Frontier Matchmaker Bride (Frontier Bachelors, Book 8) (Mills & Boon Love Inspired Historical) Regina Scott,2018-03-01 The Lawman Meets His Match *Performing Grief* Anne E. McLaren,2020-02-29 This is the first in depth study of Chinese bridal laments a ritual and performative art practiced by Chinese women in premodern times that gave them a rare opportunity to voice their grievances publicly Drawing on methodologies from numerous disciplines including performance arts and folk literatures the author suggests that the ability to move an audience through

her lament was one of the most important symbolic and ritual skills a Chinese woman could possess before the modern era. *Performing Grief* provides a detailed case study of the Nanhui region in the lower Yangzi delta. Bridal laments the author argues offer insights into how illiterate Chinese women understood the kinship and social hierarchies of their region, the marriage market that determined their destinies and the value of their labor in the commodified economy of the delta region. The book not only assesses and draws upon a large body of sources both Chinese and Western but is grounded in actual field work offering both historical and ethnographic context in a unique and sophisticated approach. Unlike previous studies the author covers both Han and non Han groups and thus contributes to studies of ethnicity and cultural accommodation in China. She presents an original view about the ritual implications of bridal laments and their role in popular notions of wedding pollution. The volume includes an annotated translation from a lament cycle. This important work on the place of laments in Chinese culture enriches our understanding of the social and performative roles of Chinese women, the gendered nature of China's ritual culture and the continuous transmission of women's grievance genres into the revolutionary period. As a pioneering study of the ritual and performance arts of Chinese women it will be of interest to scholars and students in the fields of anthropology, social history, gender studies, oral literature, comparative folk religion and performance arts. **Liu Yi and the Dragon Princess** Zhongxian Shang, 2003. This is an adaptation of the thirteenth century zaju play *Liu Yi Chuan Shu* which was itself based on an eighth century fairy tale about a failed examination candidate's encounter with a shepherdess in distress who turns out to be the youngest daughter of the Dragon King of Lake Dongting. The young man's help is rewarded with riches, immortality and marriage to the beautiful princess. It is a wish fulfillment fantasy written with charm and a certain ironical edge. This adaptation consists of the freely translated lyrics of the zaju with new original dialogue including an on stage narrator. There is a long introduction with synopses of the Chinese text of the zaju and the original story it was based on. There is also an appendix explaining the use of padding words in zaju. **Lithuania** Sakina Kagda, 2017-07-15. Lithuania is a unique country with a rich history stretching back thousands of years. This book examines the country's past as well as how it functions in today's political and global climate. It offers an in depth overview of many of Lithuania's features such as its geography, government, traditions and celebrations. Full of colorful photographs and up to date information, this is an excellent resource for readers eager to learn about other parts of the world. **The "Domostroi"** Carolyn Johnston Pouncy, 2014-06-14. A manual on household management, the *Domostroi* is one of the few sources on the social history and secular life of Russia in the time of Ivan the Terrible. It depicts a society that prized religious orthodoxy, reliance on tradition and absolute subordination of the individual to the family and the state. Specific instructions tell how to arrange hay, visit monasteries, distill vodka, treat servants, entertain clergy, cut out robes and carry out many other daily activities. Carolyn Johnston Pouncy here offers with an informative introduction the first complete English translation.
