hasidism s emergence and growth **Knowledge, Power and Educational**

**Reform** Rob Moore, Madeleine Arnot, John Beck, Harry Daniels, 2006-10-16 This book is made up of a selection of writings from an international team of scholars highlighting the contribution made to the field of educational policy and educational policy research by Basil Bernstein's work on the sociology of pedagogy. These contributors explore, analyse and engage with contemporary political reforms of education, contemporary pedagogic debates and the changing nature of professional knowledge, relationships and structures. The subjects covered include particular concepts such as voice, research, the significance of social class in relation to the language, schooling and home cultures, differences between official and pedagogic, recontextualising fields, formation of different types of identities, the construction of the learner, formation of teacher identities and use of pedagogic discourses, analysis of performance-based educational reforms and its impact on pedagogy.
