listeners regarding their society's most controversial issues Buckskin & Broadcloth Sheila M. F. Johnston, 1997-11-15 An exciting volume of anecdotes, letters and poetry illustrated with period photographs and new illustrations **The Indian Tipi** Gladys Laubin, Reginald Laubin, 2012-11-28 When the first edition of this book was published in 1957 the art of making a tipi was almost lost even among American Indians. Since that time a tremendous resurgence of interest in the Indian way of life has occurred, resurgence due in part at least to the Laubins' life-long efforts at preservation and interpretation of Indian culture. As *The Indian Tipi* makes obvious, the American Indian is both a practical person and a natural artist. Indian inventions are commonly both serviceable and beautiful. Other tents are hard to pitch, hot in summer, cold in winter, poorly lighted, unventilated, easily blown down and ugly to boot. The conical tipi of the Plains Indian has none of these faults. It can be pitched by one person. It is roomy, well ventilated at all times, cool in summer, well lighted, proof against high winds and heavy downpours, and with its cheerful fire inside, snug in the severest winter weather. Moreover, its tilted cone, trim smoke flaps and crown of poles, presenting a different silhouette from every angle, form a shapely, stately dwelling even without decoration. In this new edition, the Laubins have retained all the invaluable aspects of the first edition and have added a tremendous amount of new material on day-to-day living in the tipi. The section on Indian cooking has been expanded to include a large number and range of Indian foods and recipes as well as methods of cooking over an open fire with a reflector oven and with a ground oven. There are new sections on making buckskin, making moccasins and making cradle boards. There is a whole new section on child care and general household hints. Shoshoni, Cree and Assiniboiné designs have been added to the long list of tribal tipi types discussed. This new edition is richly illustrated with color and black and white photographs and drawings to aid in constructing and living in the tipi. It is written primarily for the interested amateur and will appeal to anyone who likes camping, the outdoors and American Indian lore *Annual Report* Maine. The Hopi Indians Walter Hough, 2022-09-05 In *The Hopi Indians* Walter Hough presents a comprehensive exploration of the Hopi tribe, illuminating their intricate cultural practices, spiritual beliefs and rich historical background. Hough employs a meticulous ethnographic approach, utilizing vivid descriptions and observational insights to convey the essence of Hopi life. His work is situated within the broader contexts of American anthropology and early 20th-century studies of Indigenous cultures, reflecting both the fascination and the prevailing attitudes toward Native American societies at the time. The narrative intertwines personal accounts with scholarly research, making the book both informative and engaging for readers interested in Indigenous studies and anthropology. Walter Hough was a prominent American anthropologist whose career was marked by a commitment to the preservation of Indigenous cultures. His extensive fieldwork and research among various Native American groups, including the Hopi, were profoundly influenced by his desire to advocate for Indigenous rights and cultural understanding during an era of significant change. Hough's experiences fostered a deep respect for the Hopi people, allowing him to capture their stories with authenticity and compassion while striving to communicate the complexities of

their customs and worldview The Hopi Indians is a vital read for scholars students and anyone interested in Indigenous American cultures Hough's empathetic portrayal and in depth analysis provide an essential lens through which to view not only the Hopi but also the broader spectrum of Native American life This book invites readers to appreciate the enduring legacy of the Hopi and offers significant insights into the importance of cultural preservation

Contact Zones Myra Rutherdale, Katie Pickles, 2011-11-01 Contact Zones locates Canadian women's history within colonial and imperial systems As both colonizer and colonized sometimes even simultaneously women were uniquely positioned at the axis of the colonial encounter the so called contact zone between Aboriginals and newcomers Some women were able to transgress the bounds of social expectation while others reluctantly conformed to them Aboriginal women such as E Pauline Johnson Bernice Loft and Ethel Brant Monture shaped identities for themselves in both worlds By recognizing the necessity to perform they enchanted and educated white audiences across Canada On the other side of the coin newcomers imposed increasing regulation on Aboriginal women's bodies Missionaries for example preached the virtues of Christian conjugality over mixed race and polygamous marriages especially those that hadn't been ratified by the church The Department of Indian Affairs agents withheld treaty payments or removed the children of Aboriginal women who did not properly perform

their duties as wives and mothers In short Aboriginal women were expected to consent to moral sexual and marital rules that white women were already beginning to contest Contact Zones draws upon a vast array of primary sources to provide insight into the ubiquity and persistence of colonial discourse and to demonstrate how it ultimately was an embodied experience Above all it shows how the colonial enterprise was about embodied contacts What bodies belonged inside the nation who were outsiders and who transgressed the rules these are the questions at the heart of this provocative book Jean Barman s chapter from Contact Zones Aboriginal Women on the Streets of Victoria Rethinking Transgressive Sexuality during the Colonial Encounter won the award from the Canadian Committee on the History of Sexuality Cecilia Morgan s Performing for Imperial Eyes Bernice Loft and Ethel Brant Monture Ontario 1930s 60s from Contact Zones was awarded the Hilda Neatby Prize in Canadian Women s History Stories from Hispano New Mexico Ann Lacy, Anne Valley-Fox, 2012 The fourth volume in the New Mexico Federal Writers Project Book series records authentic accounts of life in the early days of New Mexico Detailed descriptions of village life battles with Indians encounters with Billy the Kid witchcraft marriages festivals and floods **Dictionary of the Language of the Micmac Indians** Silas Tertius Rand, 1888 Encyclopedia of American Indian Literature Jennifer McClinton-Temple, Alan Velie, 2015-04-22 Presents an encyclopedia of American Indian literature in an alphabetical format listing authors and their works
